The Lantern House Erin Napier,2022-05-24 From the nationally beloved co-host of the #1 hit show Home Town comes the quintessential celebration of home. Imagine a house's early days as a home: A young family builds a picket fence and plants flowers in its yard, children climb the magnolia tree and play the piano in the living room, and there is music inside the house for many happy years. But what will happen when its windows grow dark, its paint starts to crumble, and its boards creak in the winter wind? The house dreams of a family who will love it again...and one day, a new story will emerge from within its walls. In this modern classic, Erin Napier's lyrical prose and Adam Trest's warm and comforting paintings deeply evoke the soul of a house cherishing the seasons of life and discovering the joy of rebirth.

Greenwich Style Cindy Rinfret,2013-03-26 A glimpse into the quintessentially Greenwich homes that are stately and elegant yet designed for the comforts of family life. Greenwich is one of the most desirable communities in the United States, with houses that epitomize the suburban tradition. With their handsome facades and elegant interiors, these homes provide inspiration to decorators and homeowners nationwide. More than almost any other community, Greenwich signifies a classic look, a way of living, and a state of mind. Cindy Rinfret's successful *Classic Greenwich Style* was the first book to celebrate the style of this classically American town and bring its renowned look to a nationwide audience. Now, the beloved designer returns with an all-new selection of interiors that will appeal to a new generation of homeowners seeking elegant yet comfortable design. Specially commissioned photographs showcase the designer's signature young traditional style: a warm blend of color, contemporary materials with traditional shapes, antiques with transitional pieces, English-style furnishings with family heirlooms, and spaces for entertaining and family life. In her own words, Rinfret offers an intimate look into these stunning interiors—including Rinfret's own classically styled house, Laurel Hill—and shows how people who covet the look and style of Greenwich can create it for themselves.

Project 333 Courtney Carver,2020-03-03 Wear just 33 items for 3 months and get back all the JOY you were missing while you were worrying what to wear. In *Project 333*, minimalist expert and author of *Soulful Simplicity* Courtney Carver takes a new approach to living simply--starting with your wardrobe. *Project 333* promises that not only can you survive with just 33 items in your closet for 3 months, but you'll thrive just like the thousands of woman who have taken on the challenge and never looked back. Let the de-cluttering begin! Ever ask yourself how many of the items in your closet you actually wear? In search of a way to pare down on her expensive shopping habit, consistent lack of satisfaction with her purchases, and ever-growing closet, Carver created *Project 333*. In this book, she guides readers through their closets item-by-item, sifting through all the emotional baggage associated with those oh-so strappy high-heel sandals that cost a fortune but destroy your feet every time you walk more than a few steps to that extensive collection of never-worn little black dresses, to locate the items that actually look and feel like you. As Carver reveals in this book, once we finally release ourselves from the cyclical nature of consumerism and focus less on our shoes and more on our self-care, we not only look great we feel great-- and we can see a clear path to make other important changes in our lives that reach far beyond our closets. With tips, solutions, and a closet-full of inspiration, this life-changing minimalist manual shows readers that we are so much more than what we wear, and that who we are and what we have is so much more than enough.
