**Hollowed Out** Jeremy S. Adams,2021-08-03 Do teachers have a front row seat to America's decline? Jeremy S. Adams, a teacher at both the high school and college levels, thinks so. Adams has spent decades trying to instill wisdom, ambition, and a love of learning in his students. And yet, as he notes, when teachers get together, they often share an arresting conclusion: Something has gone terribly wrong. Something essential is missing in our young people. Their curiosity seems stunted, their reason undeveloped, their values uninformed, their knowledge lacking, and most worrying of all, their humanity diminished. Digital hermits of a sort unfamiliar to an older generation, they have little interest in marriage and family. They largely dismiss—and are shockingly ignorant of—religion. They sneer at patriotism, sympathize with riots and vandalism, and regard American society and civilization as so radically flawed that it must be dismantled. Often friendless and depressed, they eat alone, study alone, and even “socialize” alone. Educators like Adams see a generation slipping away. The problems that have hollowed out our young people have been festering for years. A year of COVID-19 lockdowns and social distancing have magnified them. The result could be a generation—and our nation's future—lost in a miasma of alienation and stupefaction. In his stunning new book, *Hollowed Out*, Jeremy S. Adams reveals why students have rejected the wisdom, culture, and institutions of Western civilization—and what we can do to win them back. Poignant, frightening, and yet inspiring, this is a book for every parent, teacher, and patriot concerned for our young people and our country

Raising Real Men Hal Young, Melanie Young, 2010 Families with boys often find the world reacts to them in mock horror. Even though parents love their sons, privately they admit that boys can be a handful to raise--they are boisterous, competitive, reckless, distractable. The challenge of wills between parent and son starts early, and the quest to civilize young bulls may seem hopeless some days. Yet believers know that God has given them children as a gift of heaven, specially chosen for their particular families and marked as a blessing. If that's so, why does it seem so hard? How can we prepare these boys to serve God when it's all we can do to make it through another day? Isn't there a better way? *Raising Real Men: Surviving, Teaching and Appreciating Boys* shows the answer is emphatically yes. Written by the parents of six boys, *Raising Real Men* provides hope and encouragement to families with sons. Starting from the premise that God made boys to become men, Hal and Melanie Young offer Biblical principles and tested, practical ideas for training the manly virtues that can drive parents and teachers up the wall. This is a practical guide to equipping the hearts and minds of boys without breaking or losing your own. ...earthy, realistic, humorous, and scriptural ... -- Douglas Wilson, author, *Future Men* This is just what the doctor ordered for parents who want to raise capable Christian men of character. -- John Rosemond, author, *Parenting By The Book*

She may feel guilty, ashamed, angry, depressed, confused, or alone. **The Box Man** Kobo Abe,2011-12-14 Kobo Abe, the internationally acclaimed author of *Woman in the Dunes*, combines wildly imaginative fantasies and naturalistic prose to create narratives reminiscent of the work of Kafka and Beckett. In this eerie and evocative masterpiece, the nameless protagonist gives up his identity and the trappings of a normal life to live in a large cardboard box he wears over his head. Wandering the streets of Tokyo and scribbling madly on the interior walls of his box, he describes the world outside as he sees or perhaps imagines it, a tenuous reality that seems to include a mysterious rifleman determined to shoot him, a seductive young nurse, and a doctor who wants to become a box man himself. *The Box*

Man is a marvel of sheer originality and a bizarrely fascinating fable about the very nature of identity. Translated from the Japanese by E. Dale Saunders.
