Black and White (and a Bit in Between) Celerie Kemble, 2011-11-01 Black and white décor is at once dramatic and understated, modern and classic, apparent in the work of iconic designers such as Dorothy Draper and Madeleine Castaing but just as present in design today. And the inspiration is all around us—from nature (a zebra's stripes, tree trunks rising from drifts of snow) to old Hollywood movies and fashion to black-and-white photography and patterns we encounter in our everyday lives (crossword puzzles and the pages of our favorite novels). In *Black and White (and a Bit in Between)*, acclaimed

interior designer Celerie Kemble trades in her signature vivid palette for this iconic aesthetic, highlighting the black and white work of design stars and peers, including Bunny Williams, Thomas O'Brien, Mary McDonald, Victoria Hagan, Mark Hampton, Delphine Krakoff, Brad Ford, Philip Gorrivan, Carrier and Co., and Miles Redd, and welcoming you into more than 100 spaces in every imaginable aesthetic. Woven throughout are her witty observations and expert advice on choosing the best paints and finishes, adding patterns and accessories, building an entire room scheme based on inspiration found in nature, collecting black and white objects, and even choosing the perfect accent colors. With more than 350 gorgeous color photographs, this is a vividly photographed celebration of a timeless scheme, infused with inspirational tips, glimpses into showstopping homes, and proof that a limited palette is anything but.

Inspire Your Home Farah Merhi,2019-10-22 Instagram star and founder of Inspire Me! Home Décor shares her creative and elegant interior design secrets so you can create a glamorous yet cozy home without spending a fortune. Farah Merhi launched Inspire Me! Home Decor in 2012 as a creative outlet during a transitional time in her life. Farah was about to graduate college and planned to attend law school. Going through the motions and feeling unfulfilled in her career choice, she built up the courage to face her truth. Taking time off to figure herself out, Farah, through a remodel project in her home, had her “ah-ha” moment. The importance of taking care of your home, specifically in the way you clean, organize, and design, was instilled in her at a young age, but she didn’t realize how much of an impact her upbringing had until she owned her own home. Farah knew she had found her passion and calling, and was determined to inspire home owners to live their best lives in their homes. Farah believes that taking care of your home is essential to your peace of mind. Her design style is elegant and glamorous but infused with warmth and coziness, creating a welcoming feel with neutral color palletes, soft and

inviting fabrics, and exquisite design details that can work in any room. She believes you can make a statement without sacrificing an inviting feel to your rooms. There is no right and wrong when it comes to designing your home and Farah encourages you to focus on the overall look and feel you desire, and her tips and advice will help guide you through the process. Starting with her most frequently asked questions about paint color versus wallpaper, lighting and rugs, home organization, and of course styling, Farah walks you through every room in the house from the mudroom to the kitchen and kids' bedrooms. Along the way, she includes quick seasonal updates on a budget, suggested routines for maintaining your space, and her unique reward system, which includes small styling vignettes around your home. Woven throughout are Farah's personal stories that will feel like you're getting design advice from a close friend. Everyone deserves to walk into a beautifully decorated home every day—now you can, with the inspiration and practical tips in *Inspire Your Home*.
