Child in the Valley Gordy Sauer, 2021 For fans of Ian McGuire's *The North Water* and Michael Punke's *The Revenant*, *Child in the Valley* by Gordy Sauer is a coming-of-age story set in the harsh landscape of Gold Rush America, centering on an orphan's journey to California in a wagon train of ruthless 49ers. Seventeen-year-old Joshua Gaines is suddenly orphaned in 1849, and after discovering that his foster father has left him deeply in debt, he flees his St. Louis home for Independence, Missouri. There, he plans to offer his medical expertise in exchange for passage to California in a Gold Rush party. Joshua is initially rebuffed given his youth and inexperience, but as his resentment and greed grow, a chance encounter with a ruthless adventurer and an ex-slave enlists him in a party comprised of provincial identical twins and a wealthy Englishman. The party departs overland along a 1,500-mile trail carved out by hardship, disease, violence, and death. When finally they arrive starving and exhausted in California's Sacramento Valley, Joshua discovers that attaining those riches is not as simple as pulling them from the riverbed, forcing him to redefine his sense of morality within the context of his greed; his complex sexuality; and the growing, though still-fledgling, American government. This novel is part of the Cold Mountain Fund Series, in partnership with Charles Frazier--

In Perfect English Farmhouse, via a series of case studies, Ros Byam Shaw explores both traditional and contemporary farmhouse style. The book is divided into chapters according to style: Organic, Traditional, Fresh, No Frills, and Funky, and at the end of each chapter a spread highlights the key elements of that particular decorative look. At the back of the book, there is also a comprehensive listing of UK and US sources to help readers create their very own take on perfect farmhouse style.

The Scandinavian Home Niki Brantmark, 2017-04-18 Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog My Scandinavian Home, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, Urban Living, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the Country Homes tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular Rural Retreats include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.
