Small Scale Quiltmaking Sally Collins,1996-01-01 If you are serious about quiltmaking and improving your skills, you will find this book most rewarding. Sally teaches how to make creative small scale quilts that excite the eye, challenge the hand, and faithfully reflect the full size vision, in a smaller space. Nine projects are presented in order of their degree of difficulty. You will find creative challenges for both new and experienced quilters. Thinking large and working small helps you to develop a better understanding of the scale and proportion decisions that must be carefully considered for any size project. You will be missing a great deal if you do not explore the joy and satisfaction that come from small scale quiltmaking.
