*The House on Mango Street* Sandra Cisneros,2013-04-30 NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review *The House on Mango Street* is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros’s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’s *Main Street* or Toni Morrison’s *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one’s story and of being proud of where you’re from.

*President Taft is Stuck in the Bath* Mac Barnett,2014 Inspired by a true anecdote, this larger-than-life tale of a presidential mishap is brimming with humor and over-the-top illustrations. And President William Howard Taft, a man of great stature -- well, he got stuck in a bathtub. Now how did he get unstuck? Author Mac Barnett and illustrator Chris Van Dusen bring their full comedic weight to this legendary story, imagining a parade of clueless cabinet members advising the exasperated president, leading up to a hugely satisfying, hilarious finale.

**I Will Take You to Broceliande** Elizabeth Muhlhaus,2019-03-27 It is a mystery story and a detective story about mankind’s primordial quest for peace on earth, which first requires that we understand how peace gets destroyed. And like the thrillers on TV that reveal clues slowly, you will see a crescendo of mysteries that I knew were clues, if I could just figure them out! Those tough experiences were simply what I had to go through to develop the sensitivity to subliminal signals in nature that I never would have been able to pick up if my life had only been happy and easy. Yet the story is peppered with

exhilarating moments of transcendence, love, and naivete. Wonderful experiences dotted this life like pecans in cinnamon rolls.

White is a gifted storyteller. —Washington Post From the streets of Baltimore to the halls of the New Mexico Philharmonic, a musician shares his remarkable story in *I'm Possible*, an inspiring memoir of perseverance and possibility. Young Richard Antoine White and his mother don't have a key to a room or a house. Sometimes they have shelter, but they never have a place to call home. Still, they have each other, and Richard believes he can look after his mother, even as she struggles with alcoholism and sometimes disappears, sending Richard into loops of visiting familiar spots until he finds her again. And he always does—until one night, when he almost dies searching for her in the snow and is taken in by his adoptive grandparents. Living with his grandparents is an adjustment with rules and routines, but when Richard joins band for something to do, he unexpectedly discovers a talent and a sense of purpose. Taking up the tuba feels like something he can do that belongs to him, and playing music is like a light going on in the dark. Soon Richard gains acceptance to the prestigious Baltimore School for the Arts, and he continues thriving in his musical studies at the Peabody Conservatory and beyond, even as he navigates racial and socioeconomic disparities as one of few Black students in his programs. With fierce determination, Richard pushes forward on his remarkable path, eventually securing a coveted spot in a symphony orchestra and becoming the first African American to earn a doctorate in music for tuba performance. A professor, mentor, and motivational speaker, Richard now shares his extraordinary story—of dreaming big, impossible dreams and making them come true.

**Little White People** P. J. Smith,2021-04-26 Imagine with me. If you will, you are a child in an abusive family situation. Late one night, you are called down from your bed and beat terribly. The beating was not the first time and, more than likely, not the last. The abuser sends you back to your bed with a broken and bruised body and spirit. Looking forward to what life holds for you, you see a grim future and nothing good happening. You have finally climbed those fifteen steps, reached your bed, lay down, and suffered. Then out of the attic walk these creatures. You are not sure what or who they are, but they are the same shape as you. They are all white, have hands, feet, eyes, mouth, and nose. They are no taller than you. What would you call them? Me, I call them my Little White People. Now, this is not the first time they have come out to visit. And like any child, when they walk toward the bed, you cover up your head. But this time you are not afraid. When they come over, you have decided to touch and walk with them. Somehow, they take your pain away just because you decided to join them. Imagine now being gently pushed toward the attic door. Somehow one of the Little White People transforms the door, which leads to...? You are not sure, but you are willing to take a step, hoping for something better. Imagine what might be if only a little boy reached out to touch a finger.
