**Nigel A. Caplan, Ann Johns**

**Father's Day** Anne Rockwell, 2005-04-26 What's the perfect gift for Dad? In Mrs. Madoff's class, it's a book made just for him. First the kids think about their special moments with their fathers. Sam's dad is so strong, he can carry Sam on his shoulders. Eveline's dad sings to her when Maman has to work at night. Jessica writes about her father in Texas ... and her stepfather at home. And when it's time to celebrate at school, both of her fathers give Jessica the best surprise of all. Here is a new Mrs. Madoff book for families to cherish on Father's Day and every day of the year.

*Celebrating Father's Day* Donna Marriott, 1999-03 A story that broadens the traditional meaning of Father's Day to include any and all the special male people in a child's life.

*A Book about Mom with Words and Pictures by Me* Workman Publishing, 2021-03-30 Dear Mom, Keep this book forever to remember all the reasons why I love you. Every page has a heartwarming, imaginative (and sometimes cheeky!) prompt—a sentence to finish or an illustration to complete—to help kids capture everything they know and love about their parent, from their favorite things to do together to what kind of pizza topping they would be. A sheet of illustrated stickers gives kids even more ways to customize the work! Each book starts with a letter to parent from child, and then the fun begins, from: Your favorite animal is \_\_\_\_\_. You are terrified of \_\_\_\_\_! To: I wrote a story about you. Want to read it together? To: Look! I drew a picture of us on an intergalactic space adventure! And finally: This is us, having the greatest adventure ever. I love you, Mom!

*A Father's Day Thank You* Janet Nolan, 2011-02-01 Harvey doesn't know what to get his father for Father's Day. It's especially hard when his older sisters and brother seem so sure that their presents are his favorites. Laurie Ann gives him a tie—every year! And Martin always gives him a box of nails. Nadine says Dad loves golf balls. How do they know he likes these presents so much? Because every year Dad gives them each a hug and says, Thank you. And they say, You're welcome. The night before Father's Day, Harvey remembers all of the nice things his dad helped him with that week. He picks up a crayon and starts to draw. And when Harvey gives his dad his present, it's Harvey who has said, Thank you. And it's his Dad who responds, You're welcome.

**Grammar Choices for Graduate and Professional Writers, Second Edition** Nigel A. Caplan, 2019-01-04 Grammar Choices is a different kind of grammar book: It is written for graduate students, including MBA, master's, and doctoral

candidates, as well as postdoctoral researchers and faculty. Additionally, it describes the language of advanced academic writing with more than 300 real examples from successful graduate students and from published texts, including corpora. Each of the eight units in Grammar Choices contains: an overview of the grammar topic; a preview test that allows students to assess their control of the target grammar and teachers to diagnose areas of difficulty; an authentic example of graduate-student writing showing the unit grammar in use; clear descriptions of essential grammar structures using the framework of functional grammar, cutting-edge research in applied linguistics, and corpus studies; vocabulary relevant to the grammar point is introduced—for example, common verbs in the passive voice, summary nouns used with this/these, and irregular plural nouns; authentic examples for every grammar point from corpora and published texts; exercises for every grammar point that help writers develop grammatical awareness and use, including completing sentences, writing, revising, paraphrasing, and editing; and a section inviting writers to investigate discipline-specific language use and apply it to an academic genre. Among the changes in the Second Edition are: new sections on parallel form (Unit 2) and possessives (Unit 5) revised and expanded explanations, but particularly regarding verb complementation, complement noun clauses, passive voice, and stance/engagement a restructured Unit 2 and significantly revised/updated Unit 7 new Grammar Awareness tasks in Units 3, 5, and 6 new exercises plus revision/updating of many others self-editing checklists in the Grammar in Your Discipline sections at the end of each unit representation of additional academic disciplines (e.g., engineering, management) in example sentences and texts and in exercises.

BOOK OF UPSIDE DOWN THINKING BRIAN. PATTEN,2018

*Father's Day* Simon Van Booy,2016-04-26 “Van Booy’s great triumph comes in using a family secret to underscore the message that family is as much a choice as a blood tie. Although any reader will find something to love here, someone who has benefited from a perfectly imperfect family will wear the widest smile. This little book with a big heart is suitable not just for Father’s Day, but for any day.” — Shelf Awareness When devastating news shatters the life of six-year-old Harvey, she finds herself in the care of a veteran social worker, Wanda, and alone in the world save for one relative she has never met—a disabled felon, haunted by a violent past he can't escape. Moving between past and present, *Father’s Day* weaves together the story of Harvey’s childhood on Long Island and her life as a young woman in Paris. Written in raw, spare prose that personifies the characters, this novel is the journey of two people searching for a future in the ruin of their past. *Father's Day* is a meditation on the quiet, sublime power of compassion, and the beauty of simple, everyday things—a breakthrough work from one of our most gifted chroniclers of the human heart.

**Essential Actions for Academic Writing** Nigel A. Caplan,Ann Johns,2022-03-09 *Essential Actions for Academic Writers* is a writing textbook for all novice academic students, undergraduate or graduate, to help them understand how to write effectively throughout their academic and professional careers. While these novice writers may use English as a second or

additional language, this book is also intended for students who have done little writing in their prior education or who are not yet confident in their academic writing. *Essential Actions* combines genre research, proven pedagogical practices, and short readings to help students develop their rhetorical flexibility by exploring and practicing the key actions that will appear in academic assignments, such as explaining, summarizing, synthesizing, and arguing. Part I introduces students to rhetorical situation, genre, register, source use, and a framework for understanding how to approach any new writing task. The genre approach recognizes that all writing responds to a context that includes the writer's identity, the reader's expectations, the purpose of the text, and the conventions that shape it. Part II explores each essential action and provides examples of the genres and language that support it. Part III leads students in combining the actions in different genres and contexts, culminating in the project of writing a personal statement for a university or scholarship application.

*Father's Day Buzz* Bissinger, 2012 The author recounts a father-son road trip during which he gained insight into the worldviews, challenges, and talents of his socially challenged savant son, Zach.

**Papadaddy's Book for New Fathers** Clyde Edgerton, 2013-05-07 After three decades of being a father, Clyde Edgerton—with four kids ranging in age from six to 30—is supremely qualified to give tips to dads of all ages. His fathering advice, pre-birth through schooling, involves plenty of his trademark humor, but also sound guidance enhanced by his training and experience as an educator. Papa Edgerton suggests that on occasion a father might forego reading and just point to the pictures of dogs and cats in baby books, and also that he might place a blanket on the lawn, lie on his back with the whole family, and watch Sky Television. Edgerton's humorous and helpful counsel will guide new parents on interacting with in-laws and coping with sleep deprivation, while also providing strategies for recovery after you've cursed in front of a mimicking baby. If you don't feel apprehensive just before your first child is to arrive, you are abnormal, writes Edgerton. Yet by way of his experience, observation, and imagination, he provides caution and pure joy in equal measure. Edgerton is so, so funny. He captures the rainbows, cheap thrills, and irritating potholes of parenting with splendid understatement.—Library Journal

*Father Figure* Jordan Shapiro, 2021-05-11 A thoughtful and utterly mind-blowing exploration of fatherhood and masculinity in the 21st century (New York Times). There are hundreds of books on parenting, and with good reason—becoming a parent is scary, difficult, and life-changing. But when it comes to books about parenting identity, rather than the nuts and bolts of raising children, nearly all are about what it's like to be a mother. Drawing on research in sociology, economics, philosophy, gender studies, and the author's own experiences, *Father Figure* sets out to fill that gap. It's an exploration of the psychology of fatherhood from an archetypal perspective as well as a cultural history that challenges familiar assumptions about the origins of so-called traditional parenting roles. What paradoxes and contradictions are inherent in our common understanding of dads? Might it be time to rethink some aspects of fatherhood? Gender norms

are changing, and old economic models are facing disruption. As a result, parenthood and family life are undergoing an existential transformation. And yet, the narratives and images of dads available to us are wholly inadequate for this transition. Victorian and Industrial Age tropes about fathers not only dominate the media, but also contour most people's lived experience. *Father Figure* offers a badly needed update to our collective understanding of fatherhood—and masculinity in general. It teaches dads how to embrace the joys of fathering while guiding them toward an image of manliness for the modern world.

**The Night Before Father's Day** Natasha Wing, 2012-05-10 It's Father's Day! Celebrate dads everywhere with bike rides, car washes, and more in this installment of Natasha Wing's best-selling series. It's the night before Father's Day, and Mom and the kids have a plan to surprise Dad with a special gift. When Dad goes for a bike ride, everyone gets to work. Dad wakes up the next day to find his garage newly organized and his car sparkly clean. So, of course, he celebrates by taking everyone for a spin!

**Froggy's Day With Dad** Jonathan London, 2006-03-23 It's Father's Day at last, and Froggy is so-o-o excited. We're going to play golf! he tells his dad. Oh no. Dad says Froggy's too little for golf. But you're just the right size to play miniature golf! he explains. At the fun park, Froggy discovers mini golf is fun—especially once he figures out how to face the right way. With his beginner's luck, Froggy makes a hole in one! But his next shot hits his dad on the head—bonk!—and that's only the beginning. All ends well, though, when Froggy presents his dad with a special coffee mug he decorated in school: To the Best Dad I Ever Had!

**Biscuit Loves Father's Day** Alyssa Satin Capucilli, 2004-04-13 Let's celebrate Father's Day, Biscuit! Father's Day is a great time to show Dad how much we love him. Unfold the big flaps and join Biscuit for fun times with Dad -- exploring, playing, and sharing.

**Already Gone** Ken Ham, Britt Beemer, 2009 NATIONWIDE POLLS AND DENOMINATIONAL REPORTS ARE SHOWING THAT THE NEXT GENERATION IS CALLING IT QUITS ON THE TRADITIONAL CHURCH.

**Pops** Craig Melvin, 2021-06-15 A deeply personal exploration of fatherhood, addiction, and resiliency from Craig Melvin, news anchor of NBC's Today show. For Craig Melvin this book is more an investigation than a memoir. It's an opportunity to better understand his father; to interrogate his family's legacy of addiction and despair but also transformation and redemption; and to explore the challenges facing all dads—including Craig himself, a father of two young children. Growing up in Columbia, South Carolina, Craig had a fraught relationship with his father. Lawrence Melvin was a distant, often absent parent due to his drinking as well as his job working the graveyard shift at a postal facility. Watching sports and tinkering on Lawrence's beloved (but unreliable) 1973 Pontiac LeMans were two ways father and son connected, but as Lawrence's drinking spiraled out of control, their bond was stretched to the breaking point. Fortunately, Craig had a loving, fiercely

protective mother who held the family together. He also had a series of surrogate father figures in his life--uncles, teachers, workplace mentors--who by their examples helped him figure out the kind of person and father he wanted to be. Pops is the story of all these men--and of the inspiring fathers Craig has met reporting his Dads Got This Series on the Today show. Pops is also the story of Craig and Lawrence Melvin's long journey to reconciliation and understanding, and of how all these experiences and encounters have informed Craig's understanding of his own role as a dad.

Raising Supaman Nathaniel A. Turner, Nathaniel A. Turner J. D., 2014-01-11 In October 1994, Nathaniel Turner received news that left him petrified and ecstatic - he was going to be a father. Turner was inexperienced and unprepared. There was no guidebook on how to be a father. Determined to defy stereotypes and to be a great father, Turner created his own parenting manual. Raising Supaman is a collection of beautifully written letters Turner wrote to his son. The wonderfully loving letters established the relational legacy, provided instruction on being a great citizen, inspired his son to strive for excellence, and left a historical account of a parent's love. Raising Supaman is loaded with practical, insightful and useful tips to help parents. Raising Supaman encourages parents to be their best so that they can raise successful children. Whether you are dealing with the growing pains of a child or whether you are attempting to inspire or motivate a child, Raising Supaman is a must read. If you've been looking for the answers: an instructional manual for great parenting, a tool to improve your relationship with your child and a guidebook that can inspire a child to consistently reach for the moon, Raising Supaman is just the book for you.

**Father's Day Creek** Dan Rodricks, 2019-05-12 Where would you want to be if you knew the world would end tomorrow? How would you want to remember life on Earth? For the sake of sanity and soul, everyone should have a place in the outdoors they consider their personal sanctuary, a spirit-home that restores faith in the natural world even as climate change threatens it. Award-winning journalist and long-time angler Dan Rodricks describes the little piece of paradise he found through fly fishing -- Father's Day Creek, his name for a river in Pennsylvania that he considers The Last Best Place on Earth. The book challenges readers to identify their own Last Best Place and spend time there. The story unfolds over three hours on a single Father's Day morning. While prospecting for trout, the author reflects, hour by hour, on his experiences with a fly rod and more than 50 years of fishing with his father, friends and children. The book offers advice on fly fishing and parenthood, and explores the wonders of finding one's spirit-home midst the noise of modern life. The foreword, by fly fishing legend Lefty Kreh, was composed just a month before his death in 2018.

Grieving Dads Kelly Farley, 2012 Grieving Dads: To the Brink and Back is a collection of candid stories from grieving dads that were interviewed over a two year period. The book offers insight from fellow members of, in the haunting words of one dad, this terrible, terrible club, which consists of men who have experienced the death of a child. This book is a collection of survival stories by men who have survived the worst possible loss and lived to tell the tale. They are real stories that pull no

punches and are told with brutal honesty. Men that have shared their deepest and darkest moments. Moments that included thoughts of suicide, self-medication and homelessness. Some of these men have found their way back from the brink while others are still standing there, stuck in their pain. The core message of *Grieving Dads* is you're not alone. It is a message that desperately needs to be delivered to grieving dads who often grieve in silence due to society's expectations. *Grieving Dads: To the Brink and Back* is a book that no grieving dad or anyone who cares for him should be without. As any grieving parent will tell you, there are no words to describe the hell one experiences after the death of a child. Many men have no clue how to deal with or understand the myriad emotional, mental, and physical responses experienced after the death of a child. Stories appearing in the book have been carefully selected to represent a cross-section of fathers, as well as a diverse portrayal of loss. This approach helps reflect the full spectrum of grief, from the early days of shock and trauma to the long view after living with loss for many years. Any bereaved father will find brotherhood in these pages, and will feel that someone understands them. While there is plenty of raw emotion in this book-the stories are not exercises in self-pity nor are they studies in grief. They are survival stories instead. Some are testimonies to hope. Some are gut-wrenching accounts of overwhelming despair. But all of them are real-life stories from real-life grieving dads, and they show that even if one reaches his physical and emotional bottom, it is possible (although not easy) to live through that pain and find one's way to the other side of grief. Most dads in this book found themselves in a state of physical, mental, and emotional collapse after the death of their child. As if the losses alone weren't enough to drive these men to the brink, most try to deal with their grief according to the conventional wisdom so many men are brought up with, which perversely, increases their suffering all the more. We all know the party line about how men are supposed to deal with loss or even disappointment: toughen up, get back to work, take it like a man, support your wife, don't talk about your emotions, don't lose control, and if you must cry-by all means do so in private.
