Mermaids and Martinis Hilary Pereira,2012-04-24 Don't host a party-host a memory. Everyone loves to throw the perfect party-the one all your friends talk about. Today, everyone is searching for ways to save and still do the things they love in a big way, and almost everyone is craving for creative ideas and solutions to celebrate their lives in a big way-on a tiny budget. New York party-planner Hilary Pereira has happily played hostess and rolled out the red carpet for celebrities such as Jerry and Jessica Seinfeld, Kanye West, Josh Duhamel, Helen Hunt, Vanessa Carlton, Allison Krauss, Helena Christensen, Jane Krakowski, John Legend, Nigel Barker and Danity Kane-just to name a few. And as much as she loves hosting wonderful parties for celebrities, her favorite fetes are the ones she hosts for family and friends. *Mermaids & Martinis* is a book to teach you creative ways to economize, but also to remember to turn your party into a memory. You may be asking yourself: Why a Mermaid? Look no further than this quote from Louisa May Alcott to capture the essence of our main character: She was one of those happily created beings who please without effort, make friends everywhere and take life so gracefully and easily that less fortunate souls are tempted to believe that such are born under a lucky star.

Dior and His Decorators Maureen Footer,2018-09-25 *Dior and His Decorators* is the first work on the two interior designers most closely associated with Christian Dior. Like the unabashedly luxurious fashions of Dior's New Look, which debuted in 1947, the interior designs of Victor Grandpierre and Georges Geffroy infused a war-weary world with a sumptuous new aesthetic--a melding of the refined traditions of the past with a wholly modern sense of elegance. Author Maureen Footer recounts the lives and work of this influential trio, illustrated with a trove of evocative vintage photographs. Grandpierre designed Dior's first couture house, creating not only the elegantly restrained look of the salons but also the template for the Dior brand, including typeface, logo, and packaging. Both Grandpierre and Geffroy (who worked

independently) designed the interior of Dior's townhouse. After the couturier's untimely death in 1957, Grandpierre and Geffroy went on to design salons for other couturiers, as well as homes for the likes of Yves Saint Laurent, Marcel Rochas, Gloria Guinness, Daisy Fellowes, and Maria Callas.

Miniature Needle Painting Embroidery Trish Burr,2015-02 Annotation. Trish has always been fascinated by miniature art and for years has had a yen to try and embroider smaller pieces. There is something so endearing about little paintings with all the detail and form of a larger piece, not to mention the fact that they are much quicker to stitch! Here she has compiled fresh and appealing designs that depict the pretty, romantic illustrations typical of the Victorian and post-Victorian eras. Each project is accompanied by a detailed thread diagram which shows exactly which colour should be used and where. The small size of the designs allows for great flexibility in their final use such as group framing, making up into cushions, book covers, quilt squares, needle cases, box lids, tote bags, pockets on clothing and so on.
