KYLIE KWONG 'You don't get used to living permanently behind the eight ball - no matter how long you've done it, it doesn't get easier. There's a constant sense of shame that eats away at you, making you feel that you're just not good enough. Some people are so poor that they can't even afford to feel shame. This book is not only a beautifully conveyed account of Ronni's story, but it also serves as inspiration for anyone who chooses to see life's challenges as opportunities to grow. TIM FLANNERY Life throws us mysterious ingredients. If we are brave enough to put the recipe aside and experiment, it's right there that things get interesting. As the owner of a successful events company, throwing away huge volumes of leftover food at the end of the day came with the territory. But when Ronni Kahn hit midlife, she found herself no longer able to turn a blind eye to her food waste problem. Hand delivering the untouched food to homeless shelters around Sydney became her renegade solution. Little did she know that fixing her small problem at work would lead her to unlock a hidden purpose at the very core of her inner life. Now founder and CEO of the food rescue organisation OzHarvest, Ronni leads hundreds of staff and thousands of volunteers with the goal to nourish Australia. She serves in an advisory capacity to government and is an instrumental leader in changing federal laws to improve social justice and environmental policies. *A Repurposed Life* is the story of how Ronni

found her voice, her heart and her deepest calling. From her early years growing up under the brutal system of apartheid South Africa, to a socialist commune in Israel, Ronni finally settled in Australia to discover a profound new way of living.
