**Black and White (and a Bit in Between)** Celerie Kemble, 2011-11-01 Black and white décor is at once dramatic and understated, modern and classic, apparent in the work of iconic designers such as Dorothy Draper and Madeleine Castaing but just as present in design today. And the inspiration is all around us—from nature (a zebra's stripes, tree trunks rising from drifts of snow) to old Hollywood movies and fashion to black-and-white photography and patterns we encounter in our everyday lives (crossword puzzles and the pages of our favorite novels). In *Black and White (and a Bit in Between)*, acclaimed interior designer Celerie Kemble trades in her signature vivid palette for this iconic aesthetic, highlighting the black and white work of design stars and peers, including Bunny Williams, Thomas O'Brien, Mary McDonald, Victoria Hagan, Mark Hampton, Delphine Krakoff, Brad Ford, Philip Gorrivan, Carrier and Co., and Miles Redd, and welcoming you into more than 100 spaces in every imaginable aesthetic. Woven throughout are her witty observations and expert advice on choosing the best paints and finishes, adding patterns and accessories, building an entire room scheme based on inspiration found in nature, collecting black and white objects, and even choosing the perfect accent colors. With more than 350 gorgeous color photographs, this is a vividly photographed celebration of a timeless scheme, infused with inspirational tips, glimpses into showstopping homes, and proof that a limited palette is anything but.

*Dream Decor* Will Taylor, 2016-05-19 Will understands the life-enhancing abilities of colour. He's a true talent with a keen eye. Jonathan Adler This book will take readers on an inspiring journey to discover fifteen decor destinations that each have a distinct and inspired style. This book will take readers on an inspiring and tactile journey to discover the decorating style that represents their personal style, all demonstrated via Will's personal and evocative travel imagery, charming illustrations and personality-packed homes across the globe. By inspiring readers to look to their surroundings and call on their own travel memories and personal journeys, the book will be the practical yet playful travel companion the reader needs to create their own Destination Decor style.
