Download a FREE sneak peek today! Having destroyed Earth, the alien conquerors resettle the remains of humanity on the planet of Eleusis. In the three habitable areas of the planet--Day, Dusk, and Night--the haves and have nots, criminals and dissidents, and former alien conquerors irrevocably bind three stories: *A violent warlord abducts a young girl from the agrarian outskirts of Dusk leaving her mother searching and grieving. *Genetically modified twin brothers desperately search for the lost son of a human/alien couple in a criminal underground trafficking children for unknown purposes. *A young woman with inhuman powers rises through the insurgent ranks of soldiers in the borderlands of Night. Their stories skate across years, building to a single confrontation when the fate of all—human and alien—balances upon a knife's-edge. Warning: This book is designed for audiences 18+ due to scenes of physical and sexual violence, and themes that some may find disturbing. A Very Large Expanse of Sea Tahereh Mafi,2018-10-16 Longlisted for the National Book Award for Young People's Literature! From the New York Times and USA Today bestselling author of the Shatter Me series comes a powerful, heartrending contemporary novel about fear, first love, and the devastating impact of prejudice. It's 2002, a year after 9/11. It's an extremely turbulent time politically, but especially so for someone like Shirin, a sixteen-year-old Muslim girl who's tired of being stereotyped. Shirin is never surprised by how horrible people can be. She's tired of the rude stares, the degrading comments—even the physical violence—she endures as a result of her race, her religion, and the hijab she wears every day. So she's built up protective walls and refuses to let anyone close enough to hurt her. Instead, she drowns her frustrations in music and spends her afternoons break-dancing with her brother. But then she meets Ocean James. He's the first person in forever who really seems to want to get to know Shirin. It terrifies her—they seem to come from two irreconcilable worlds—and Shirin has had her guard up for so long that she's not sure she'll ever be able to let it down.

A Time to Die Hilda Lawrence,2018-10-17 Just as he encountered murder while off duty in Blood upon the Snow, detective Mark East once again finds his vacation interrupted by a mystery. Perhaps it was a mistake to return to the same

small town. On his last visit, the streets of Crestwood lay buried in snow. This time, blazing heat overwhelms the sleepy resort community. In the cool of evening, locals and summer visitors gather for a church supper. Afterward, one guest fails to return to the hotel, but East refuses to take an interest, reasoning that an attractive young woman might have any number of more interesting prospects. But everyone insists that it's not like Mary Cassidy to suddenly disappear, citing her pleasant ladylike behavior and her kindness to a motherless child. As East's host, Sheriff Perley Wilcox, uncovers further details about the missing woman, the detective gradually becomes more and more drawn into the case until his concern is captured by a grotesque discovery in the town's well. The suspense builds as East investigates Mary's background and learns that the retiring gentlewoman wasn't at all what she seemed to be — and that time is running out for the next victim!

Luck of the Titanic Stacey Lee, 2021-05-04 From the New York Times bestselling author of *The Downstairs Girl* comes the richly imagined story of Valora and Jamie Luck, twin British-Chinese acrobats traveling aboard the Titanic on its ill-fated maiden voyage. Valora Luck has two things: a ticket for the biggest and most luxurious ocean liner in the world, and a dream of leaving England behind and making a life for herself as a circus performer in New York. Much to her surprise though, she's turned away at the gangway; apparently, Chinese aren't allowed into America. But Val has to get on that ship. Her twin brother Jamie, who has spent two long years at sea, is there, as is an influential circus owner, whom Val hopes to audition for. Thankfully, there's not much a trained acrobat like Val can't overcome when she puts her mind to it. As a stowaway, Val should keep her head down and stay out of sight. But the clock is ticking and she has just seven days as the ship makes its way across the Atlantic to find Jamie, perform for the circus owner, and convince him to help get them both into America. Then one night the unthinkable happens, and suddenly Val's dreams of a new life are crushed under the weight of the only thing that matters: survival.

The Forgotten Girl India Hill Brown, 2019-11-05 This ghost story gave me chill after chill. It will haunt you. -- R.L. Stine, author of *Goosebumps* Do you know what it feels like to be forgotten? On a cold winter night, Iris and her best friend, Daniel, sneak into a clearing in the woods to play in the freshly fallen snow. There, Iris carefully makes a perfect snow angel -- only

to find the crumbling gravestone of a young girl, Avery Moore, right beneath her. Immediately, strange things start to happen to Iris: She begins having vivid nightmares. She wakes up to find her bedroom window wide open, letting in the snow. She thinks she sees the shadow of a girl lurking in the woods. And she feels the pull of the abandoned grave, calling her back to the clearing...Obsessed with figuring out what's going on, Iris and Daniel start to research the area for a school project. They discover that Avery's grave is actually part of a neglected and forgotten Black cemetery, dating back to a time when White and Black people were kept separate in life -- and in death. As Iris and Daniel learn more about their town's past, they become determined to restore Avery's grave and finally have proper respect paid to Avery and the others buried there. But they have awakened a jealous and demanding ghost, one that's not satisfied with their plans for getting recognition. One that is searching for a best friend forever -- no matter what the cost. *The Forgotten Girl* is both a spooky original ghost story and a timely and important storyline about reclaiming an abandoned segregated cemetery. A harrowing yet empowering tale reminding us that the past is connected to the present, that every place and every person has a story, and that those stories deserve to be told. -- Renee Watson, New York Times bestselling author of *Piecing Me Together*

Flipped Wendelin Van Draanen, 2003-05-13 A classic he-said-she-said romantic comedy! This updated anniversary edition offers story-behind-the-story revelations from author Wendelin Van Draanen. The first time she saw him, she flipped. The first time he saw her, he ran. That was the second grade, but not much has changed by the seventh. Juli says: "My Bryce. Still walking around with my first kiss." He says: "It's been six years of strategic avoidance and social discomfort." But in the eighth grade everything gets turned upside down: just as Bryce is thinking that there's maybe more to Juli than meets the eye, she's thinking that he's not quite all he seemed. This is a classic romantic comedy of errors told in alternating chapters by two fresh, funny voices. The updated anniversary edition contains 32 pages of extra backmatter: essays from Wendelin Van Draanen on her sources of inspiration, on the making of the movie of *Flipped*, on why she'll never write a sequel, and a selection of the amazing fan mail she's received. Awards and accolades for *Flipped*: SLJ Top 100 Children's Novels of all time IRA-CBC Children's Choice IRA Teacher's Choice Honor winner, Judy Lopez Memorial Award/WNBA Winner of the California Young Reader Medal "We flipped over this fantastic book, its gutsy girl Juli and its wise, wonderful ending." — The Chicago Tribune "Van Draanen has another winner in this eighth-grade 'he-said, she-said' romance. A fast, funny, egg-cellent winner." — SLJ, Starred review "With a charismatic leading lady kids will flip over, a compelling dynamic between the two narrators and a resonant ending, this novel is a great deal larger than the sum of its parts." — Publishers Weekly, Starred review

Horse Girls Halimah Marcus, 2021-08-03 “A wild, rollicking ride into the heart of horse country—these essays get at what it means to love horses, in all that love's complexity.” —Anton DiSclafani, author of *The Yonahlossee Riding Camp for Girls* A compelling and provocative essay collection that smashes stereotypes and redefines the meaning of the term “horse girl,” broadening it for women of all cultural backgrounds. As a child, horses consumed Halimah Marcus’ imagination. When she wasn’t around horses she was pretending to be one, cantering on two legs, hands poised to hold invisible reins. To her classmates, girls like Halimah were known as “horse girls,” weird and overzealous, absent from the social worlds of their peers. Decades later, when memes about “horse girl energy,” began appearing across social media—Halimah reluctantly recognized herself. The jokes imagine girls as blinkered as carriage ponies, oblivious to the mockery behind their backs. The stereotypical horse girl is also white, thin, rich, and straight, a daughter of privilege. Yet so many riders don’t fit this narrow, damaging ideal, and relate to horses in profound ways that include ambivalence and regret, as well as unbridled passion and devotion. Featuring some of the most striking voices in contemporary literature—including Carmen Maria Machado, Pulitzer-prize winner Jane Smiley, T Kira Madden, Maggie Shipstead, and Courtney Maum—*Horse Girls* reframes the iconic bond between girls and horses with the complexity and nuance it deserves. And it showcases powerful emerging voices like Braudie Blais-Billie, on the connection between her Seminole and Quebécois heritage; Sarah Enelow-Snyder, on growing up as a Black barrel racer in central Texas; and Nur Nasreen Ibrahim, on the colonialist influence on horse culture in Pakistan. By turns thought-provoking and personal, *Horse Girls* reclaims its titular stereotype to ask bold questions about autonomy and desire, privilege and ambition, identity and freedom, and the competing forces of domestication and wildness.

The Lights, The Resurrection Anthony Laster, 2016-05-31 Back Cover Summary My Story I have heard people say that if you want to live, then you shouldn't walk into the light. Some have said that if you want a better life, step into the light. There is where you will shine. Then there is that old saying, “There is a light at the end of every tunnel.” As for me personally, I say that searching for lights always leads to darkness. It always leads you back to the truth and the reality of it all. My whole life

has been filled with lights that have led me down a path of both good and evil. Some were put out by others, some I turned off. I tried to stay in the excitement of the night lights in search of a way to ease the pain of all the things I have seen and done. I've tried to forget about the lights I saw at a young age for the very first time. I saw the taillights of my mother's car as she drove off in search of her own light. That was the beginning of a new me. No one can know about the secrets that we keep buried deep down inside us, deep down where the light still flickers. I would like to share a story with you about heartache, mistrust, greed, and pain. A story about my search for happiness and how I had to walk through the flames. I was still in darkness even when I tried to walk in the light. Let me introduce myself. Hi, my name is Antonio Brown, a.k.a. 45, but you can just call me Tony.
