Expressive Interiors Sandra Lucas, Sarah Eilers, Lucas/Eilers Design Associates, 2020-09-15 From the Third Coast comes this inspirational interiors book by award-winning interior designers Sandra Lucas and Sarah Eilers, who show us how to design inviting homes with a classical backbone that are stylish and versatile for today's living. Native Houstonians Lucas and Eilers's aesthetic marries the entrepreneurial, can-do spirit of the West with Southern grace. The distinctive influences of their hometown—from the architecture of John Staub to the textures and color palettes of the surrounding Texas ranches and expansive landscapes to the impact of futuristic NASA—infuse their design choices. Whether traditional, contemporary, or transitional in style, the rooms they create are timeless. The duo's seasoned insight into the principles and elements of interior design forms the book's heart. Touching on such topics as scale and proportion, color and light, and pattern and texture, they explore their pragmatic, imaginative approach to creating expressive living spaces in a diverse range of projects from coast to coast. They then tour us through several homes, including a comfortable family ski compound in Utah with

repurposed rough-hewn wooden beams and custom forged-steel fireplace surrounds; a Houston shotgun home rich with patina; and a charming Gulf Coast beach house. For those passionate about interiors, this wealth of design fundamentals is inspirational.

The Scandinavian Home Niki Brantmark, 2017-04-18 Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog My Scandinavian Home, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, Urban Living, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the Country Homes tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular Rural Retreats include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.
