Pink House Living Emily Murray,2019-03-19 Pink has become the hottest color in interiors. Quartz Pink was the Pantone color of 2016 and since then the hue has gone from strength to strength, playing a starring role at the 2018 Milan Design Week. From advertising to design and fashion, millennial pink has taken popular culture by storm, and it isn't going anywhere House & Garden Pink House Living is a beautiful, practical guide to decorating with pink by Emily Murray of the award-winning The Pink House blog. Emily draws on her recent interiors projects to guide the reader through their own rose-tinted renovations and includes case studies on well-known interiors experts that reveal their use of pink, their go-to paint shades and where they glean pinkspiration. Pink House Living is not about decorating your home in pink from rooftop to rugs, but a look at how the color can be used alongside other hues—sometimes sparingly, sometimes in spades. Divided up by room, the book uses the color pink and its history as a starting point from which to discuss the decorating process. Readers will be entertained by Emily's interiors insights and witty turn of phrase while gaining invaluable advice on adding pink—and color in general—to their homes.

The Possibility Mom Lisa Canning, 2019-04-02 An interior designer and lifestyle coach helps modern moms design lives they love with less stress, less guilt, and more time to pursue their dreams. Balancing the demands of modern motherhood is a tough job. Between kids, work obligations, social commitments, and household duties, trying to fit in a little me time (let alone a date night) can seem practically impossible. For many moms, doing well at work makes them feel like they're failing at home, and when they focus on their family, they feel like they're falling behind at work. It's a vicious cycle that all too often lead to burnout—but there really is another way. *The Possibility Mom* provides practical solutions for keeping the balance of a modern mother's life with less stress, less guilt, and more satisfaction. Here, you'll learn smart ways to trim your to-do list, clarify your priorities, get more done in less time, and live the life you love—one that you design.

Expressive Interiors Sandra Lucas,Sarah Eilers,Lucas/Eilers Design Associates,2020-09-15 From the Third Coast comes this inspirational interiors book by award-winning interior designers Sandra Lucas and Sarah Eilers, who show us how to design inviting homes with a classical backbone that are stylish and versatile for today's living. Native Houstonians Lucas and Eilers's aesthetic marries the entrepreneurial, can-do spirit of the West with Southern grace. The distinctive influences of their hometown--from the architecture of John Staub to the textures and color palettes of the surrounding Texas ranches and expansive landscapes to the impact of futuristic NASA--infuse their design choices. Whether traditional, contemporary, or transitional in style, the rooms they create are timeless. The duo's seasoned insight into the principles and elements of interior design forms the book's heart. Touching on such topics as scale and proportion, color and light, and pattern and texture, they explore their pragmatic, imaginative approach to creating expressive living spaces in a diverse range of projects from coast to coast. They then tour us through several homes, including a comfortable family ski compound in Utah with repurposed rough-hewn wooden beams and custom forged-steel fireplace surrounds; a Houston shotgun home rich with patina; and a charming Gulf Coast beach house. For those passionate about interiors, this wealth of design fundamentals is inspirational.

Developing Hospitality Properties and Facilities Josef Ransley,Hadyn Ingram,Debra Adams,2022-06-30 In light of the tumultuous global changes which have dramatically affected the hospitality business, the third edition of Developing Hospitality Properties and Facilities provides insight into the reality of developing hospitality properties in challenging international contexts. Since its successful first publication in 2000 and subsequent second edition in 2004, Developing Hospitality Properties and Facilities has sought to model and demystify the process of designing, planning, constructing and sustaining hospitality properties. The third edition boasts an impressive array of academic and professional contributors from

Europe, North America, South America, Asia, Africa and the Middle East and 12 case studies and issues concerning individual hotels and international regions and addressing issues of technology, revenue management and fee structures. This edition recognizes that in order for the hospitality sector to overcome periodic problems such as global pandemics, it is important to inform academic and professional readers so that they can ensure that future developments are sustainable, environmentally friendly and resilient in the longer term. Written for hospitality owners, developers, investors and managers and suitable for students, this book aims to bridge the gap between generic and applied texts using a model-based approach to clarify the process in an informed, non-technical way.
