The Scandinavian Home Niki Brantmark,2017-04-18 Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog [My Scandinavian Home](http://MyScandinavianHome.com), presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, Urban Living, features styles ranging from minimalist to bohemian, and pale palettes to dramatic

dark colors. By contrast, the Country Homes tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular Rural Retreats include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.

One day fourteen-year-old Sophie Amundsen comes home from school to find in her mailbox two notes, with one question on each: Who are you? and Where does the world come from? From that irresistible beginning, Sophie becomes obsessed with questions that take her far beyond what she knows of her Norwegian village. Through those letters, she enrolls in a kind of correspondence course, covering Socrates to Sartre, with a mysterious philosopher, while receiving letters addressed to another girl. Who is Hilde? And why does her mail keep turning up? To unravel this riddle, Sophie must use the philosophy she is learning—but the truth turns out to be far more complicated than she could have imagined.

The Makeover Surprise Laura Burton,2024-01-14 Have you ever had a complete style overhaul and then stumbled upon the love of your life? No? Just me? I'm Lucy Scott, a comfort-over-fashion kind of girl. But when my boss dangles a carrot in the shape of my own column, I'm willing to do whatever it takes, even if it means trading in my Uggs for stilettos. So, I agree to do a makeover photoshoot for the magazine I work for. Easy peasy, right? Wrong. The night before the shoot, I find myself in an awkward situation, but luckily, a hot businessman comes to my rescue. It's not exactly love at first sight, but it's a start. The next day, I look like a completely different person in my Malibu Barbie getup. And who do I run into on the subway? You guessed it, Mr. Businessman. But he doesn't even recognize me! Ouch. Then, my boss changes the game. I can have my column, but the first article has to be on the topic of How to Get a Guy to Fall in Love. Gross. It's so cheap and manipulative. But then I think back to the shallow guy who only wanted me when I was glammed up, and suddenly, the idea doesn't seem so bad. With the help of my sisters, who know way more about dating than I do, I'm on a mission to make Mr. Businessman fall for me. It's not going to be easy, but I'm determined. sweet romance, romance books with neurodivergent characters, feel good books with autistic main characters, mistaken identity romance, billionaire sweet romance novel, uplifting small town romance, opposites attract romance, BBW romance book, uplifting wholesome romance.
