Rustic Revisited Ann Stillman O'Leary, 2006 • Rich, warm, relaxed, natural—Adirondack camps, Western lodges, much more • Glowing photos of dozens of unique rustic homes from across North America • Spotlights craftspeople and creative forces in construction and deacute;cor • Great idea book for anyone looking to design or decorate a primary or second home Used to be that “rustic” meant a dusty, dumpy cabin in the woods. No more! *Rustic Revisited* reveals today's rustic—contemporary design that celebrates the honesty of all-natural, local materials such as wood, twig, stone, and bark. Rustic structures often have the same finish on the exterior and the interior—for example, rough-hewn timber on the outside and rough-hewn timber on the inside. The projects in *Rustic Revisited* embrace the hand-crafted philosophy of rustic and show how to take that philosophy to new heights in a variety of styles, from the Adirondack camp to the Western lodge to the classic log cabin. Thirty unique homes, most planned by architects or interior designers, are showcased here, each lavishly

photographed to allow readers exclusive access to interiors, exteriors, and noteworthy details in unusual rustic houses from New York to California, from Montana to Ontario, from North Carolina to Minnesota. These spotlighted projects, plus photos of dozens of additional homes, cover the full spectrum of rustic—renovations and new construction, traditional and cutting edge. A bonus chapter on decoration spotlights the craftspeople who are the creative forces of the movement.

Sater Design Dan F. Sater, 2006 Experience the craft of Dan Sater, a true master of residential home design, as you turn the pages of this stunningly beautiful book. Here you will find 32 of Dan's finest and largest luxury estate homes—most never before published—from authentically detailed and richly appointed Tuscan and Spanish masterpieces to breezy, refreshing Florida-style seaside treasures. Read a candid introduction of each project from Dan and then go on a breathtaking pictorial and narrative tour of each home. See a birds-eye view of the property on the colorful site plan and “walk through” the house using the detailed floor plan. Glimpse some of Dan's most creative past and future projects in the “Concepts” chapter and consult the “Resource List” at the back for valuable information on builders, landscapers, pool contractors, interior designers, lighting engineers and photographers who have been part of the “Sater Team.” For those who are designing, building, furnishing or just dreaming about a state-of-the-art luxury home, this inspiring book will be a fantastic wish come true. Take advantage of the rare opportunity to peek over the shoulder of one of America's acclaimed residential designers and enter some of the most enchanting and stimulating homes ever built!

Latinx Writing Los Angeles Ignacio López-Calvo, Victor M. Valle, 2018 2020 International Latino Book Awards Honorable Mention in Best Nonfiction (Multi-Author) *Latinx Writing Los Angeles* offers a critical anthology of Los Angeles's most significant English-language and Spanish-language (in translation) nonfiction writing from the city's inception to the present. Contemporary Latinx authors, including three Pulitzer Prize winners and writers such as Harry Gamboa Jr., Guillermo Gómez-Peña, and Rubén Martínez, focus on the ways in which Latinx Los Angeles's nonfiction narratives record the progressive racialization and subalternization of Latinxs in the southwestern United States. While notions of racial memory, coloniality, biopolitics, internal colonialism, cultural assimilation, Mexican or pan-Latinx cultural nationalism, and transnationalism permeate this anthology, contributors advocate the idea of a contested modernity that refuses to accept mainstream cultural impositions, proposing instead alternative ways of knowing and understanding. Featuring a wide variety of voices as well as a diversity of subgenres, this collection is the first to illuminate divergent, hybrid Latinx histories and cultures. Redefining Los Angeles's literary history and providing a new model for English, Spanish, and Latinx studies, *Latinx Writing Los Angeles* is an essential contribution to southwestern and borderland studies.

Coming Home Barbara de Vries, 2021-09-21 A celebration of the innovative, artisanal, and sustainable living exemplified by contemporary Dutch interiors. With a carefully curated collection of interiors, including historic canal houses, restored farms, and green homes, belonging to interior designers, product designers, architects, and artists, this book showcases

creative and resourceful living. These properties have been created or renovated and brought into the twenty-first century with typical Dutch style and sensibility—environmentally friendly, imaginative uses of space filled with color and charm and never to be taken too seriously. Each home in the book reflects the personality and spirit of the people who inhabit it. From furniture designer Valentin Loellman’s handcrafted interiors in a traditional worker’s cottage on the Maas river to fiber artist Claudy Jongstra’s farmhouse in Friesland where indigo dye plants grow in the biodynamic garden, *Coming Home* illustrates fun ideas and easy ways to incorporate individual style into your surroundings. Whether it’s the traditional “lowlands” aesthetic of combining old and new, faded and inviting, into a casual chic or a quirky reinvention of a space that reveals a touch of eccentricity, this book illustrates why the Netherlands is truly loved by so many and can be an inspiration to us all.
