BabyCakes Erin McKenna,2010-10-27 Forget everything you've heard about health-conscious baking. Simply, BabyCakes is your key to an enlightened, indulgent, sweets-filled future. This is important news not only for parents whose children have allergies, for vegans, and for others who struggle with food sensitivities, but also for all you sugar-loving traditionalists. The recipes in these pages prove that there is a healthy alternative to recklessly made desserts, one that doesn't sacrifice taste or texture. Having experimented endlessly with alternative, health-conscious sweeteners, flours, and thickeners, Erin McKenna, the proprietress of beloved bakery BabyCakes NYC, developed these recipes-most are gluten-free, all are without refined sugar-in hopes of combating her own wheat, dairy, and sugar sensitivities. In BabyCakes, she shares detailed information about the ingredients she uses (coconut flour, xanthan gum, and agave nectar, for example) and how to substitute them properly for common ones-all the while guiding you safely through techniques she's spent years perfecting. When BabyCakes NYC opened on Manhattan's Lower East Side in 2005, it helped propel the gluten-free and vegan baking movement into a new stratosphere. Suddenly there was a destination for those with wheat allergies and other dietary restrictions-and, soon enough, celebrities and dessert lovers of every kind-to indulge freely in delectable muffins and teacakes, brownies and cookies, pies and cobblers. Enclosed within these pages are all the "secrets" you'll need to bring the greatness of BabyCakes NYC into your own home as well as raves and recommendations from devotees such as Natalie Portman, Jason Schwartzman, Mary-Louise Parker, Zooey Deschanel, and Pamela Anderson. For confectionists of all kinds, delicious alternatives lie within: Red Velvet Cupcakes, Chocolate Shortbread Scones with Caramelized Bananas, Strawberry Shortcake, and BabyCakes NYC's celebrated frosting (so delicious it has fans tipping back frosting shots!), to name just a few. Finally, Erin's blissful desserts are yours for the baking!

She Explores Gale Straub,2019-03-26 For every woman who has ever been called outdoorsy comes a collection of stories that inspires unforgettable adventure. Beautiful, empowering, and exhilarating, She Explores is a spirited celebration of female bravery and courage, and an inspirational companion for any woman who wants to travel the world on her own terms. Combining breathtaking travel photography with compelling personal narratives, She Explores shares the stories of 40 diverse women on unforgettable journeys in nature: women who live out of vans, trucks, and vintage trailers, hiking the wild, cooking meals over campfires, and sleeping under the stars. Women biking through the countryside, embarking on an

unknown road trip, or backpacking through the outdoors with their young children in tow. Complementing the narratives are practical tips and advice for women planning their own trips, including: • Preparing for a solo hike • Must-haves for a road-trip kitchen • Planning ahead for unknown territory • Telling your own story A visually stunning and emotionally satisfying collection for any woman craving new landscapes and adventure.

Mother Earth Needs Our Help! Esther Sampedro,2010-09 For us the best thing about this book -apart from the fact that it looks so beautiful-is that every illustration, shows the powerful bond between words and images-a bond that is often dramatic, sometimes affectionate, always passionate. Beautiful illustrations and simple words together convey a message of hope-this book says we can work with our planet, not against it. Mother Earth Needs Our Help! was born out of our desire for children to know the truth about the Earth's condition and about the many simple and 'down to earth' actions, we all can take in helping our Mother heal. In order to preserve our environment we must persevere with our actions, no matter how small they might seem to be at times, doing something is better than doing nothing at all! Think of a drop of water, making its way down and into a creek in order to slowly reach the river, like millions of other drops, searching for one destination, the powerful ocean. Like a drop of water committed to being part of this powerful ocean, you too can join us in our efforts to nurture her back to health. This book is for you. Because you matter.

Mushrooms John Wright,2018-02-22 In the first of the River Cottage Handbook series, mycologist John Wright uncovers the secret habits and habitats of Britain's thriving mushrooms - and the team at River Cottage explain how to cook them to perfection. In the first of the River Cottage Handbook series, mycologist John Wright explains the ins and outs of collecting, including relevant UK laws, conservation notes, practical tips and identification techniques. He takes us through the 72 species we are most likely to come across during forays in Britain's forests and clearings: old friends the Chanterelle and Cep, as well as a whole colourful host of more unfamiliar names - edible species including the Velvet Shank, the Horn of Plenty, the Amethyst Deceiver, the Giant Puffball and the Chicken in the Woods, and poisonous types such as the Sickener, the Death Cap and the Destroying Angel. The handbook is completed by more than 30 simple and delicious mushroom recipes from the River Cottage team. With colour photographs throughout, line drawings, a user-friendly Key and an introduction by Hugh Fearnley-Whittingstall, the River Cottage Mushroom Handbook is a comprehensive and collectable guide, destined to be an indispensable household reference.

Innocent Spouse Carol Ross Joynt,2012-11-20 What would you do if, just weeks after your spouse's sudden death, you found out he was keeping secrets? Carol Ross Joynt was a successful TV producer and award-winning journalist in Washington, D.C. Her husband, Howard, owned a legendary restaurant in Georgetown. They had a young son, a happy marriage - a seeming fairy-tale life. But Howard's sudden death changed everything. Carol was shocked to discover that her husband had secrets - financial secrets - including a \$3 million debt to the IRS that still had to be settled. Carol was

responsible for repaying the debt, unless she could prove she knew nothing about Howard's fraudulent dealings and convince the government she was an innocent spouse. With no time to grieve, Carol was forced to immediately learn to manage her family's legal and financial responsibilities, run Howard's restaurant, hold her own career together, and raise their son as a solo parent. As she picked up the pieces and coped with her sadness and anger, she learned to become self-sufficient. Poignant, eye-opening, and at its core uplifting, *Innocent Spouse* is ultimately an inspiring story of strength and newfound independence in the face of loss and betrayal.

Hike the Parks: Joshua Tree National Park Scott Turner, 2019-09-12 Experienced hiker and guidebook author and Southern California native Scott Turner has been exploring Joshua Tree National Park for years, fostering a deep knowledge of its geography and natural and human history. Here he provides distinct guidance for choosing the perfect hike to experience the unique landscape of the Mojave and Sonoran Deserts. Attractive, all-color guidebook packed with info to help readers choose activities that meet their interests: Day hikes from 1 to 10 miles, with elevation from 250 to 1500 feet Distances and elevations measured in both US Standard and metric Information on park campgrounds and lodges Park basics: visitor centers, must-see sights and activities, permits and fees, fun facts, gateway towns, and more Overview of flora and fauna and the effects of climate change in the park

The Artist as Culture Producer Sharon Loudon, 2017 When 'Living and Sustaining a Creative Life' was published in 2013, it became an immediate sensation. Edited by Sharon Loudon, the book brought together forty essays by working artists, each sharing their own story of how to sustain a creative practice that contributes to the ongoing dialogue in contemporary art. The book struck a nerve how do artists really make it in the world today? Loudon took the book on a sixty-two-stop book tour, selling thousands of copies, and building a movement along the way. Now, Loudon returns with a sequel: forty more essays from artists who have successfully expanded their practice beyond the studio and become change agents in their communities. There is a misconception that artists are invisible and hidden, but the essays here demonstrate the truth artists make a measurable and innovative economic impact in the non-profit sector, in education, and in corporate environments. *The Artist as Culture Producer* illustrates how today's contemporary artists add to creative economies through out-of-the-box thinking while also generously contributing to the well-being of others. By turns humorous, heartbreaking, and instructive, the testimonies of these forty diverse working artists will inspire and encourage every reader from the art student to the established artist.

Rome the Second Time Dianne Bennett, William Graebner, 2009 Designed for the tourist seeking a fresh, authentic, Roman experience, this intimate, stimulating guide explores Rome's splendid modern architecture, its bustling close-in neighborhoods, and its rivers, magnificent fountains, and aqueducts. Itineraries take the reader to Fascist and occupied Rome of World War II, the nearby Alban Hills, and the Eternal City's lesser-known green spaces. Innovative chapters feature

cultural and artistic Rome, including art galleries, jazz clubs, film locations, and rooftop bars--even places that offer a sumptuous (and free) vernissage of wine and hors d'oeuvres. With Bill and Dianne as guides--their voices part of the experience--the curious traveler will discover a housing project built under Mussolini; ascend a little-known holy Roman road on the city's outskirts; spend an evening in the out-of-the-way, artsy neighborhood of Pigneto; enjoy a trattoria where only Italians eat; and, among the book's many informative, creative sidebars, find in one the troubling story of Rome's Jewish community, and in another locate sites in *Angels & Demons*. 16 maps, 70 photos, an index, and detailed directions and instructions (including websites) make this new Rome easily accessible. For the frugally-minded, at times adventurous (at times armchair) traveler. Foreword by Rome Mayor Walter Veltroni.

Between the Mountain and the Sky Maggie Doyne, 2022-03-22 *Between the Mountain and the Sky* shows us the goodness that is possible when a single person--regardless of age--takes action to help another and, in the process, changes the lives of hundreds. Maggie's story begins in suburban New Jersey, in a comfortable middle-class family that supports her decision to travel the world during a gap year before starting college. During her travels, the trajectory of her life alters when she has a surprise encounter with a Nepali girl breaking rocks in a quarry. Maggie decides to invest her life savings of five thousand dollars to buy a piece of land and open a children's home in Nepal. That home becomes Kopila Valley Children's Home, and eventually, the nonprofit Maggie launches, the BlinkNow Foundation, also starts the Kopila Valley School, which provides tuition-free education for more than four hundred students. Maggie and BlinkNow's work have been recognized around the world for their innovative, sustainable work. However, this book isn't a how-to for fledging philanthropists or nonprofit founders--it's a coming-of-age story about a young woman suspended between two worlds, as well as the love, loss, healing, and hope she experiences along the way. And Maggie's inspiring, intimate tale shows readers an important truth: the power to change the world exists within all of us.

Tolkien David Day, 1992 The first encyclopedic illustrated guide to the world of Middle Earth and the Undying Lands, this book brings together every important aspect of Tolkien's vast cosmology. More than five hundred alphabetical entries cover five major subject areas: history, geography, sociology, natural history and biography. The maps, genealogies and time-charts, together with the illustrations of characters, places and events, reveal to the reader the full dramatic sweep and splendor of Tolkien's world.

Bad Tourist Suzanne Roberts, 2020-10 2021 Independent Publisher Book Awards, Gold Medal Winner 2021 National Indie Excellent Awards Finalist 2020 Bronze Award for Travel Book or Guide from the North American Travel Journalists Association 2020 Bronze Winner for Travel in the Foreword INDIES Both a memoir in travel essays and an anti-guidebook, *Bad Tourist* takes us across four continents to fifteen countries, showing us what not to do when traveling. A woman learning to claim her own desires and adventures, Suzanne Roberts encounters lightning and landslides, sharks and piranha-infested

waters, a nightclub drugging, burning bodies, and brief affairs as she searches for the love of her life and finally herself. Throughout her travels Roberts tries hard not to be a bad tourist, but owing to her cultural blind spots, things don't always go as planned. Fearlessly confessional, shamelessly funny, and wholly unapologetic, Roberts offers a refreshingly honest account of the joys and absurdities of confronting new landscapes and cultures, as well as new versions of herself. Raw, bawdy, and self-effacing, *Bad Tourist* is a journey packed with delights and surprises—both of the greater world and of the mysterious workings of the heart.

Asia's Legendary Hotels William Warren, 2012-06-04 Featuring over 370 artful photographs and insightful commentary, this book is an exploration of the most magnificent and opulent hotels across the Asia-Pacific region. Asia, and its many splendid countries such as Malaysia, Thailand, Cambodia and Sri Lanka, prides itself on being a destination. It has a rich history, and a part of that history is the magnificent travel accommodations that sprang up to cater to the western traveler. Presented with more spectacular photos and rare archival images, *Asia's Legendary Hotels* features some of Asia's most significant luxury hotels, locals renowned for their monumental history and superb levels of service and luxury. No literary hotel nor colonial hotel is left out of the mix, from the Raffles Hotel in Singapore to the Ananda in the Himalayas. This book captures the romance of travel from days gone by, when the journey itself was as much of an adventure as the destination. Featured Asian hotels include: The Peninsula Hotel, Hong Kong The Taj Maal Palace and Tower, India Dwarika's Hotel, Nepal Grand Hotel, Sri Lanka The Strand, Myanmar The Oriental, Bangkok, Thailand Raffles Hotel Le Royal, Cambodia Hotel Majestic, Vietnam Eastern and Oriental Hotel, Malaysia The Fullerton Hotel, Singapore And many more...

Music and Belonging Between Revolution and Restoration Naomi Waltham-Smith, 2017 How is music implicated in the politics of belonging? Provocatively fusing recent European philosophy with music theory, *Music and Belonging* explores the instrumental music of Haydn, Mozart, and Beethoven, reveals connections between listening and constructions of community, and testifies to Classical music's enduring political significance in an age of neoliberal exclusion.

Listening to War J. Martin Daughtry, 2015 A landmark work within the study of conflict, sound studies, and ethnomusicology, *Listening to War* offers a broad theorization of sound, violence, music, listening and place, while also providing a discrete window into the lives of individual Iraqis and Americans struggling to orient themselves within the fog of war.

The Beauty of Everyday Things Soetsu Yanagi, 2019-01-31 The daily lives of ordinary people are replete with objects, common things used in commonplace settings. These objects are our constant companions in life. As such, writes Soetsu Yanagi, they should be made with care and built to last, treated with respect and even affection. They should be natural and simple, sturdy and safe - the aesthetic result of wholeheartedly fulfilling utilitarian needs. They should, in short, be things of beauty. In an age of feeble and ugly machine-made things, these essays call for us to deepen and transform our relationship

with the objects that surround us. Inspired by the work of the simple, humble craftsmen Yanagi encountered during his lifelong travels through Japan and Korea, they are an earnest defence of modest, honest, handcrafted things - from traditional teacups to jars to cloth and paper. Objects like these exemplify the enduring appeal of simplicity and function: the beauty of everyday things.

On Being Human Jennifer Pastiloff,2019-06-04 An inspirational memoir about how Jennifer Pastiloff's years of waitressing taught her to seek out unexpected beauty, how hearing loss taught her to listen fiercely, how being vulnerable allowed her to find love, and how imperfections can lead to a life full of wild happiness. Centered around the touchstone stories Jen tells in her popular workshops, *On Being Human* is the story of how a starved person grew into the exuberant woman she was meant to be all along by battling the demons within and winning. Jen did not intend to become a yoga teacher, but when she was given the opportunity to host her own retreats, she left her thirteen-year waitressing job and said "yes," despite crippling fears of her inexperience and her own potential. After years of feeling depressed, anxious, and hopeless, in a life that seemed to have no escape, she healed her own heart by caring for others. She has learned to fiercely listen despite being nearly deaf, to banish shame attached to a body mass index, and to rebuild a family after the debilitating loss of her father when she was eight. Through her journey, Jen conveys the experience most of us are missing in our lives: being heard and being told, "I got you." Exuberant, triumphantly messy, and brave, *On Being Human* is a celebration of happiness and self-realization over darkness and doubt. Her complicated yet imperfectly perfect life path is an inspiration to live outside the box and to reject the all-too-common belief of "I am not enough." Jen will help readers find, accept, and embrace their own vulnerability, bravery, and humanness.

Sultan's Kitchen Ozcan Ozan,2012-07-03 Not to be missed...a gem. This is real Old World cooking...devotees of Mediterranean cuisine would be remiss not to add this book to their collection.--Boston Globe Today's Turkish cuisine is fresh, distinctive, and flavorful--the result of over five centuries of culinary tradition. Recipes range from favorites such as chickpea pilaf to richly stewed lamb on a bed of eggplant. Whether you want to warm up with a tangy Peasant Soup (a hearty chicken soup) or top off a meal with a mouthwatering Pistachio Seomina Cake, *The Sultan's Kitchen* will show you how to produce the exotic tastes and aromas of Turkish food in your own kitchen. It offers over 125 healthy, delicious recipes that are both easy to prepare and based on readily available ingredients. *The Sultan's Kitchen* also shows you how to prepare a complete Turkish dinner, and features stunning images by photographer Carl Tremblay. This Turkish cookbook is sure to inspire you to create meals fit for a Sultan!

Tiny House Decisions Ethan Waldman,2019-11-25 Building a tiny house can be time-consuming, expensive, and overwhelming... but it doesn't have to be. *Tiny House Decisions* is the place to start.You've taken the journey from tiny house dreamer to future tiny house dweller. You know that the tiny house lifestyle is for you.If you could move in tomorrow, you'd

do it in a heartbeat. But as you start to wrap your head around the thousands of choices you'll need to make as you build your house (or work with a builder), you can feel the overwhelm creeping in. You might be struggling with the following questions: Can I actually do this myself? What if I get told I have to move my house? Figuring out which building system to go with: Framing? SIPs? Metal Framing? What kind of tiny house trailer to use? Can I actually do this for the limited amount of money I have saved? You've watched plenty of tiny house tours on YouTube. You've found books on framing your house, doing your own electrical wiring, and even the legality of living in a tiny house.. What you haven't found is the guide that brings it all together and takes you start to finish, through the process of researching, planning, building, and finally living in your tiny house.

I Am a Tyrannosaurus Tatsuya Miyanishi, 2019-07 When an earthquake injures a tyrannosaurus, a young pteranodon helps the large creature, pretending to be a fellow rex in order to avoid being eaten.

Perpetual Peace Immanuel Kant, 2007 Perpetual Peace is an important essay by Immanuel Kant from 1795 which was originally published as Project for a Perpetual Peace. The original concept of perpetual peace is for peace to be a permanent fixture over a certain specific area or location. In modern times, the concept of world peace directly stems from this original idea of a perpetual peace. In this writing of Kant, he argues in favor of civil constitutions with Republican forms of government, world citizenship, free states, the abolishment of standing armies and for states not being able to use force to interfere with the constitutions or governments of another given state. This is an important work for those studying the idea of world peace and those interested in the writings of Immanuel Kant.

The Enigmatic Realm of **Dsc09643**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Dsc09643** a literary masterpiece penned by way of a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those who partake in its reading experience.
