A Sense of Place Mark A. Hutker,2015-05-26 Thirteen exquisite houses create a portrait of life in one of America's most exclusive coastal destinations, along the beaches of Martha's Vineyard and Cape Cod. Hutker Architects, led by founding principal Mark A. Hutker, has designed more than three hundred houses along the New England shore. A member of the close community on Martha's Vineyard since his arrival in 1985, Hutker has become an expert at interpreting the ideal

lifestyles of his clients within the respected traditions and restrictive codes of the beautiful but fragile environment. In their design and construction, these houses honor the vernacular traditions of craft and indigenous materials, are deeply respectful of the cherished landscape, and demonstrate a lively range of solutions to building on the bluffs and dunes that line the shores of the Vineyard and Cape Cod. A working organic farm fulfills a family's dream of simpler values; a luxurious renovation saves the best of an antique shingle cottage while transforming it for contemporary family life and a raised structure clad in naturally weathered boards combines the legacy of midcentury regional modern architecture with Cape Cod's maritime tradition. The firm is committed to the principle "Build once, well," looking to the historic architecture of the region and the inherited experience of its carpenters and craftspeople as inspiration for contemporary design. The result is an architecture that is at once adaptable and livable, yet enduring, efficient, inevitable, and appropriate. The houses sit lightly on the land, deferring to their surroundings, often built as a series of modest pavilions linked by passages or grouped to enclose an outdoor space. Creative design solutions—a light-filled gallery running the full length of a house, a continuous wall of sliding glass doors—make houses both open to views, but protective in a storm. Specially commissioned photography captures the craftsmanship and the settings of the houses, from dramatic bluffs overlooking the sea to secluded coves and rolling meadows filled with wildflowers, creating a unique portrait of Cape Cod and Martha's Vineyard.

Beautiful Mark D. Sikes, 2016-09-20 This New York Times bestselling book from interior designer Mark D. Sikes is a celebration of American style today, showcasing chic and accessible ideas for every home. Modern and unfussy, Mark D. Sikes's interiors are classic takes on California indoor/outdoor living, with natural fibers and crisp coloration, informed and influenced by the fashion world where he began his career. In eight chapters, he explores approachable, stylish looks, from Blue and White Forever, which features indigos, stripes, batiks, and wicker in casual rooms such as porches and pool houses; to Timeless Neutrals, presenting semiformal rooms filled with chinoiserie, gilt, glass, mirrors, banquettes, and French chairs; to Garden Greens, featuring happy, casual family rooms and kitchens inspired by the garden with treillage woodwork, rattan, and cotton. There are also Beautiful Brights, colorful rooms that are eclectic, layered, and fun, with chintz, florals, and Middle Eastern influences; and Sun Faded Hues, rustic coastal rooms with weathered fabrics and furniture. Each chapter presents light-filled images of the designer's looks and offers the reader inspiration and advice. As famed film director Nancy Meyers writes in the book's foreword, this is a book that shows design lovers how classic can look fresh, how style and comfort go hand-in-hand.

The homeowners have lovingly preserved the age-old qualities of their cabins while renovating, revitalizing, and redecorating them to support modern living and reflect their personal style. French Seaside Style Sebastien Siraudeau, 2011-04-19 The fourth title in a successful series, this new book celebrates the enduring popularity of nautically inspired interiors, with a French twist. Azure blue skies and sparkling waves on the horizon are the perfect counterpoints to the bright and cheery interiors inspired by life at the seaside. Sun-drenched terraces are accessorized with nautical details including smooth bits of sea glass, rows of sand dollars, and miniature sailboats on the windowsill. Driftwood centerpieces remind us of the beauty and simplicity of nature. A collection of oars propped in a corner forms a rustic sculpture, and the wide stripes of the lounge chairs beckon, evoking the laid-back allure of warm weather. Stepping inside, the rooms are equally inviting with earth tones and bright touches, accessorized with the classically popular icons—anchors, buoys, lighthouses, seashells—that carry the theme throughout the home. Natural wood finishes set the tone and are the perfect complement to canvas-inspired upholstery and crisp linens in the fresh colors of summertime. Miniature vials of sand, each labeled with the date and location where they were collected, bring back memories of carefree holidays spent by the sea, while frosty gem-colored goblets cool us down even before the first sip of mint julep. The overall sense of these interiors creates a relaxed sense of well-being that feeds the soul. These interiors are brimming with inspiration for how to bring serenity and joy into any home.
