Reforesting Faith Matthew Sleeth, 2019-04-16 This groundbreaking walk through Scripture by former physician and carpenter Dr. Matthew Sleeth makes the convincing case that trees reveal more about God and faith than you ever imagined. "Christians looking to reconnect to the natural world will relish Sleeth's passionate call to Christian stewardship of the Earth."—Publishers Weekly Fifteen years ago, Matthew Sleeth believed that science and logic held the answers to everything. But when tragedy struck, he opened the Bible for the first time and was surprised to find that God chose to tell the gospel story through a trail of trees. There's a tree on the first page of Genesis, in the first psalm, on the first page of the New Testament, and on the last page of Revelation. The Bible's wisdom is referred to as a tree of life. Every major biblical character and every major theological event has a tree marking the spot. A tree was the only thing that could kill Jesus—and the only thing Jesus ever harmed. *Reforesting Faith* is the rare book that builds bridges by connecting those who love the Creator with creation and those who love creation with the Creator. Join Dr. Sleeth as he explores the wonders of life, death, and rebirth through the trail of trees in Scripture. Once you discover the hidden language of trees, your walk through the woods—and through Scripture—will never be the same.

The Giving Tree Shel Silverstein,2014-02-18 As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. Once there was a tree...and she loved a little boy. So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic*!

In this simple rhyming story from the author of *Held in Love*, a child says thank you for the gifts nature provides, from hazelnuts in the hedge to apples from the tree, eggs from the hens to milk from the cow. Eventually, the family has enough ingredients to make something special...a delicious apple cake! With captivating illustrations that brim with emotion, this sweet picture book encourages children to be grateful for the world around them—the perfect read for Thanksgiving. A recipe for apple cake at the end allows you and your child to share in the joyful gratitude.

'The Real Scriptures' of God James Platter, 2012-08 Inside the covers of this book you will find the Real Scriptures of the Christian churches. Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain-washed to believe, that is about the other inferior books: It isn't in the canon (of scripture) formed of course by the early Catholic Church at various stages and Councils from the fourth century A.D. therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God. They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate, but they are not affected by the changes they made to the canon of Scripture over many centuries. They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world. So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures? Ethiopia it seems got most books of scripture right even with their translation into an ancient language!

The Messianic Aleph Tav Scriptures Paleo-Hebrew Study Bible ,2014-05-20 The Messianic Aleph Tav Scriptures (MATS) is a study bible which focuses on the study of the Aleph Tav character symbol used throughout the old testament (Tanakh) by both Moses and the Prophets and is the most exhaustive and unique rendition of its kind in the world. Over 5 years in the making, this English rendition reveals every place the Hebrew Aleph Tav symbol was used as a free standing character symbol believed to express the strength of the covenant in its original meaning. The Aleph Tav was believed also to be the mark of the divine hand for thousands of years by such famous rabbis as Nahum of Gimzo, Akiva, and R. S. Hirsch as well as the Apostle John. Also revealed in MATS is the use of the Aleph Tav as it is incorporated into the creation of hundreds of Hebrew words used thousands of times throughout the Tanakh and how the mark incorporates Y'shua haMashiach (Jesus the messiah), as well as all mankind and creation, which substantiates and expresses its divinity, thus taking our understanding of the scriptures to a whole new level. MATS comes in your choice of either Paleo or Modern Hebrew editions in a trim size of the regular 6x9 or the large print edition 8.5x11.
