Shabby Chic Rachel Ashwell,2012-02-21 Valuable flea market finds... A peeling, antique vanity in muted sea green... An elegant, cracked chandelier... An enormous, slipcovered sofa with deep, cushions... Comfort, the beauty of imperfections, the allure of time-worn objects, and the appeal of simple practical living: these are the cornerstones of what has come to be known as the Shabby Chic style. Like the cozy familiarity of a well-worn pair of faded jeans, the dilapidated elegance of an Italian villa, or the worn grandeur of faded velvets and mismatched floral china handed down from your grandmother's attic, the Shabby Chic style is a revived appreciation for what is used, well-loved, and worn. It is a respect for natural evolution and a regard for what is easy and sensible. The hundreds of lavish photographs in this book invite you inside the unique world of Shabby Chic. Rachel Ashwell, founder of the Shabby Chic home decor stores, for the first time provides her invaluable and much-sought-after advice on how to re-create Shabby Chic style in your own home. With engaging text and easy-to-follow instructions, Rachel details the Shabby Chic basics in a way that will put even the most apprehensive or novice decorators at ease. From flowers to fabrics to lighting, Rachel illuminates all of the elements essential to this unpretentious yet truly exquisite style. A behind-the-scenes look at a flea market lets readers in on Rachel's personal secrets of how to cull hidden treasures from flea market trash--an old trunk, its paint peeling around the edges, can be given new life as a coffee table, while a chipped white iron salvage piece becomes the perfect frame for a vintage mirror. This book tells you not only how to restore these pieces but how to find the perfect place for them in your home. Gorgeous color photographs and accompanying text reveal how this relaxed look works with a variety of different styles, from Victorian to Mediterranean to contemporary.

Summers in France Kathryn M. Ireland,2010-06 Excursions to flea markets and antiques shops and snapshots of outdoor activities punctuate this luscious book of French country living, which includes home design and ideas plus favorite recipes for Mediterranean-inspired lunches and convivial candlelit dinners.

Modern Pastoral Niki Brantmark, 2016-02-11 Discover contemporary interiors inspired by natural landscapes. Discover contemporary interiors inspired by natural landscapes. Modern pastoral interiors are about embracing the pared-back lifestyle of living in the country, taking nature as the main point of inspiration. Use colors, textures, and details to create a home in which to unwind—a retreat from the rest of the world. Niki Brantmark explores various takes on this simple, informal style. The graphical look is striking, reminiscent of exposed landscapes: think whitewashed ceilings, rugged stone surfaces, and striking black features, softened by cozy soft furnishings and fresh plants and flowers. Savanna style introduces warmer hues, featuring painted wood and reds, oranges, and browns in textiles, furniture, and collectibles. Nordic interiors take in the best of the Scandinavian landscape—clean white backdrops against sleek designs—while those inspired by forest and mountain streams are filled with rich, deep greens and blues, combined with traditional patterns and features, such as log burners, wood paneling, and woven rugs. The stunning photography for this book takes in locations across Scandinavia and the United States, and all evoke an ideal, rural life, adapted to modern living.

The Tailored Interior Greg Natale, 2015-09-15 Multi award-winning architect and interior designer Greg Natale does things differently. In this stunning photographic collection, Greg guides you through building a concept, layering different elements for cohesion, embracing empty space, and using color and pattern to add the finishing touches. Filled with practical advice and paired with beautiful photography from Anson Smart and a foreword from Jonathan Adler, The Tailored Interior will provide all the inspiration you need to transform your living spaces into works of art.
