Life in Jeneral Jen Robin, 2021-12-07 “Jen Robin is not just an organizer—she is a teacher and a healer. As she helps sort our ‘stuff’ she is also sorting our values, emotions, relationships, and dreams. She is a magician and this book will work magic on your home and life.” - Glennon Doyle, #1 New York Times bestselling author of Untamed In this essential guide, the creative force behind the popular organization company Life in Jeneral reveals her emotionally engaged approach to decluttering—a unique process that empowers people to re-envision their spaces to suit their evolving needs. Life is about connection, not collection. Jen Robin’s company, Life in Jeneral, focuses on the “soul work” of home organization—the psychological and emotional foundation necessary for creating a streamlined and sustainable lifestyle. Beautifully designed and featuring examples from Jen’s personal experiences and those of her clients, Life in Jeneral teaches us how to: Flip common mental blocks that prevent us from organizational success Identify and tackle “clutter magnets”—the spaces where things seem to gather Discover common emotional baggage keyed to specific types of clutter Organize and evolve specific spaces in the home, room by room Life in Jeneral offers a holistic approach to organization; once we understand what we want from our spaces—how they can nurture and support our emotional well-being—we can create a home that feels both practical and joyful.
