Catch-22 Laura M. Nicosia, James F. Nicosia, 2021 Catch-22 was published in 1961, becoming a number-one bestseller in England before American audiences identified with its anti-war sentiments, earning it classic status and prompting a film version in 1970. Heller's dark, satirical novel became so ubiquitous that it initiated the eponymous phrase regarding paradoxical situations. Catch-22 is appreciated for its black humor, extensive use of flashbacks, contorted chronology, countercultural sensibilities, and bizarre language structures. With current trends and political climate considered, this volume revisits this classic text for a contemporary audience. --

Dagger 22 Michael Golembesky, 2016-09-20 The thrilling true story of a Marine special operations unit in a battle for their lives in Afghanistan. Level Zero Heroes, Michael Golembesky's New York Times bestselling account of Marine Special Operations Team 8222 in Bala Murghab, Afghanistan, was just the beginning for these now battle-hardened special operations warriors. The unforgiving Afghan winter has settled upon the twenty-two men of Marine Special Operations Team 8222, call sign Dagger 22, in the remote and hostile river valley of Bala Murghab, Afghanistan. The Taliban fighters in the region would have liked nothing more than to once again go dormant and rest until the new spring fighting season began. No chance of that—this winter would be different. Along with Afghan and International Security Forces (NATO), the Marines of Dagger 22 continued their fight throughout the harsh winter to shape the battlefield before the Afghan ground began to thaw. From one firefight to the next, the noose began to tighten around the village of Daneh Pasab and the Taliban command cell operating there. On April 6, 2010, a ground force consisting of U.S. Army Special Forces, Afghan Commandos and Marine Corps special operations conducted a night assault to destroy the heavily entrenched Taliban force, breaking their grip on the valley and stopping the spring offensive before it ever began. But nothing in Bala Murghab comes easily as combat operations wear on the operators of Dagger 22, as they lean on each other once again in order to complete their mission in one of the most brutal environments on earth.

22 Murders Paul Palango,2022-04-12 #1 NATIONAL BESTSELLER A shocking exposé of the deadliest killing spree in Canadian history, and how police tragically failed its victims and survivors. As news broke of a killer rampaging across the tiny community of Portapique, Nova Scotia, late on April 18, 2020, details were oddly hard to come by. Who was the killer? Why was he not apprehended? What were police doing? How many were dead? And why was the gunman still on the loose

the next morning and killing again? The RCMP was largely silent then, and continued to obscure the actions of dentist Gabriel Wortman after an officer shot and killed him at a gas station during a chance encounter. Though retired as an investigative journalist and author, Paul Palango spent much of his career reporting on Canada's troubled national police force. Watching the RCMP stumble through the Portapique massacre, only a few hours from his Nova Scotia home, Palango knew the story behind the headlines was more complicated and damning than anyone was willing to admit. With the COVID-19 lockdown sealing off the Maritimes, no journalist in the province knew the RCMP better than Palango did. Within a month, he was back in print and on the radio, peeling away the layers of this murderous episode as only he could, and unearthing the collision of failure and malfeasance that cost a quiet community 22 innocent lives.
