**Country Gold** Leah Leonard, 2014-11-15 Susie Bell went to a psychic development circle to amuse her friend but never imagined that she would develop a powerful intuitive gift of her own, and definitely never thought she'd meet the sexy country singer, Ronnie Vaughn. Tone deaf Susie is even more surprised when Ronnie's deceased grandfather begins to visit her in her dreams, transcribing country music for his grandson to sing so he can launch his music career: Is that your final answer or are you the weakest link? You put our love in jeopardy much more than you think. The Wheel of Fortune spun around the day that I met you. Now you've taken me on Judge Joe Brown, Girl, we must be through. Ronnie is overcome by the raw beauty and sensitivity of Susie and the sacrifices she's making of her time, and eventually of herself, to help him succeed. Soon the two are entwined both personally and professionally. Will their love affair last their lifetime, and will Ronnie fulfill his destiny to become one of the greatest country singers of all time?

**A Bump in the Road** Maureen Lipinski, 2009-06-09 When twenty-seven-year-old event planner and blogger Clare Finnegan got married, she didn't mind moving out of the city. After all, a suburban existence didn't necessarily equal domesticity, book club parties, and a subscription to Martha Stewart Living. But when, after a weekend in Vegas, Clare discovers she's pregnant, she is thrown into a world where eating lunchmeat is equivalent to smoking crack and maternity clothes appear to have been molested by a BeDazzler. In the midst of her slow transition from beer bottles to baby bottles, Clare juggles burgeoning Internet stardom, plans Chicago's biggest black-tie gala, wrangles her traditional in-laws who are scandalized by her every choice, and attempts to keep the peace between her two feuding best friends. Not only funny but smart, sassy, and witty, to boot, this is a debut novel that will have you laughing for a good nine months.

**Modern Goddess: The Complete Series** Odette C. Bell, Modern Goddess: The Complete Series contains all three installments in the Modern Goddess series. Sprawling fantasies intertwined with mythology, adventure, romance, and philosophy, pick this boxset up today and soar free with an Odette C. Bell series. Trapped by Thor: Yes, she's a goddess. And, oh yes, he is most certainly a god. You can tell from the fact he marches around in glimmering armor, picking fights with titans and picking up divine broads. But she didn't sign up for this. Sea monsters, kidnappings, evil plots, and the end of the world? Are you kidding? She spends most nights reading the weather report and icing cupcakes. It's all his fault. Trapped by Atlas: Jeanie's just an ordinary goddess holding down an ordinary job in these hard economic times. But when an actual legend wades into her life one day, making way more mess than she can clean, she quickly learns there's something extra to her ordinary. It'll take her deep into the golden age of the gods, deep into universe-ending danger, and even deeper into a love that's waited eons for her. Trapped by Apollo: The first casualty in every war is the truth. Which is terrible if you happen to be Truth herself. In the golden age of the gods, Veritas was one of the most celebrated deities. These days she sits on her couch, suffers from panic attacks, and shouts at the news. Modern times have not been kind to the truth, and now she's more elusive than ever. But when mysterious cracks begin appearing through her temple, Veritas is forced to act. Someone is attacking the truth, and there's only one person she can turn to. A god she'd rather push out a window than rely on. Her ex-husband, Apollo. Modern times killed their love, but if it kills the truth one last time, all will lose - none more so than Apollo.

Malik, the quintessential player, finds more than he bargained for when he allows his sexual addiction to distract from his educational pursuits. His fate will be left at the mercy of others because of his irresponsible actions. James realizes that having an over-sexed wife can lead to ecstasy and utter heartbreak. **A Journey Through Time and Culture** Ramesh C. Shah MD,2020-06-01 The coming of age happened fast for a young Dr. Shah when he was sent away to a tough British military-style boarding school in the Nilgiris Mountains of India. Dr. Shah narrates a cultural and inspirational memoir of a child maturing into a man, then father, determined to succeed despite his obstacles. With a love for history and nature, he paints his story through a lens of the landscapes he journeys. He takes you from India, to Wales and Scotland, and finally to America, where he achieves his psychiatry degree and settles with his family in beautiful West Virginia. Dr. Shah's passion for service and medicine is witnessed as he shares unique experiences of treating patients with tropical illnesses in India to psychiatric cases with children, coal miners, veterans and prisoners in the US. While sharing glimpses into patient lives, he does not shy away from his own struggles with anxiety, personal failures, cultural adjustments, and parental concerns of raising two daughters in the values of a western world. His memoir beautifully balances the challenges and joys of his life by weaving in stories of family, friendships, adventures and his now retired life in Florida. Along with a sprinkle of poetry and pictures, Dr. Shah passes on a written legacy of humanity and life lessons that portrays both heart and strength...a book not to be missed!

**Kitchen Table Entrepreneurs** Martha Shirk,Anna S Wadia,2009-06-17 Over the last five years, the number of women-owned businesses has grown at twice the rate of all U.S. firms; in the next few years, the number is expected to surpass the six million mark. Kitchen Table Entrepreneurs tells the inspirational stories of eleven low-income women who have marshaled the creative energy, confidence, and capital necessary to start their own small businesses. These women, who have used their entrepreneurial skills as a route out of poverty, give an American face to an economic empowerment tool that has enjoyed great success in developing countries. By becoming their own bosses, they not only provide for their children but

also inspire them. Though each of their businesses is unique, all eleven of these women have discovered previously unknown strengths as they've struggled to overcome personal and bureaucratic obstacles. All received important assistance from nonprofit organizations supported by the Ms. Foundation for Women, the pioneer funding entity of microenterprise programs in the United States.
