The Better Mom Ruth Schwenk, 2018-04-24 Mothering is messy. Our joy and hope in raising children doesn't change the reality that being a mom can be frustrating, stressful, and tiring. But just as God is using us to shape our children, God is using our children and motherhood to shape us. In *The Better Mom*, author Ruth Schwenk, herself a mother of four children, encourages us with the good news that there is more to being a mom than the extremes of striving for perfection or simply embracing the mess. We don't need to settle for surviving our kids' childhood. We can grow through it. With refreshing and heartfelt honesty Ruth emboldens moms to: Find freedom and walk confidently in purpose Create a God-honoring home environment Overcome unhealthy and destructive emotions such as anger, anxiety, and more Avoid glorifying the mess of mom-ing or idolizing perfection Cultivate life-giving friendships At the heart of *The Better Mom* is the message that Jesus calls us to live not a weary life, but a worthy life. We don't have to settle for either being apathetic or struggling to be perfect. Both visions of motherhood go too far. Ruth offers a better option. She says, "It's okay to come as we are, but what we're called to do and be is far too important to stay there! The way to becoming a better mom starts not with what we are doing, but with who God is inviting us to become.

**Oh Crap! Potty Training** Jamie Glowacki, 2015-06-16 From potty-training expert and social worker Jamie Glowacki, who's already helped over half a million families successfully toilet train their preschoolers, comes a newly revised and updated guide that's "straight-up, parent-tested, and funny to boot" (Amber Dusick, author of *Parenting: Illustrated with Crappy Pictures*). Worried about potty training? Let Jamie Glowacki, potty-training expert, show you how it's done. Her six-step, proven process to get your toddler out of diapers and onto the toilet has already worked for tens of thousands of kids and their parents. Here's the good news: your child is probably ready to be potty trained EARLIER than you think (ideally, between 20-30 months), and it can be done FASTER than you expect (most kids get the basics in a few days—but Jamie's got you covered even if it takes a little longer). If you've ever said to yourself: -How do I know if my kid is ready? -Why won't my child poop in the potty? -How do I avoid "potty power struggles"? -How can I get their daycare provider on board? -My kid was doing so well—why is he regressing? -And what about nighttime?! Oh Crap! Potty Training can solve all of these (and other) common issues. This isn't theory, you're not bribing with candy, and there are no gimmicks. This is real-world, from-the-trenches potty training information—all the questions and all the answers you need to do it once and be done with diapers for good.
