Italian Rustic Elizabeth Helman-Minchilli, 2009 A celebration of Tuscan farmhouse style, with practical advice on how to bring the look home. For anyone who has ever dreamed of living under the Tuscan sun, Italian Rustic is the next best thing--a step-by-step guide to recreating the romance and appeal of the weathered Italian farmhouse. This nuts-and-bolts guide to building Italian-style walks the reader through all the elements that make the rustic Italian home so unique, from the hand-laid stone walls to the artisanal stucco wall finishes. Author Elizabeth Minchilli, an American design writer based in Rome and Tuscany, received dozens of questions from readers after publishing her last book, *Artisan's Restoring a Home in Italy*. The queries went beyond the usual searches for fabric and couches. People were hungry to know how terra-cotta tiles were laid, or how fireplaces were built, she says. Italian Rustic, researched with the help of her Italian architect husband, is the user-friendly result: a book that explains, in clear text accompanied by photographs and drawings, how to lay a tile floor a la Italiana, or add a Tuscan-style pergola to any garden. With more than 300 stunning photographs shot on location in Tuscany and Umbria, the book contains profiles of local artisans, engaging text on how the farmhouse style evolved, and targeted advice on how Americans can find Italian-style building materials and craftsmen close to home. This essential sourcebook will appeal to anyone building an addition or an entire house from scratch, or for homeowners who want to add just a touch of Italian style to their houses.

Quincy Radcliffe has fast become a key asset at the newly formed Stark Security. A former British agent with lethal skills and criminal connections, it's a no-brainer for him to

rise through the ranks. But Quincy isn't the man he appears to be. And one woman could expose all his secrets. Once, he worshipped Eliza Tucker. He adored her body and then broke her heart. But now she needs help, and he's the only man that can do it. Quincy knows he must either turn his back on her or risk revealing his dark past to the one woman who can—and will—tear open his old wounds. For years, Eliza has tried to forget the man who shattered her. His smoldering good looks had drawn her in; his British charm had enchanted her. But it was the wildness of his seduction and the ferocity of his passion that captured her. She'd given herself to him—and he'd destroyed her. Now, he's the only person who can help find her missing sister. She'll use him because she has to. She'll pay anything he demands, whether in the bank or the bedroom. She won't fall for him again. But what if it isn't her choice to make? **BROKEN WITH YOU** True love never fades... After surviving a troubled childhood, Denise can't believe that she's blissfully married to her partner and soulmate. She's confident that not even Mason's long-term, deep-cover assignment will shake their bond. And she certainly doesn't anticipate that when he finally walks back through her door that he'll have no memory of her, himself, or their time together... When Mason is pulled out of an operation gone bad, all he knows is what he's told — that he was a covert agent, that he has information vital to national security somewhere in his head, and that they can tell him no more for fear of burying those hard-fought secrets even further. They tell him nothing else; not even that the beautiful woman who makes his heart beat faster is not just his partner, but also his wife. The secret she must keep wrecks Denise, who wants only to return to Mason's arms. But despite the desire that still burns hot between them, she can't tell him who she is—or that she's carrying his child. But when dark forces threaten both their lives in order to retrieve the information trapped in Mason's mind, it's not their past that will be tested, but the tenuous new love now burning hot between them. **RUINED WITH YOU** When her high maintenance boss is assaulted, manager Xena Morgan contacts the only person who can help—the sexy, arrogant, incredibly capable Stark Security agent Liam Foster. The former vigilante takes every case personally, and he's determined to find answers—particularly since he thought he'd cleared this threat already. Xena had been thrilled when Liam completed his assignment, because he affected her in ways she didn't want to contemplate, awakening yearnings that threatened her deepest secrets. But now she needs him, and her body won't let her forget it. As their attraction heats to a feverish degree, the web of lies, danger, and passion they find themselves in tangles further. Liam will stop at nothing to protect his client, even if it means sacrificing everything he holds dear ... and exposing the secrets that may destroy him—and Xena—forever.

Modern Pastoral Niki Brantmark,2016-02-11 Discover contemporary interiors inspired by natural landscapes. Discover contemporary interiors inspired by natural landscapes. Modern pastoral interiors are about embracing the pared-back lifestyle of living in the country, taking nature as the main point of inspiration. Use colors, textures, and details to create a home in which to unwind—a retreat from the rest of the world. Niki Brantmark explores various takes on this simple, informal style. The graphical look is striking, reminiscent of exposed landscapes: think whitewashed ceilings, rugged stone surfaces, and striking black features, softened by cozy soft furnishings and fresh plants and flowers. Savanna style introduces warmer hues, featuring painted wood and reds, oranges, and browns in textiles, furniture, and collectibles. Nordic interiors take in the best of the Scandinavian landscape—clean white backdrops against sleek designs—while those inspired by forest and mountain streams are filled with rich, deep greens and blues, combined with traditional patterns and features, such as log burners, wood paneling, and woven rugs. The stunning photography for this book takes in locations across Scandinavia and the United States, and all evoke an ideal, rural life, adapted to modern living.
