Patina Homes Steve Giannetti,Brooke Giannetti,2021-04-20 Patina style imbues Giannetti client homes in a variety of architectural styles. For anyone who has loved the Giannetti books about Patina Farm, this book continues the aesthetic in a variety of styles. Steve Giannetti's architectural designs springboard from his image of ultimate beauty—a place where modern, classical and industrial elements merge to create a unique style with a modern sense of space and emotion drawn from history. His materials palette consists of wood, metal, and stone. His color palette is a chalky patina. Twelve varied homes—ranging from a modern desert glass box and a beachfront contemporary to a historic East Coast farmhouse and a Provencal-style home in California—show how Steve has used these themes to solve unique architectural challenges. Steve has collaborated with his wife, Brooke, as well as other designers on the various interiors.

No More Tears Sandy Appleyard,2020-09-05 A riches to rags cowboy. A hardened cowgirl. The gunshot that erases all doubt. Laura Warner knows nothing but horses. Her entire life has been lived on a ranch. It's her love, her dream, and aside from the love of her life, Quentin, it's the only thing that she ever thinks about. But when tragedy strikes at Kelsey Ranch, Laura is left to care for the horses and the land with the help of her siblings. Years later, Laura feels content with life, but when a gunshot blasts only days after she has to make a difficult decision, Laura learns that everything happens for a reason...and it doesn't always lead to more hardship...sometimes it leads to happiness. But can she convince herself that this is possible? Grayson Thomas is an out of work lowlife, who just happens to have world class siblings that drag him out of his rut days after he loses everything, or gives everything up, depending on one's perspective. When he makes the decision to flee from El Paso and move to Huttonville, just outside of Dallas, his brothers give him their thumbs up. Grayson has no idea that he's about to step into the world that he does, and when a gunshot blasts on his second day in Huttonville, he's left wondering if he should make tire tracks back to El Paso, or stay in Huttonville. When Laura's face becomes a staple in Grayson's life, what was once a demon craving becomes a distant memory. What he once worked hard for and lost soon

becomes something that he may have again. Things that once brought him to the edges of demise, become obliterated and exist only in random nightmares. Grayson's tough exterior is softened through Laura's honest and thoughtful words, and Laura sees life in a new light, and learns to laugh and have fun again with someone that isn't family. But is this enough? Can two people who have been through so much, lost everything and worked hard to gain it back, learn to trust enough to let their guard down and see life and love for what it is? Short answer, yes. They both do. But just when they do, someone who has been watching from afar swoops in and threatens to take everything. Can they survive yet another tragedy...and more important, will they have to? This is a book about survival and love. In that order. This series is the start of a huge helping of feels. Each story has medium heat and a cliffhanger ending, so be sure to read the books in their proper sequence. Get addicted today! HEA (Happily Ever After) Ranch romance Cowboy romance Second chance romance Medical romance Medium heat Course language Cliffhanger ending It is a lovely contemporary romance novella with intriguing characters. - Four Stars from Edith Wairimu, Readers'Favorite Exceptional read. A poignant love story offering two people a second chance at love after losing their first mates in very tragic ways. - Five Stars from Linda Knight, Amazon Reviewer I liked the style of writing in that it's unique and gives a voice to each person in the story. You feel like you get to know each person a little bit by reading the chapter as though that character is telling their own story. Highly recommended! - Five Stars from cdstokes, Amazon Reviewer If I could give this book 10 stars I would do so. What a wonderful story! - 5 Stars from Sheryl Hamilton, Goodreads Reviewer A great start to a new series. The characters are realistic and easy to like. The story line pulls you in and holds you captive until you turn the last page. The pages are filled with action, adventure, a bit of suspense and mystery and of course romance. You don't want to miss this great read. - 5 Stars from Kristi, BookSprout Reviewer
