Heart & Home for Christmas Victoria Duerstock,2019-09-17 As a writer, teacher, and speaker with a busy work and family life, Victoria Duerstock understands that all the tasks of the holiday season can make it easy to forget the true joy that Christmas can bring. In *Heart & Home for Christmas*, Duerstock brings her mission to inspire hope for God's purpose, and her 20 years of experience in the furniture and design industry together, connecting Scripture with design elements and easy decorating tips in a way that reflects the true spirit of Christmas. The devotions and holiday decorating tips will encourage spiritual growth and inspiration to have both a captivating heart and home at Christmas. Praise for *Heart & Home: Design Basics for Your Soul and Living Space* Seldom do I discover a book which ministers to mind, body and soul, but Victoria Duerstock's *Heart & Home* is just such a jewel! I was immediately drawn to the unique design elements through color photographs, and especially the carefully selected accompanying Scripture, meditation and prayer. All of these work together to address one small element of life on which I can meditate all day long (and even bring into my own home through her practical suggestions.) While I am neither an interior designer nor DIY crafter, I am someone who embraced "hygge" long before I knew what the word meant—a beauty through coziness and care. You too? Good. My gift list for this special volume is already quite lengthy... Lucinda Secrest McDowell, author *Dwelling Places and Graces* As I read *Heart & Home*, I was captivated not only by the beauty and elegance on every page and in every word, but more importantly I was inspired to see how spaces can transform lives. Creating a home is a sacred undertaking. Building a home or office that inspires, comforts, engages and transforms hearts leads to healthy individuals, families and communities. I was challenged to think about how our homes can be used to focus us on God; how every color, design and object can strengthen our soul. I hope that Victoria's book will also inspire you and refresh your heart and home. Robert Wallstrom, CEO Vera Bradley

The Pretty and Proper Living Room Helene Kirkpatrick Holden,Holly Holden,Dean Greenblatt,Michael E. Scully,Caroline Holden,2013-07-18 *Pretty and proper* style is about decorating once... for a lifetime. It is about the creation of timeless,

tailored interiors rotted firmly in English tradition. The rules of this style are like a secret code that has been whispered from mother to daughter over generations. These secrets have always been inherited -- until now -- cover, page 4.

Women's Albums and Photography in Victorian England Patrizia Di Bello,2017-07-05 This beautifully illustrated study recaptures the rich history of women photographers and image collectors in nineteenth-century England. Situating the practice of collecting, exchanging and displaying photographs and other images in the context of feminine sociability, Patrizia Di Bello shows that albums express Victorian women's experience of modernity. The albums of individual women, and the broader feminine culture of collecting and displaying images are examined, uncovering the cross-references and fertilizations between women's albums and illustrated periodicals, and demonstrating the way albums and photography, itself, were represented in women's magazines, fashion plates, and popular novels. Bringing a sophisticated eye to overlooked images such as the family photograph, Di Bello not only illustrates their significance as historical documents but elucidates the visual rhetorics at play. In doing so, she identifies the connections between Victorian album-making and the work of modern-day amateurs and artists who use digital techniques to compile and decorate albums with Victorian-style borders and patterns. At a time when photographic album-making is being re-vitalised by digital technologies, this book rewrites the history of photographic albums, placing the female collector at its centre and offering an alternative history of

photography focused on its uses rather than on its aesthetic or artistic considerations. It is remarkable in elegantly connecting the history of photography with the fields of material culture and women's studies.

The Darlings Hannah McKinnon, 2023-05-02 On a secluded stretch of Cape Cod, a wedding is being planned at a beloved beach house—only for a long kept secret to emerge that hurtles both the wedding and the family off course, in this fresh, lyrical new novel from the acclaimed author of the “charming and warmhearted” (PopSugar) *The Summer House*. At age ninety-two, Tish Darling is the matriarch and protector of what’s left of the Darling family fortune, including the decades-old beach house, Riptide. Located on the crook of Cape Cod, it’s a place she once loved but has not returned to in decades, since a tragic family accident one perfect summer day. Still, she is determined to keep Riptide in the family. Even if that means going back there on the cusp of her granddaughter’s wedding. Even if it means revealing someone else’s truth. Her daughter-in-law Cora has her own complicated feelings surrounding Tish’s return as well as doubts about her place within the Darling family. After all, Cora came into the family carrying a secret that her husband promised to keep for her forever. Tish’s sudden return to Riptide may force everything they’ve worked so hard to protect out into the light. Meanwhile, Cora’s eldest daughter, Andi isn’t exactly looking forward to her little sister’s wedding so soon after her own divorce. To make matters worse, her ex has arrived on the Cape with his insufferable new girlfriend. Andi has no idea how she’ll be able to survive this family reunion...until she bumps into an old friend from the past. A friend who may just offer her a second chance. As the three distinct generations of Darling women arrive at Riptide, they have no idea that this summer will forever change them. One old secret, kept with the best of intentions, threatens to not only divide the family, but shatter each member’s sense of who they really are. Can the ties that bind survive, when the history you’ve always been told turns out to be untrue?
