Handcrafted Modern Leslie Williamson,2010-10-12 An intimate and revealing collection of photographs of astonishingly beautiful, iconic, and undiscovered mid-century interiors. Among significant mid-century interiors, none are more celebrated yet underpublished as the homes created by architects and interior designers for themselves. This collection of newly commissioned photographs presents the most compelling homes by influential mid-century designers, such as Russel Wright, George Nakashima, Harry Bertoia, Charles and Ray Eames, and Eva Zeisel, among others. Intimate as well as revelatory, Williamson's photographs show these creative homes as they were lived in by their designers: Walter Gropius's historic Bauhaus home in Massachusetts; Albert Frey's floating modernist aerie on a Palm Springs rock outcropping; Wharton

Esherick's completely handmade Pennsylvania house, from the organic handcarved staircase to the iconic furniture. Personal and breathtaking by turn—these homes are exemplary studies of domestic modernism at its warmest and most creative.

**Tropical Interiors** Elizabeth V. Reyes,2012-07-02 Featuring over 250 photographs and insightful commentary, this topical interior design book will add a uniquely Asian-Pacific element to your home. The Philippines is home to a new generation of craftsmen, including furniture makers, artists, sculptors, and weavers. They specialize in taking the indigenous materials of the country--pina, abaca, capiz shell, bamboo, rattan, to name a few--and producing contemporary items that would be as at home in a New York loft as on a tropical verandah. Harnessing both Asian- and Latin-inspired style and modern techniques, they produce a cornucopia of fine contemporary furniture and authentic furnishing items. In this sourcebook of decorating and shopping ideas, these objects are presented within metropolitan and rural present-day interiors. From furniture and furnishings to table settings and lighting, all the homes, many never photographed before, are

accented with artifacts in modern designs. Tropical Interiors shows how Philippine style is clearly now a global phenomenon and can be applied to homes worldwide.
