Woodland Christmas Frances Tyrrell,2006 The familiar and beloved Christmas carol The Twelve Days of Christmas comes to life in an enchanted woodland forest. In this rendition of the classic verse, the narrator and her true love are two black bears who carry on a court-ship in grand 18th century style. To illustrate the twelve gifts Santa Bear gives to his true love, beautiful North American woodland creatures are shown in breathtaking colour and detail. The eight maids a-milking are cuddly raccoons floating through the Milky Way, and even the three French hens are dressed for the occasion-skates and all! Woodland Christmas is certain to delight kids and nature lovers alike.

The New Southern Style Alyssa Rosenheck,2020-09-22 A vibrantly illustrated exploration of the creative, inclusive, and inspiring movement happening in today's Southern interior design The American South is a place steeped in history and tradition. We think of sweet tea, thick draws, and even thicker summer air. It is also a place with a fraught history, complicated social norms, and dated perspectives. Yet among the makers and artists of the South, there is a powerful movement afoot. Alyssa Rosenheck shines a much-needed spotlight on a burgeoning community of people who are taking what's beloved, inherent, and honored in the South and making it their own. The New Southern Style tours more than 30 homes and includes interviews with the designers, artists, and creative entrepreneurs who are reinventing Southern design and culture. This beautifully illustrated book is sure to inspire the home and soul.

One Heart at a Time Delilah, 2018-10-16 “You’re listening to Delilah.” Delilah, the most listened-to woman on American radio, has distinguished herself as the “Queen of Sappy Love Songs” and America’s ultimate romance guru. But Delilah’s life off-air is all the more extraordinary—a life full of trials, forgiveness, faith, and adventure. In *One Heart at a Time*, Delilah’s heartfelt account of her own story reveals what shaped the voice that 9 million listeners know and love. Today, Delilah is the founder of an NGO called Point Hope, the owner of a 55-acre working farm, and an inductee of the National Radio Hall of Fame. But to achieve this, she often had to pave her own way. Disowned by her father, divorced, and fired from a dozen jobs over the years, Delilah pushed forward through family addiction and devastating loss, through glass ceilings and red tape. Her consistent goal to help those in need took her everywhere from the streets of Philadelphia to refugee camps in Ghana. Along the way, Delilah was blessed by thirteen children—ten of them adopted. Though many of them contend with special needs and the forever effects of a broken foster care system, her children have been able to transform their own remarkable lessons into guiding lights for other kids in need. Just as Delilah has done. *One Heart at a Time* exposes the real woman behind the microphone. In her easy-going style and characteristic, beloved voice, Delilah tells her deeply moving life story as

the series of miracles it is.
