John Derian Picture Book John Derian, 2016-10-04 New York Times Bestseller Named one of the Best Gift Books of the Year by Entertainment Weekly, InStyle, House Beautiful, T: The New York Times Style Magazine, Better Homes & Gardens, Luxe Interiors + Design, People StyleWatch, Garden & Gun, The Los Angeles Times, The Chicago Tribune, New York Magazine, and more John Derian's home goods empire reaches far and wide—in addition to the four John Derian stores he owns in New York and Massachusetts, his products are sold by more than 600 retailers worldwide, including Neiman Marcus, ABC, and Gump's in the United States; Conran and Liberty in the UK; and Astier de Villatte in Paris. It all started with his now-iconic collectible plates decoupage with 19th-century artwork sourced from old and rare books, a process that credited him with elevating the decoupage technique into fine art. Over the past 25 years, the brand has expanded greatly to include home and general design gifts and products. Now, for the first time ever, comes the book John Derian fans have been waiting for. Culled from the thousands of images that have appeared in his biannual collections, here is an astoundingly

beautiful assortment of nearly 300 full-bleed images in their original form. From intensely colored flowers and birds to curious portraits, hand-drawn letters, and breathtaking landscapes, the best of John Derian is here. The result is an oversized object of desire, a work of art in and of itself, that brilliantly walks the line between commerce and art, and that is destined to become the gift book of the season.

The Subtle Art of Not Giving a Fk** Mark Manson, 2016-09-13 #1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be positive all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. F**k positivity, Mark Manson says. Let's be honest, shit is f**ked and we have to live with it. In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault. Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

Yet the picture frame is the Cinderella of the art world, beautiful, hardworking, and frequently overlooked. The Secret Lives of Frames, inspired by the hundred-year history of Lowy, the premier fine arts services atelier in the country, celebrates the extraordinary art and artistry of the frame. In chapters such as The Making of a Framer and a Frame, The Lure of Antique Frames, and New Designs for the New Millennium, magnificent edges of all kinds come to life in vivid detail. The Scandinavian Home Niki Brantmark,2017-04-18 Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major

influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog My Scandinavian Home, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, Urban Living, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the Country Homes tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular Rural Retreats include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.

Picture Perfect Steve Starr, 1991 In detailed photographs, Chicago-based collector Starr displays over 100 of the picture frames in his collection, and discusses them as mass-produced objects d'art. Golden Light: The Interior Design of Nickey Kehoe Todd Nickey, Amy Kehoe, 2020-10-13 A masterful combination of traditional inspiration with contemporary elegance. The sensibility of interior design firm Nickey Kehoe ranges from minimal to maximal, quiet to baroque, but always seeks to express the ephemeral feeling of a space. Designers Todd Nickey and Amy Kehoe are fascinated by how a room can come together to express its own persona, as though the design just happened. Describing themselves as object-obsessed observers, Nickey and Kehoe pay keen attention to their clients' passions, preferences, and beloved pieces, juxtaposing elements and styles in deceptively simple ways. The result is interior design that appears as if it were a personal collection randomly put together, when in fact it is the product of their very mindful curating. Nickey Kehoe's studied but unfussy design is elegant but never staid, proud but humble, full of detail but resplendent with negative space. And then they add a bit of the unexpected--a combination of layered patterns and palettes, different time periods, humorous gestures, clever lighting--any element that keeps their impeccable sense of balance from becoming predictable or formulaic. This collection of residential interiors is for the curious, for lovers of studied but unfussy design, and for those who appreciate being surrounded by beautiful things with a story to tell.

A Tale of Interiors Louisa Pierce, Emily Ward, Catherine Pierce, 2020-09-22 The whimsical, layered, incredibly chic, and livable interiors and the fresh and original insights of the coolest design duo fill every page of this treasure chest of a debut interiors book. Every Pierce & Ward home tells a story. Emily and Louisa believe that there is a beauty in the unfolding of a room that takes the eye dancing from one piece to the next, swirling over velvets of peach and gold, gliding over glass and

marble, and stopping to take in the homeowner's precious sentimental favorites. As the designers for such Hollywood powerhouses, supermodels, and rock stars as Brie Larson, Leonardo DiCaprio, Dakota Johnson, Kate Hudson, and Karen Elson, Pierce & Ward artfully blend classic elements and fanciful touches, creating an irresistible kaleidoscope of patterns, textures, art, and objects. Stately striped wallpaper mixes with French florals. Brass-lion bookends sit beside trays inlaid with glinting mother-of-pearl. Milk-glass globes hang down hallways like glowing moons to guide one's path. Humble finds from eBay and lovingly worn textiles mix with museum-quality art and family photos. This book will teach readers about organized abundance and un-gaudy decadence, with a dash of restraint for good measure: it's an evocative and inspiring ode to the art of more.
