**Tropical Interiors** Elizabeth V. Reyes, 2012-07-02 Featuring over 250 photographs and insightful commentary, this topical interior design book will add a uniquely Asian-Pacific element to your home. The Philippines is home to a new generation of craftsmen, including furniture makers, artists, sculptors, and weavers. They specialize in taking the indigenous materials of the country--pina, abaca, capiz shell, bamboo, rattan, to name a few--and producing contemporary items that would be as at home in a New York loft as on a tropical verandah. Harnessing both Asian- and Latin-inspired style and modern techniques, they produce a cornucopia of fine contemporary furniture and authentic furnishing items. In this sourcebook of decorating and shopping ideas, these objects are presented within metropolitan and rural present-day interiors. From furniture and furnishings to table settings and lighting, all the homes, many never photographed before, are accented with artifacts in modern designs. *Tropical Interiors* shows how Philippine style is clearly now a global phenomenon and can be applied to homes worldwide.

*California Homes* William Hefner, The Images Publishing Group, 2013 An insightful monograph highlighting the illustrious design of master architect William Hefner - lavishly illustrated and richly detailed - an intimate tour of some of the world's most opulent houses. This latest addition to IMAGES' Master Architect Series showcases seven exquisite residential projects by master architect William Hefner, whose Los-Angeles-based architectural firm has been designing residential, commercial and retail properties for nearly two decades. Although varied in style, each house featured shares the timeless elegance and attention to detail common to all of Hefner's creations. They are each marked also by Hefner's appreciation of the craft of building and the use of natural materials. Opulent and richly detailed, the interiors nevertheless retain a sense of intimacy, warmth and comfort. Hefner's houses are luxurious, but it is a personal, liveable form of luxury that embraces rather than distances. William Hefner's passion lies in residential architecture; his expertise encompasses a vast array of styles from the highly contemporary to the deeply historic. Through this crossover he has realised that each style has benefitted from knowledge of the other - modern houses are richer in materials, more complex in their details, and thusly more comfortable to its inhabitants; historic projects are less fussy, more tailored, resulting in spaces better suited to the needs and tendencies of contemporary life. William's expertise in architecture and deep appreciation for interior design and landscape often culminates in the three merging seamlessly - environments emerge which embrace outdoor views animated by an ever-shifting play of natural light; the rooms connect organically to the furnishings within them. By combining these three disciplines within his firm, he is able to ensure that each distinct design concept integrates with one another and that the vision of the homeowner is expressed in every aspect of the work. William earned a Bachelor of Arts degree in Art History in 1977 from Lewis & Clark College in Portland, Oregon, which included a year of study in Greece. He went on to receive a Master's of Architecture from UCLA, during the influential Charles Moore's tenure. 400 col.

**Junk Gypsy** Jolie Sikes, Amie Sikes, 2016-10-04 New York Times bestseller In their first book, the Junk Gypsies—sisters and stars of the popular Texas-born brand and HGTV show—combine big dreams, stories of roadside treasures found, and down-home design projects inspired by epic makeovers for friends like Miranda Lambert, Billie Joe Armstrong, and Sadie

Robertson. Amie and Jolie Sikes, the Thelma and Louise of the design world, are the Junk Gypsies: a family with an addiction to flea markets, wanderlust, and Americana inspired design. In their world, cowgirls are heroes, road trips last forever, and junk is treasured. Beginning with a little bit of faith and a whole lot of heart and soul, the sisters travelled the back roads of America like gypsies, collecting roadside trinkets and tattered treasures while meeting kindred spirits and lively characters along the way. With a mix of hippie, rock n' roll, southern charm, and big dreams, these small-town Texas girls became restless wanderers and owners and operators of their dream business and bohemian brand, Junk Gypsy. Filled with stories from their unique journey as well as DIY projects and bohemian inspired designs, Junk Gypsy is a tribute to all the rowdy gypsies, crafty junkers, free-spirited romantics, and true-blue rebels who have ever dared to dream big.
