Homespun Devotions Cheryl E Smith, 2021-08-04 Christian living is like a quilt-multi-colored scraps of wisdom gleaned and assembled one stitch at a time. We learn as we go, as the common thread of the Gospel of Jesus Christ is woven throughout the everyday moments, events, and situations we encounter. Only He can tie the pieces together and create something of beauty that will serve to warm the hearts of others and surround them with His grace. *Homespun Devotions: Volume One* begins a series of books that record the piecing together of many of the stories of my life and the rich spiritual truths God has imparted along the way. As you read these homespun narratives of family, love, marriage, motherhood, friendship, and the music that is such a part of my heritage, you will discover glimpses into moments of the soul-searching and intense struggles I have experienced while journeying to a place of complete surrender to the One who bled and died for

me. I point you to no denomination, religious group, or sect-only to the foot of the cross of Jesus Christ, where redemption, restoration, healing, and peace still freely and lavishly flow. He loves you with a never-ending, unconditional love-I pray you embrace this truth afresh and with a deeper persuasion as you read.

The Circle of Kindness Jana Kolpen,Mary Tiegreen,2006-10-01 The team that made international best-sellers of *The Secrets of Pistoulet* and *Dancing with the Moon* returns with a powerful new tale of transformation and the healing power of love, this one set in Ireland, that most magical and warm-hearted of countries. In the enchanted Irish countryside of ancient forests, singing bridges, and babbling brooks stands a thatch-roofed pink cottage overlooking the sea. In all of Ireland there's no place finer to have a cup of tea. On the door of that cottage is a timeless symbol that recalls travelers home no matter how far they've roamed. And in the heart of that cottage is a compassion and generosity whose warmth and wonder turn the world. Thus begins *Circle of Kindness*, a finely wrought fable about Mademoiselle J. and an act of kindness that touches the lives of several people, finding expression in a gift of nurturing and food. Like its predecessors, this book is beautifully written and exquisitely illustrated and features booklet inserts, pocket cards, and envelopes with uplifting sentiments. The book's beautiful Irish message has already inspired a matching line of china from Pfaltzgraff, which will be available this fall.

but some of the signature ingredients of an Amanda Lindroth interior. The Florida-born designer decamped to Nassau some 20 years ago after stints in New York and London. Since she founded her firm in 2010, she has become the go-to designer of island dwellers from Lyford Cay to Antigua, Abaco to Belize, Harbour Island to Palm Beach, and Southampton to Great Cranberry Island in Maine. Her airy, relaxed, indoor-outdoor aesthetic--a hybrid that merges colonial and island influences--is apparent in every one of the 30 projects featured in *Island Hopping*. With photographs by the masterly Tria Giovan, herself an island native, and charming illustrations by the gifted Aldous Bertram, the book is the visual equivalent of an island getaway.
