A Pensive Peregrination: Vignettes of a Spiritual Traveler Robert W. Janek, 2024-11-19 Many years after the publication of his first book, *Thoughts Along the Journey*, Robert W. Janek has compiled a series of vignettes on his spiritual wanderings. Filled with older, re-edited recollections from his previous book and new thoughts, Janek's spiritual journey has progressed as the scenery of his life has. In examining everyday encounters, Janek finds purpose, meaning, and a connection to humanity and God. New experiences, new people, and new endeavors have changed the landscape of the world, and a new understanding of humanness, love, spirit grows with each. Thought-provoking and relevant to all on their walks in life, *A Pensive Peregrination* is an intense exercise in learning, growing, and finding our place in the world and a connection with the Creator beyond.

Chester's Colorful Easter Eggs Theresa Smythe, 2013-02-05 Chester the Easter Bunny decorates six Easter eggs. He chooses the colors of the rainbow: red, green, yellow, orange, purple, and blue. He then hides them for all his friends to find. On Easter, his friends discover his beautiful eggs and they all celebrate the special day together. This cheerful book reinforces color identification and counting, and celebrates the Easter holiday.

Worship Innovations Volume 3 Janet Burton, 2004 Dedicated to providing fresh ideas for busy ministers and worship planners in a variety of settings, the *Worship Innovations* series offers practical resources that will bring the Bible to life and brighten your worship services. The easy-to-produce dramas and programs can be used in any size church, yet are flexible enough to fit almost any worship style. And each user-friendly resource comes with detailed instructions, including a complete list of everything you need to prepare for. In this *Worship Innovations* volume, the focus is on the Lent and Easter

season. Like the first two books, this is a rich storehouse that will supply you with many seasons worth of compelling, scripturally authentic material. Included are: - The Paths to Calvary -- a series of six short dramatic monologues for the weeks leading up to Easter in which biblical characters tell of their encounters with Jesus - Our Place at the Table -- a dramatic re-enactment of the events preceding the Last Supper, culminating in a congregational communion service - A Passover to Remember -- a complete Maundy Thursday service with a modified Passover seder as the centerpiece - A Growing Darkness -- a Good Friday tenebrae service featuring seven readings about the day's events, brought to life with several costumed monologues - Seven Words to Die By -- based on Christ's seven last words, this tenebrae service finds meaningful truths in the somber events of the crucifixion through monologues, scripture readings, music, and prayers - Surprise at Sunrise -- an Easter sunrise service depicting the resurrection discovery in four vignettes using child actors - The Week of Weeks -- a set of interactive scripture readings for each of the Sundays between Easter and Pentecost Other titles in the Worship Innovations series: Hanging The Greens For Christmas Easy Bible Drama Janet Burton is a pastor's wife, minister of education, and writer of Christian worship and education resources. The Burtons, who have served churches in Texas and New Mexico for almost fifty years, reside in Austin, Texas, where her husband Jack serves as an interim pastor for churches in transition. Author of four books and a contributor to five others, Mrs. Burton's specialty is Sunday school Bible study curriculum. In addition, she has contributed weekly or monthly columns to three Christian newspapers. Burton attended Wheaton College in Wheaton, Illinois, and Southwestern Baptist Theological Seminary in Fort Worth, Texas.

The Rosary Cantoral Lorenzo F. Candelaria,2008 The Rosary Cantoral: Ritual and Social Design in a Chantbook from Early Renaissance Toledo presents a model for realizing the fuller significance of illuminated music manuscripts as cultural artifacts, and offers unprecedented insights into the social and devotional life of Toledo, Spain, around the turn of the sixteenth century. After solving the mystery of the Rosary Cantoral's origins, subsequent essays probe the meaning and cultural significance of the manuscript's iconography (including a border decoration after Albrecht Durer), its rare Spanish chants for the Mass, and two striking musical works for multiple voices (one by Josquin Desprez and another on L'homme arme). Ultimately, this book focuses on the extraordinary circumstances that engendered the compilation of the Rosary Cantoral around 1500: a system of patronage between a brotherhood of suspected heretics and a religious house that was a key supporter of the Inquisition in Toledo.--BOOK JACKET.

Lectionary Scenes Robert F Crowley, 1998-07 Studies have indicated that 75% of what an audience learns and remembers is a result of what they see, while 13% comes from what they hear. Drama puts both together and prepares the audience with a vivid sermon illustration that kindles their anticipation of the pastor's sermon. The majority of these mini-dramas run 3-5 minutes in length, with a few as long as 7 to 10 minutes. Each introduces the theme of the gospel lesson in the Cycle A lectionary. Written with wit, wisdom, and humor, they help to plant the scriptural message in an unforgettable, poignant, contemporary application. - Requires minimal preparation - Few props are needed - 2-4 characters are involved in each sketch Your wonderful drama left us all hungering for more. I assure you that the Lord is truly working through you. Bill Broaddus Brunswick United Methodist Church Brunswick, Ohio Through your gifts of drama you achieved a perfect blend of humor, pathos, conviction, and joy to present the gospel in a living and powerful way. Black Madonnas Lucia Chiavola Birnbaum, 2000 In the 1993 edition, I considered black madonnas a metaphor for a memory of the time when the earth was believed to be the body of woman and all creatures were equal, a memory transmitted in vernacular traditions of earth-bounded cultures, historically expressed in cultural and political resistance, and glimpsed today in movements aiming for transformation. Since then my understanding of black madonnas has been deepened by genetics finding that the origin of modern humans is Africa, that migrations from Africa carried a primordial belief in a dark woman divinity to all continents. Black madonnas and other dark women of the world suggest a metaphor for healing millennial divisions of gender and race and concerted movements for justice.

Our Secret Discipline Helen Vendler, 2007-11-29 The fundamental difference between rhetoric and poetry, according to Yeats, is that rhetoric is the expression of one's quarrels with others while poetry is the expression of one's quarrel with oneself. Through exquisite attention to outer and inner forms, Vendler explores the most inventive reaches of the poet's mind.
