The Easter Egg Jan Brett,2017-01-17 Add some kindness to your Easter baskets with Jan Brett's beloved Easter tale If Hoppi can make the best Easter egg, he will get to help the Easter Bunny with his deliveries on Easter morning. But it is not so easy. Discouraged, he goes into the woods to think when a blue robin's egg tumbles out of its nest. Hoppi keeps it safe and warm until the baby bird hatches. When the Easter Bunny arrives and Hoppi presents the empty blue eggshell, the Easter Bunny declares it the very best one to reward Hoppi for his kindness. Spring is everywhere in gorgeous illustrations framed with pussy willows, flowering vines and flowers. Side borders feature busy rabbits making their unusual eggs and, in a border above, the Robin's family drama unfolds. Jan Brett's lovable bunny hero and her remarkable Easter Bunny will enchant young readers.

[Easter Is Coming!](#) ,2019-02-01 Mommy and her little ones are settling in for story time, and this time it's the biblical story of Easter that she's telling. As the youngsters hear God's tale unfold with its sometimes somber notes about sin and death, they are softly and continually reminded, "But Easter is coming!" By the end of the book, the anticipation has built and the children can celebrate the ending and the glory of Easter Sunday. In a time when children's Easter excitement often focuses on only egg hunts and candy, this book offers a different—and true—reason for joy and expectancy. It's designed to be read and reread on the days leading up to Easter, telling the greatest story and building a sense of anticipation and celebration in little hearts. Go to bhkids.com to find this book's Parent Connection, an easy tool to help moms and dads (or anyone else who loves kids) discuss the book's message with their child. We're all about connecting parents and kids to each other and to God's Word.

What Did Jesus Look Like? Joan E. Taylor,2018-02-08 Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

Black White Mark Anaki,2020-12-21 Black White describes a young man's pursuit of higher education overseas. A journey that leads him from his homestead in Western Nigeria to the United Kingdom. It chronicles culture conflicts, internal dialogues and personal discoveries. As the title may suggest, Black White is not so much about racial tension but about the contrasts a young man observes as he transitions from one world to another. It is about how his identity is formed, altered and reformed by the socio-cultural currents around him. It is about how his concept of learning and education changes as he leaves one society for the other and how his blackness (an earlier unknown concept) often turned up the most unexpected twists. Black White is a personal story of aspiration, conflict and gradual enlightenment. It is a catalogue of the many dimensions of being a privileged man in a black and white world.
