The Family Garden Planner Melissa K. Norris,2020-11-03 Don't Just Plant Your Garden...Plan It Fifth-generation homesteader Melissa K. Norris has found gardening to be one of the easiest and most complex things there is. It really is as simple as plopping a seed into the soil, giving it adequate light and water, and watching it grow. But if you want to get the most out of your garden and produce more food each year, you need a plan to help you stay on track. This indispensable guide includes everything you need to plan your garden, execute your plan, and record your results, saving you time and hassle—and allowing you to have fun with the process. You'll discover a series of charts and worksheets to identify which gardening zone you are in, which crops make sense for your family, and how much you'll need to plant. Then you'll refer to a set of monthly instructions based on your gardening zone and put together a customized plan using yearly, monthly, and weekly charts to help you stay on track. The more you use this planner, the more you will get out of your garden, and the more you'll enjoy providing your family with healthy, organic fruits and vegetables all year long.

Deck the Halls Nancy Alexander,2014-03-01 Deck The Halls is an Instructional Christmas Wreath-Making Book. Nancy planned, took many close-up, color photos, and wrote precise instructions as she created this gorgeous Christmas wreath. She then wrote Deck The Halls, which equips and encourages you to find your own uniquely different style. To find your style, it is imperative that you first learn the basics of wreath design. Nancy's goal and desire is to equip you with these basics in addition to all you need to assure your very first wreath will be as breathtaking as this one. She will teach you these basics, along with all tips, ideas and a technique, she alone, has developed during her close to thirty years in the floral &

home decor industry. You can be assured that a professional with many years of experience is teaching you to do it the right way. A beginner with no experience to a professional designer will benefit from this beautiful, well-written, and easy to follow book. Nancy starts with a Christmas Green base. She then adds many loops and curls of a beautiful Christmas ribbon in addition to extra Christmas and everyday greens. Nancy is known for her attention to her fine details in each and every one of her designs - and her Christmas wreaths are no exception - they are SPECTACULAR! Nancy's instructions teach you how to securely attach a pick to a stem, make sure your critters such as a birds, ladybugs, nests, & bird houses are anchored securely. And she certainly does not leave out how to tie a beautiful single, double, or triple ribbon bow for which she is so well known. Nancy is delighted to be able to share with you her tips and secrets. She is sure that You Can Do It, which you now hear so often as her encouraging tag line.

Upcyclist Antonia Edwards,2015-03-20 Upcycling goes upscale in this beautiful, elegant, and global collection that showcases what today's designers are creating out of yesterday's materials. Upcycling is the process of transforming seemingly low value items into something new. Today's upcyclists are creating stunning furniture, lighting, and art objects that combine values of superb craftsmanship and design with ideas of how waste can be both inspiring and informing. While the environmental and financial benefits of upcycling are readily acknowledged in *Upcyclist: Reclaimed and Remade Furniture, Lighting and Interiors*, the designers and makers profiled show how the practice can result in pieces that are as aesthetically exciting as anything created using only raw materials. Based on the author's popular website, this book features hundreds of creations from an international collection of today's most exciting designers. It is organized by material, with chapters dedicated to wood, metal, glass and ceramics, textiles, plastic, paper, and mixed media. Reclaimed tree branches and barn doors are transformed into exquisite pieces of furniture; bicycle chains into chandeliers; t-shirts into rugs; saris into upholstery. Filled with an enormous range of materials and objects, this unique book will inspire any designer or design-conscious consumer to incorporate upcycling into their creative practice or interior design projects.
