The Troublesome Creek Collection: Troublesome Creek / Willow Springs / Torrent Falls Jan Watson, 2017-05-09

This Collection bundles all three of Jan Watson's Troublesome Creek novels into one e-book for a great value! #1

Troublesome Creek: A charming historical novel set in the late 1800s. Born and raised in the hills of Kentucky, Laura "Copper" Grace loves the wilderness of her home in Troublesome Creek. But when her stepmother threatens to send her away to boarding school to become a lady, Copper faces the possibility of losing everything that is precious to her. Copper must come to terms with her family and discover the true meaning of home. Nothing can drag her off the mountain, until the day she realizes that God has other plans for her life. #2 **Willow Springs:** The year is 1883 and following a whirlwind courtship, seventeen-year-old Copper Brown finds herself living in the bustling city of Lexington, KY, far away from her beloved mountain home, newly married to a man she barely knows. Having been raised to put her trust in God, Copper sets out to find a purpose for this new life that she'd never imagined. #3 **Torrent Falls:** The year is 1888; Copper is a young widow with a baby trying to make a go of the ramshackle farm she received from her father in Troublesome Creek. Copper's life seems as dilapidated as the farm as she struggles to come to terms with her shattered world. Desperate to rekindle the easy faith she had as a child, she searches for peace and God's direction in the serenity of the Kentucky mountains. Further complicating her life is a budding romance with John Pelfrey, Copper's long ago sweetheart. Once sure she could never love again, Copper gives her heart to John only to face betrayal. A skilled midwife, Copper is challenged in many ways as she ministers to the women of eastern Kentucky. Always a believer, Copper still has much to learn as she grows in wisdom and in faith.

The Wild Journal is a beautifully illustrated guide from leading florist and nature writer Willow Crossley. Guiding you through creative practical projects and therapeutic seasonal reflections, The Wild Journal celebrates the potential of nature to mend, heal and transform our mood. The simple, back-to-basics habits and small seasonal changes in the book can help everyone to counteract the unpredictability and chaos of everyday life. Willow shares her creative techniques for bringing nature into your daily routine - whether it's planting and potting, identifying wild flowers, trying your hand at beautifully simple flower arrangements or making your own essential

oils and candles. There is space to record reflections and your favourite seasonal activities, as well as ideas for star-gazing, bird-watching, and so much more. Willow Crossley's creative approach is informed by an artistic eye and a life spent immersed in nature. From growing up in Wales where days were spent exploring outdoors and flowers adorned every surface, to living in France surrounded by fields of sunflowers, iris and fragrant lavender, nature has always been an intrinsic part of her everyday life.

Flourish Willow Crossley, 2018-11-26 Inspired by wild and wayward floral styles, Willow Crossley creates natural and original arrangements, from cabbage rose to cow-parsley, the book will range from glorious garlands and pretty posies to stunning centrepieces for a banquet or soiree. Flourish demonstrates how easy it is to transform a handful of fresh cuttings into arrangements to decorate your home throughout the year. Arranged by season, Spring covers foxgloves, cowslips and snake head fritillaries, while Summer offers bouquets of roses to rosemary and Autumn includes arrangements of crab apples, chocolate cosmos and clematis flowers. For Winter, Willow draws from ivy, moss and snowberries, whilst also demonstrating how to make an Old Man's Beard- a giant wreath of beautiful white and snow-coloured flowers. This is an original and stylish guide to decorating your home with interesting seasonal blooms and foliage; be it a relaxed lunch table or an elaborate dinner soiree, there is something for every taste and occasion.

Handle with Care Jodi Picoult, 2022-02-22 Every expectant parent insists the same thing: they simply want a healthy baby. Charlotte and Sean O'Keefe wanted the same but instead, their lives are made up of sleepless nights, mounting bills, pity from other parents, and haunting what-ifs. Yet, in other ways, their daughter Willow is a perfect child. Smart as a whip, beautiful, brave, and kind, Willow is Willow, in sickness and in health. Everything changes, though, after a series of events forces Charlotte and Sean to confront the most serious what-ifs of all. What if Charlotte had known earlier of Willow's illness? What if things could have been different? What if their beloved Willow had never been born? To do Willow justice, Charlotte must ask herself these questions and one more: what constitutes a valuable life?--from amazon.com

What Hope Remembers (Misty Willow Book #3) Johnnie Alexander, 2017-05-02 When Amy Somers loses her job as a lobbyist, she moves to Misty Willow, well aware that she's crossing bridges she'd burned years before. With all the mistakes she's made and the uncaring things she's done—even to her own family—she can hardly believe that happiness will find her, especially when Gabe Kendall, her first crush and her first kiss, rides back into her life atop a buckskin mare. A former Marine, Gabe is at loose ends after serving a prison sentence for being in the wrong place at the wrong time. He sees beyond Amy's hard exterior to the girl he once knew and loved, and he longs to see her open her heart. Yet with his vision clouded by shame for his past and fears about the future, he finds it difficult to see the path ahead. But the memory of that long-ago kiss just may have the power to reignite a romance that brings out the best in both of them.

Still, she'd never dreamed of seeing the charming cowboy again. But when he showed up at her store with amnesia, she decided—right or wrong—to keep their baby a secret and to see if no-strings-attached love could blossom between them. After his early retirement from rodeo, Tyler was suddenly drawn to the town of Black Arrow—and hoped his mysterious feelings had to do with the woman who haunted his now-clouded dreams. For he was intent on finding the woman who stirred his deepest desires...and his memory.
