Learn to trick out a thrift-store mirror, spice up plain old roller shades, hack your Ikea table to create three distinct looks, and so much more.

Interior Design for Small Dwellings Sherrill Baldwin Halbe,Rose Mark,2018-12-07 *Interior Design for Small Dwellings* addresses the onrush of interest in smaller homes and the possibility that small dwellings might be the answer to housing needs and sustainability. The book explores key principles essential to residing and designing small interiors with emphasis on client involvement and implementation of participatory, inclusive design as advocated by the Council for Interior Design Accreditation. Does living in a small space mean living small? The authors believe that by simplifying one's life intelligently and applying certain principles of design, planning and organization, one can actually live a meaningful life in a smaller space. These tenets are based on the authors' professional experiences and living in small homes. To this end, the book provides discussion, images, case studies, interviews, worksheets, activities and suggested explorations. *Interior Design for Small Dwellings* is a teaching guide and provides information and exercises that help professional designers utilize design theory, space planning and programming techniques. Throughout, the text affords sustainability, biophilic design and wellness methodologies.

Kitchen Living Gestalten, Tessa Peason, 2019-01-21 With a pinch of salt and plenty of personality, kitchens have become the pulse of human life at home. What was once a purely utilitarian space has transformed into the room where we share our happiest experiences. We learn, fight, remember, entertain, discover, and embark on adventures through cooking. *Kitchen Living* delves into the space where we now spend most of our time. Whether looking to make small changes or a completely new kitchen redesign, we look at current technology and trends that have allowed these spaces to become more experimental. From kitchen designers to food writers to photographers, we go on a voyage through the kitchen interiors that inspire the people who have made food their life. Draw inspiration and learn life hacks on how subtle touches can create mighty solutions.

In the Mood for Colour Hans Blomquist, 2021-08-10 Bring the transformative power of colour into your life with the help of Hans Blomquist, whose inspiring interiors will enable you to find the right colours for your home.

The Color of Modernism Deborah Ascher Barnstone, 2021-12-30 One of the most enduring and pervasive myths about modernist architecture is that it was white-pure white walls both inside and out. Yet nothing could be further from the truth. *The Color of Modernism* explodes this myth of whiteness by offering a riot of color in modern architectural treatises, polemics, and buildings. Focusing on Germany in the early 20th century, one of modernism's most foundational and influential periods, it examines the different scientific and artistic color theories which were advanced by members of the German avant-garde, from Bruno Taut to Walter Gropius to Hans Scharoun. German color theory went on to have a profound influence on the modern movement, and Germany serves as the key case study for an international phenomenon which encompassed modern architects worldwide from le Corbusier and Alvar Aalto to Berthold Lubetkin and Lina Bo Bardi. Supported by accessible introductions to the development of color theory in philosophy, science and the arts, the book uses the German case to explore the new ways in which color was used in architecture and urban design, turning attention to an important yet overlooked aspect of the period. Much more than a mere correction to the historical record, the book leads the reader on an adventure into the color-filled worlds of psychology, the paranormal, theories of sensory perception, and pleasure, showing how each in turn influenced the modern movement. *The Color of Modernism* will fundamentally change the way the early modernist period is seen and discussed.

Betrayed by Lies Rebecca Shea, 2017-04-24 From the USA Today bestselling author of the Unbreakable series, comes a sexy, heart-wrenching novel...*Betrayed by Lies*. As an ATF agent, bringing down the Estrada cartel has been my sole mission. I'm a skilled agent, determined and fearless, but a relentless pursuit and a willingness to risk everything almost killed me. A year later, when an opportunity in Los Angeles presents itself, I jump at the chance to start over and rebuild the career and life I almost lost. Kate Stevens was not part of my new plan. I never expected she would be the one to save me from my past. She was exactly what I needed—smart, beautiful and independent. I finally have a future I look forward to. Only nothing in my life ever goes according to plan. Losing Kate is not an option, but fate seems poised to ruin me, and there isn't a damn thing I can do about it.

A Boy & His Dream Khanindra Barman, 2020-12-04 In today's competitive world, more than 130,000 companies are launched daily, out of which less than 10% manage to become successful. But the good news is that brand building is an art, which can be acquired by empowering yourself with the right knowledge and this book provides just that. This fictional tale revolves around a wonderful relationship between a rebellious student and his flamboyant mentor and their fun adventure that takes place across various parts of the world. This book will mesmerize readers with priceless lessons on entrepreneurship taken from the author's own experiences across twenty-two successful business ventures over a span of fifteen years. If you want to start your entrepreneurial journey, then this book has all the answers you need.

Bound & Broken Series: The Complete Collection Rebecca Shea, 2019-05-13 The complete Bound and Broken series including *Broken by Lies*, *Bound by Lies*, and *Betrayed by Lies* by USA Today bestselling author Rebecca Shea *Broken by Lies* I had no idea how much I would love Alex the day he walked into my life. He changed everything. The way I breathed. The

way I thought. The way I loved. He brought me back to life. He gave me strength and a safe place to land. And then he broke me. Finding Emilia was a chance to do something good for once in my life. I wanted to change. She believed I was her savior. I ached to be. She found her way into my heart and claimed it as her safe place. I should be telling her the truth about me...instead I break her with lies. Bound by Lies Torn between two men; one was what I needed, the other was what I wanted. One man was safe and the other was dangerous. But both men would lay down their lives to save me. ATF agent Sam Cortez is fighting to bring down the Estrada family empire, which was built on murder and corruption. Alex Estrada did what was needed to keep me safe...and paid with his life. Starting over as I try to rebuild my life, it's clear that the past is never what it seems. What no one knew was that we were all bound by lies. Betrayed by Lies As an ATF agent, bringing down the Estrada cartel has been my sole mission. I'm a skilled agent, determined and fearless, but a relentless pursuit and a willingness to risk everything almost killed me. A year later, when an opportunity in Los Angeles presents itself, I jump at the chance to start over and rebuild the career and life I almost lost. Kate Stevens was not part of my new plan. I never expected she would be the one to save me from my past. She was exactly what I needed--smart, beautiful and independent. I finally have a future I look forward to. Only nothing in my life ever goes according to plan. Losing Kate is not an option, but fate seems poised to ruin me, and there isn't a damn thing I can do about it.

Hollowed Ground Larry D. Lankton,2010 Details a century and a half of copper mining along Upper Michigan's Keweenaw Peninsula, from the arrival of the first incorporated mines in the 1840s until the closing of the last mine in the mid-1990s. In *Hollowed Ground*, author Larry Lankton tells the story of two copper industries on Lake Superior-native copper mining, which produced about 11 billion pounds of the metal from the 1840s until the late 1960s, and copper sulfide mining, which began in the 1950s and produced another 4.4 billion pounds of copper through the 1990s. In addition to documenting companies and their mines, mills, and smelters, *Hollowed Ground* is also a community study. It examines the region's population and ethnic mix, which was a direct result of the mining industry, and the companies' paternalistic involvement in community building. While this book covers the history of the entire Lake Superior mining industry, it particularly focuses on the three biggest, most important, and longest-lived companies: Calumet & Hecla, Copper Range, and Quincy. Lankton shows the extent of the companies' influence over their mining locations, as they constructed the houses and neighborhoods of their company towns, set the course of local schools, saw that churches got land to build on, encouraged the growth of commercial villages on the margin of a mine, and even provided pasturage for workers' milk cows and space for vegetable gardens. Lankton also traces the interconnected fortunes of the mining communities and their companies through times of bustling economic growth and periods of decline and closure. *Hollowed Ground* presents a wealth of images from Upper Michigan's mining towns, reflecting a century and a half of unique community and industrial history. Local historians, industrial historians, and anyone interested in the history of Michigan's Upper Peninsula will appreciate this informative volume.
