Chickens in the Road Suzanne McMinn, 2013-10-08 Suzanne McMinn, a former romance writer and founder of the popular blog [chickensintheroad.com](#), shares the story of her search to lead a life of ordinary splendor in *Chickens in the Road*, her inspiring and funny memoir. Craving a life that would connect her to the earth and her family roots, McMinn packed up her three kids, left her husband and her sterile suburban existence behind, and moved to rural West Virginia. Amid the rough landscape and beauty of this rural mountain country, she pursues a natural lifestyle filled with chickens, goats, sheep—and no pizza delivery. With her new life comes an unexpected new love—52, a man as beguiling and enigmatic as his nickname—a turbulent romance that reminds her that peace and fulfillment can be found in the wake of heartbreak. Coping with formidable challenges, including raising a trio of teenagers, milking stubborn cows, being snowed in with no heat, and making her own butter, McMinn realizes that she's living a forty-something's coming-of-age story. As she dares to become self-reliant and embrace her independence, she reminds us that life is a bold adventure—if we're willing to live it. *Chickens in the Road* includes more than 20 recipes, craft projects, and McMinn's photography, and features a special two-color design.

Snow Struck Nick Courage,2022-02-15 An historic blizzard is raging across the eastern seaboard, and three unsuspecting kids are about to find themselves smack in the middle of it! Perfect for fans of the I SURVIVED series who are looking for a high-stakes adventure! Neither Elizabeth nor her little brother, Matty, have ever been north of Georgia. They're used to sandals and shorts, not boots and parkas. So when they fly to New York City to spend the holidays with their cousin Ashley, they want to experience one thing: SNOW! Ashley can't wait to show her cousins how magical Manhattan is at Christmastime. But instead of a week of fun, what they get is an arctic blast that knocks out the power and plunges the skyscrapers into darkness. It's unreal: the blizzard covers the Statue of Liberty in ice and topples the famous Christmas tree at Rockefeller Center! When Ashley's dog, Fang, gets lost outside, the cousins take matters into their own hands. . . and are caught in the storm's dangerous path as they chase Fang across the frozen city. Can the little Pomeranian survive the cold, snow, and ice blanketing Manhattan? Can they?

Return to Hope Creek Alyssa J Montgomery,2024-05-31 When two old flames come back to their hometown, sparks are bound to ignite. A rural romance from USA Today bestselling author Alyssa J. Montgomery. A horrific car accident ended former world number-one Stella Simpson's tennis career, and a betrayal ended her relationship with her fiancé/coach. When a family friend offers to sell her half of a property in the rural community where she grew up, it seems like the perfect place to escape, heal and begin the next phase of her life. Until she discovers that the man who broke her heart ten years ago has bought the other half of the same property. Mitchell Scott seemingly had it all: fame and fortune as one of the NFL's highest-paid quarterbacks, and a beautiful family. But wealth and celebrity can't compensate for a loveless, toxic marriage, and he's glad to give it all up to raise his son in the one place that always brought him peace. Encountering Stella again so long after the messy end to their relationship is a complication he doesn't need — but one he finds himself wanting. As each tries to build a new life, they are drawn to each other, and find that their chemistry is just as strong as it ever was. When the press gets wind of their romance and descend on Hope Creek looking for a scoop, Mitchell's malicious ex-wife isn't far behind. Will she tear apart everything they've built, or will their love be stronger the second time around? **WARNING:** This book contains explicit sexual content. Recommended for 18+.
