Digital Costume Design and Collaboration Rafael Jaen,2017-06-26 Digital Costume Design and Collaboration gives in-depth instruction on how to draw, render, and fully design costumes using online tools and software. Grounded in the use of Photoshop, the book explains the process of building a costume design from scratch, including information on digital tools and painting techniques. The book demonstrates how to utilize social media, such as Flickr and Pinterest, to compile research; how to create user-friendly web based slide shows; and how to archive digital files for portfolios and personal websites. It also demonstrates how to organize spec sheets, plots and inventories using Google Docs for easy editing and Dropbox for easy file sharing. A companion YouTube channel featuring video tutorials of exercises and applications compliments the book.

San Diego Magazine ,2006-11 San Diego Magazine gives readers the insider information they need to experience San

Diego—from the best places to dine and travel to the politics and people that shape the region. This is the magazine for San Diegans with a need to know.

Hello World Alice Rawsthorn, 2014-02-06 Our gadgets, appliances, and cars are sleeker and more elegant than they've ever been; in our free time, we trawl the internet for pictures of flawless minimalist interiors; and even the great industrialist of our time—Steve Jobs—is admired more for his visual savvy than his technological inventiveness. And yet with Instagram and Pinterest at our fingers and great design more available—and more affordable—than ever, we've had no guidebook to this ever-fascinating field. Though it's an inescapable part of our lives, there has been no single book that could, in one fell swoop, tell us everything we need to know about design. Enter *Hello World*. The design critic for the *International Herald Tribune*, Alice Rawsthorn has spent many years reckoning with the history of design and with its place in contemporary life, and *Hello World* is the extraordinary summation of her research and reporting. Rawsthorn takes us on a trip through design that ranges across continents and centuries, and wherever she goes, she discovers inspiring, thrilling examples of resourcefulness, inventiveness, and sheer vision. From the macabre symbol with which eighteenth-century pirates terrorized their victims into surrender, to one woman's quest for the best prosthetic legs, to the evolution of the World Cup soccer ball, *Hello World* describes how warlords, scientists, farmers, hackers, activists, and professional designers have used the complex, often elusive process of design to different ends throughout history. Hailed as a "rapid-fire and illuminating ode to contemporary design" (Telegraph) and "an extremely readable tour of the subject" (Financial Times), *Hello World* is a major work that radically broadens our understanding of what design can mean, and explains how we can use it to make sense of our ever-changing universe.

New York Magazine , 1994-03-21 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country.
