Junk Gypsy Jolie Sikes, Amie Sikes, 2016-10-04 New York Times bestseller In their first book, the Junk Gypsies—sisters and stars of the popular Texas-born brand and HGTV show—combine big dreams, stories of roadside treasures found, and down-home design projects inspired by epic makeovers for friends like Miranda Lambert, Billie Joe Armstrong, and Sadie Robertson. Amie and Jolie Sikes, the Thelma and Louise of the design world, are the Junk Gypsies: a family with an addiction to flea markets, wanderlust, and Americana inspired design. In their world, cowgirls are heroes, road trips last forever, and junk is treasured. Beginning with a little bit of faith and a whole lot of heart and soul, the sisters travelled the back roads of America like gypsies, collecting roadside trinkets and tattered treasures while meeting kindred spirits and lively characters along the way. With a mix of hippie, rock n' roll, southern charm, and big dreams, these small-town Texas girls became restless wanderers and owners and operators of their dream business and bohemian brand, Junk Gypsy. Filled with stories from their unique journey as well as DIY projects and bohemian inspired designs, Junk Gypsy is a tribute to all the rowdy gypsies, crafty junkers, free-spirited romantics, and true-blue rebels who have ever dared to dream big.

Provence Style Shauna Varvel, 2021-06-15 An intimate tour of quintessential Provencal style, featuring chic homes and interior details inspired by this picturesque region Thirty years after the publication of Peter Mayle's bestselling memoir *A Year in Provence*, the sun-drenched southern French region continues to excite home decorators with its combination of rustic charm, elegant details, and historical influences. *Provence Style* showcases the best of the region, with Shauna Varvel's quintessential 18th-century Rhône valley farmhouse--Le Mas des Poiriers--as its centerpiece. Named for the working pear orchard on the grounds, the property was reimagined by noted local architect Alexandre Lafourcade, who transformed a rough structure into a luxurious expression of the Provencal aesthetic, referencing historical influences, rural traditions, and Parisian taste. Set amid a garden of allées, arbors, and terraces designed by the architect's mother, renowned landscape designer Dominique Lafourcade, this exemplar of Provencal style is the starting point for exploring the region's characteristic interior details and exterior features. The book includes chapters on the public spaces of the home, from entrances to living rooms, the private realm of bedrooms and bathrooms, and outdoor areas including patios and kitchen gardens, transporting the reader on a captivating stylistic journey.

Modern Pastoral Niki Brantmark, 2016-02-11 Discover contemporary interiors inspired by natural landscapes. Discover contemporary interiors inspired by natural landscapes. Modern pastoral interiors are about embracing the pared-back lifestyle of living in the country, taking nature as the main point of inspiration. Use colors, textures, and details to create a home in which to unwind—a retreat from the rest of the world. Niki Brantmark explores various takes on this simple, informal style. The graphical look is striking, reminiscent of exposed landscapes: think whitewashed ceilings, rugged stone surfaces, and striking black features, softened by cozy soft furnishings and fresh plants and flowers. Savanna style introduces warmer hues, featuring painted wood and reds, oranges, and browns in textiles, furniture, and collectibles. Nordic interiors take in the best of the Scandinavian landscape—clean white backdrops against sleek designs—while those inspired by forest and mountain streams are filled with rich, deep greens and blues, combined with traditional patterns and features, such as log burners, wood paneling, and woven rugs. The stunning photography for this book takes in locations across Scandinavia and the United States, and all evoke an ideal, rural life, adapted to modern living.

The Bee Cottage Story Frances Schultz, 2015-07-07 Inspired by Frances Schultz's popular House Beautiful magazine series on the makeover of her East Hampton house, Bee Cottage, what began as a decorating book evolved into a memoir combining the best elements of both: beautiful photos and a compelling personal story. Schultz taps into what she learned during her renovations of Bee Cottage—determining how each area in the house and garden would be used and furnished—to unravel the question of how a mature, intelligent, successful woman could have made such a mess of her personal life. As she figures out each room over a period of years, Frances finds a new path in life, also a continual process. She comes to learn that, like decorating a home, our lives must adapt to who we are and what we need at different points along the way. The Bee Cottage Story is part memoir, part home decorating guide. Frances discusses the kinds of useful, commonsense design issues that professionals take for granted and the rest of us just may not think of, prompting the reader to examine and discover her own “truth” in decorating—and in her life.

Great Houses of the South Laurie Ossman, 2010-03-23 An exquisitely photographed collection of the great houses and mansions of the South. In the tradition of Rizzoli's Historic Houses of the Hudson Valley and Great Houses of New England, Great Houses of the South features a stunning array of newly photographed homes that range over three centuries and are distinctive examples of the architecture of the region. While in popular imagination the Southern Style is embodied in the classic Southern plantation house with its Greek Revival detailing—its stately white columns, wide porch, and symmetrical shape—the houses themselves are much more various and engaging, as shown in this important volume. From stately Stanton Hall of Natchez, Mississippi, one of the most magnificent and palatial residences of antebellum America; to Longue Vue House and Gardens of New Orleans, the luxurious Classical Revival-style home of Edgar and Edith Stern; to the fabled Biltmore of Asheville, North Carolina, the opulent French Renaissance-inspired chateau and Gilded Age estate of George

Washington Vanderbilt, this lavish volume is comprehensive in scope and a landmark work of enduring interest to homeowners, architects, architecture historians, and all those who love fine architecture.
