A Touch of Home Dennis La Boyne,

**The Master's Touch** Renee Oberreich,2010-11-24 It is the story of a farm family settling in Wisconsin in the early 1850. Touch David Willis,2019-11-12 Garland Summers is a musical prodigy. When his coming-of-age journey leads him to receive his first guitar, it is not long before he is entertaining not just his parents, but also those he loves. Garland naturally feels the music, and it feels him. As he matures, a new dawn of music arrives with the sixties. Prompted by his mother, Garland begins taking guitar lessons from a musician who also becomes a father figure to him while his own is away serving his country. As his journey leads him to marriage, fatherhood, and eventually to having the biggest selling record of all time, Garland and his band are nominated for several Grammys, just as everything crashes down around him. But it is not until he is confined to a jail cell that a shocking secret is revealed that will lead Garland in an unexpected direction, both professionally and personally. Touch is the story of a budding musician's journey to success as he develops from a boy into a man determined to overcome all his obstacles while positively impacting the world with his music.

**In Touch** Paul Bowles,1994 Chronicle of the twentieth-century avant-garde.

**Generations in Touch** Leng Leng Thang,2018-05-31 A dilemma long faced by western societies—how to bring the generations together—is also of growing concern in the east. In Japan, where, until recently, the extended family often lived under the same roof, social programs designed to facilitate interaction between old and young have proliferated. Leng Leng Thang offers an in-depth view of one of those programs, an unusual social welfare institution called Kotoen. Kotoen is a pioneering facility for multigenerational living, providing both daycare for preschoolers and a home for elderly residents. With its twin mottoes of fureai (being in touch) and daikazoku (large extended family), it has been the subject of widespread media attention and has served as a model for other institutions. Yet Kotoen has never before been studied seriously. Under

its director's inspiring leadership, Kotoen looks unusually promising, but Thang is wary of simplistic conclusions. Her interviews, research, and work as a volunteer at Kotoen reveal the complaints common among some elderly residents toward their surroundings in old age institutions as well as the painful persistence of the traditional family ideal. Yet far from calling the experiment a failure, Thang challenges accepted wisdom and so-called common sense to reveal the advantages and limitations of the relationships fostered between Kotoen's grandchildren and grandparents. The lessons learned from Kotoen illuminate the urgency of re-engaging the generations in an aging society and provide direction for improving the quality of life for all.

*Touch* Doddie Greer,2017-08-22 Never underestimate the healing power of touch . . . Alex Sutton has issues. She doesn't allow relationships, and she has built her world around the fact that she can't stand any type of physical contact with other people. She has resigned herself to a lonely existence of duty and obedience to her family. Then tragedy strikes, and Alex's meticulously regimented world crumbles around her. Heartbroken and paralyzed by grief, she isn't sure she'll be able to carry on. Until an unexpected friend enters her life, her home, and her heart, and teaches her how to cope. But as Alex learns to deal with her new situation, she begins to wonder if their relationship is really what it seems to be. Is she truly being set free? Or is she simply swapping one cage for another?

The Big House George Howe Colt,2012-08-07 Faced with the sale of the century-old family summer house on Cape Cod where he had spent forty-two summers, George Howe Colt recounts returning for one last stay with his wife and children in this stunning memoir that was a National Book Award Finalist and a New York Times Notable Book of the Year. This poignant tribute to the eleven-bedroom jumble of gables, bays, and dormers that watched over weddings, divorces, deaths, anniversaries, birthdays, breakdowns, and love affairs for five generations interweaves Colt's final visit with memories of a lifetime of summers. Run-down yet romantic, The Big House stands not only as a cherished reminder of summer's ephemeral pleasures but also as a powerful symbol of a vanishing way of life.

**Touching Silver** Jamie Craig,2013-07-15 Everything always comes back to the Silver Maiden. Six girls are missing and cold-case detective Olivia Wright is determined to find them. A lone survivor names gang leader Gabriel de los Rios as the

culprit—and points Olivia to Isaac McGuire, the force's foremost authority on Gabriel. Isaac is stubborn, domineering and believes in strange things like time travel and a mystical coin called the Silver Maiden that Gabriel wants. Yet the longer they work together, the more Olivia is drawn to him. Isaac shares Olivia's desire to bring Gabriel to justice. He usually works alone, but the beautiful detective quickly fills his thoughts more than the case—and reminding himself that she's off limits only makes him want her more. As Isaac and Olivia grow closer, so do their enemies. While they hunt Gabriel, a stalker targets Isaac and the missing half of the Silver Maiden reappears—with frightening effects on Olivia... 90,190 words

**No Touch Monkey!** Ayun Halliday,2015-08-25 Zine queen Ayun Halliday confesses the best-and worst-of her globetrotting misadventures. I laughed hard on nearly every page of this shockingly intimate memoir and deeply funny book. -- Stephen Colbert Ayun Halliday may not make for the most sensible travel companion, but she is certainly one of the zaniest, with a knack for inserting herself (and her unwitting cohorts) into bizarre situations around the globe. Curator of kitsch and unabashed aficionada of pop culture, Halliday offers bemused, self-deprecating narration of events from guerrilla theater in Romania to drug-induced Apocalypse Now reenactments in Vietnam to a perhaps more surreal collagen-implant demonstration at a Paris fashion show emceed by Lauren Bacall. On layover in Amsterdam, Halliday finds unlikely trouble in the red-light district -- eliciting the ire of a tiny, violent madam, and is forced to explain tampons to soldiers in Kashmir -- they're for ladies. Bleeding ladies -- that, she admits, might have looked like white cotton bullets lined up in their box. A self-admittedly bumbling vacationer, Halliday shares -- with razor-sharp wit and to hilarious effect -- the travel stories most are too self-conscious to tell. Includes line drawings, generously provided by the author.

The Hopkins Touch David L. Roll,2015 The best biography of a crucial figure at pivotal moment in American history since Robert E. Sherwood's Pulitzer Prize-winning 1948 classic, Roosevelt and Hopkins. --Steven Casey, author of Cautious Crusade: Franklin D. Roosevelt, American Public Opinion and the War against Nazi Germany, 1941-1945
