From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea’s signature approach to decluttering. They're at war with each other, but through their clothes, they reveal and conceal themselves and make peace with what it means to be a teen. Over the course of a school year, their individual struggles and successes come together to tell a story that's funny, honest, and all-girl fabulous.

Pink and Blue Jo Barraclough Paoletti, 2012 Jo B. Paoletti's journey through the history of children's clothing began when she posed the question, When did we start dressing girls in pink and boys in blue? To uncover the answer, she looks at advertising, catalogs, dolls, baby books, mommy blogs and discussion forums, and other popular media to examine the surprising shifts in attitudes toward color as a mark of gender in American children's clothing. She chronicles the decline of the white dress for both boys and girls, the introduction of rompers in the early 20th century, the gendering of pink and blue, the resurgence of unisex fashions, and the origins of today's highly gender-specific baby and toddler clothing.

Rocking the Closet Vincent L Stephens, 2019-10-16 The all-embracing, whaddya got? nature of rebellion in Fifties America included pop music's unlikely challenge to entrenched notions of masculinity. Within that upheaval, four prominent artists dared to behave in ways that let the public assume—but not see—their queerness. That these artists cultivated ambiguous sexual personas often reflected an understandable fear, but also a struggle to fulfill personal and professional expectations. Vincent L. Stephens confronts notions of the closet—both coming out and staying in—by analyzing the careers of Liberace, Johnny Mathis, Johnnie Ray, and Little Richard. Appealing to audiences hungry for novelty and exoticism, the four pop icons used performance and queering techniques that ran the gamut. Liberace's flamboyance shared a spectrum with Mathis's intimate sensitivity while Ray's overwrought displays as Mr. Emotion seemed worlds apart from Little Richard's raise-the-roof joyousness. As Stephens shows, the quartet not only thrived in an era of gray flannel manhood, they pioneered the ways generations of later musicians would consciously adopt sexual mystery as an appealing and proven route to success.

Don't Think Richard Burgin, 2016-05 A dazzling collection of short stories from renowned writer Richard Burgin. Five-time Pushcart Prize winner Richard Burgin's stories have been praised by the *New York Times Book Review* as "eerily funny, dexterous, and too haunting to be easily forgotten," with "characters of such variety that no generalizations about them can

apply.” In *Don't Think*, his ninth collection of short fiction, Burgin offers us his most daring and imaginatively varied work to date. The stories explore universal themes of love, family, and time, examining relationships and memory—both often troubled, fragmented, and pieced back together only when shared between characters. 7v6 In the title story, written in propulsive, musical prose, a divorced father struggles to cling to reality through his searing love for his highly imaginative son, who has been diagnosed with Asperger's syndrome. In “Of Course He Wanted to Be Remembered,” two young women meet to commemorate the death of a former college professor with whom they were both unusually close—though in very different ways. In “V.I.N.,” a charismatic drug dealer tries to gain control of a bizarre cult devoted to rethinking life's meaning in relation to infinite time, while in “The Intruder,” an elderly art dealer befriends a homeless young woman who has been sleeping in his basement. Together, the nine stories in *Don't Think* illuminate the astonishing fact of existence itself while justifying the Philadelphia Inquirer's assessment that Burgin is one of America's most distinctive storytellers.

Girls of Grace Make it Real Point Of Grace,2008-06-20 The Girls of Grace conferences have inspired thousands of young women across the globe. Now, *Make It Real*, based on the 2005-2006 Girls of Grace conference theme, inspires each and every girl to see herself through God's eyes and be the person He wants her to be. Point of Grace is: Shelley, Denise, Leigh, and Heather. Together in this fun, biblically-based book, the girls discuss and apply the issues facing young women today: Words, Worth, Relationships, and Me. If you enjoy their conferences or their music, you're sure to love this book as they encourage all young girls to Make It Real!

Dream Closet Kristen L. Depken,2013-07-23 Barbie wants her date with Ken to be perfect. Will she be able to choose just the right outfit in time to meet him?

A Lesson in Forgiveness Jennifer Connors,2010-02-16 Ginny figured being a 21st century woman, stuck in the past, playing other people's lives would be fun. It turns out, it's just work. Her new persona, Bethany, is a society daughter whose only purpose is to make an excellent marriage, while playing by a long list of rules. When her parents bring her to a house party so she can meet eligible bachelors, Bethany has her hands full. Will she choose the staunch earl, who has no wish to marry yet? Or will it be the future duke who has a reputation with the ladies? Or the kind, country doctor instead? Even Ginny can't figure out who she is supposed to fall in love with. All she knows is that she needs to marry someone if she ever hopes to return to own body, in her own time.

The Last of the Menu Girls Denise Chávez,2007-12-18 Rocío Esquibel is a girl growing up in a Southern New Mexico town with her mother and sister. She defines her neighborhood by its trees—the willow, the apricot and the one they call the marking-off tree. Rocio knows she was born in the closet where she and her sister now take turns looking at the picture of Jesus whose eyes light up in the dark. But at night she enters a magical realm, and in her imaginary Blue Room, she can fly. At first she is a mesmerized observer of the lives of older girls and their boyfriends, but as she finds a job at the local

hospital, and discovers a passion for drama and stories, Rocio begins to make her own choices in love and work. Alive with the taste of tamales and the lyrical tang of the Esquibels' talk, *The Last of the Menu Girls* becomes a rich celebration of Chicano culture, and a universal story of finding one's way in the world.

Monster in the Closet Karen Rose, 2017-08-29 The New York Times bestselling author of *Every Dark Corner* returns to Baltimore, where a father-daughter reunion puts innocent victims in the sights of a stone-cold killer... Baltimore PI Clay Maynard routinely locates missing children for clients, but his own daughter—stolen by his ex-wife—has eluded him for years. Until she turns up right under his nose... Since she was a child, Taylor Dawson believed the lie her mother told her: that her father was a monster. But now she has a chance to get to know the real Clay while doing real work as an equine therapist, which includes helping two girls whose mother was brutally murdered. She might even find something deeper with her boss's handsome son, Ford Elkhart, whose eyes are so haunted. But just as Taylor feels her life opening up to new family, work, and friends, a danger lurks in the darkness—one that will show Taylor the face of true evil...

Shaping Survival Lanniko L. Lee, Florestine Kiyukanpi Renville, Karen Lone Hill, 2006 Four American Indian women, who attended Bureau of Indian Affairs boarding schools, off-reservation public schools, and Indian mission schools, unflinchingly recount the experiences that shaped their views on individual, family, and community survival. Their stories give graphic evidence of the mistreatment of native children in many of these schools during the middle and later years of the twentieth century. The stories of the lives of these women are highly instructive as enlightened documents of reconciliation and human possibilities.
