Diary of an Oxygen Thief Anonymous,2016-05-23 Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer's assistant and, somehow, they met in Bright Lights, Big City. He's blinded by love. She by ambition. *Diary of an Oxygen Thief* is an honest, hilarious, and heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us.

The Lifegiving Home Sally Clarkson,Sarah Clarkson,2016-02-02 How to make home your family's favorite place to be . . . all year long. Does your home sometimes feel like just a place to eat, sleep, and change clothes on the way to the next activity? Do you long for "home" to mean more than a place where you stash your stuff? Wouldn't you love it to become a haven of warmth, rest, nourishment, and joy . . . the one place where you and your family can't wait to be? There is good news waiting for you in the pages of *The Lifegiving Home*. Every day of your family's life can be as special and important to you as it already is to God. In this unique book designed to help your family enjoy and celebrate every month of the year together, you'll discover the secrets of a life-giving home from a mother who created one and her daughter who was raised in it: popular authors and homemakers Sally and Sarah Clarkson. Together they offer a rich treasure of wise advice, spiritual principles, and practical suggestions. You'll embark on a new path to: Create special memories for your children Establish home-building and God-centered traditions and rhythms Cultivate a peaceful and creative environment in which your family will flourish Be inspired to create a refuge for all that is beautiful, good, holy, and foundational to life. (Don't miss the companion guide, *The Lifegiving Home Experience*.)

Home Made Lovely Shannon Acheson,2020-09-08 Everyone wants a home that is beautiful and clutter free. But most of us are unsure how to get there without breaking the bank. Popular interior designer Shannon Acheson takes the guesswork out of creating a lovely home. *Home Made Lovely* is a mind-set: decorating should be about those who live there, rather than making your home into a magazine-worthy spread. Shannon walks you through how to · decorate in a way that suits your family's real life · declutter in seven simple steps · perform a house blessing to dedicate your home to God · be thankful for your current home and what you already have · brush up on hospitality with more than 20 actionable ideas that will make

anyone feel welcome and loved in your home In Home Made Lovely, Shannon meets you right where you are on your home-decorating journey, helping you share the peace of Christ with family members and guests.

If He Had Been with Me Laura Nowlin,2013-04-02 If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

Things Fall Apart Chinua Achebe,1994-09-01 “A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world.” —Barack Obama “African literature is incomplete and unthinkable without the works of Chinua Achebe.” —Toni Morrison Nominated as one of America’s best-loved novels by PBS’s The Great American Read Things Fall Apart is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, Things Fall Apart explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, Things Fall Apart provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.

After the Ivory Tower Falls Will Bunch,2022-08-02 From Pulitzer Prize-winning journalist Will Bunch, the epic untold story of college—the great political and cultural fault line of American life Winner of the Athenaeum of Philadelphia Literary Award | Longlisted for the PEN/John Kenneth Galbraith Award for Nonfiction | This book is simply terrific. —Heather Cox Richardson | Ambitious and engrossing. —New York Times Book Review | A must-read. —Nancy MacLean, author of Democracy in Chains Today there are two Americas, separate and unequal, one educated and one not. And these two tribes—the resentful “non-college” crowd and their diploma-bearing yet increasingly disillusioned adversaries—seem on the brink of a civil war. The strongest determinant of whether a voter was likely to support Donald Trump in 2016 was whether or not they attended college, and the degree of loathing they reported feeling toward the so-called “knowledge economy of clustered, educated elites. Somewhere in the winding last half-century of the United States, the quest for a college diploma devolved from being proof of America’s commitment to learning, science, and social mobility into a kind of Hunger Games contest to the death. That quest has infuriated both the millions who got shut out and millions who got into deep debt to stay afloat. In After the Ivory Tower Falls, award-winning journalist Will Bunch embarks on a deeply reported journey to the heart

of the American Dream. That journey begins in Gambier, Ohio, home to affluent, liberal Kenyon College, a tiny speck of Democratic blue amidst the vast red swath of white, post-industrial, rural midwestern America. To understand “the college question,” there is no better entry point than Gambier, where a world-class institution caters to elite students amidst a sea of economic despair. From there, Bunch traces the history of college in the U.S., from the landmark GI Bill through the culture wars of the 60’s and 70’s, which found their start on college campuses. We see how resentment of college-educated elites morphed into a rejection of knowledge itself—and how the explosion in student loan debt fueled major social movements like Occupy Wall Street. Bunch then takes a question we need to ask all over again—what, and who, is college even for?—and pushes it into the 21st century by proposing a new model that works for all Americans. The sum total is a stunning work of journalism, one that lays bare the root of our political, cultural, and economic division—and charts a path forward for America.

Life as We Knew it Susan Beth Pfeffer, 2008 I guess I always felt even if the world came to an end, McDonald's still would be open. High school sophomore Miranda's disbelief turns to fear in a split second when an asteroid knocks the moon closer to Earth, like one marble hits another. The result is catastrophic. How can her family prepare for the future when worldwide tsunamis are wiping out the coasts, earthquakes are rocking the continents, and volcanic ash is blocking out the sun? As August turns dark and wintry in northeastern Pennsylvania, Miranda, her two brothers, and their mother retreat to the unexpected safe haven of their sunroom, where they subsist on stockpiled food and limited water in the warmth of a wood-burning stove. Told in a year's worth of journal entries, this heart-pounding story chronicles Miranda's struggle to hold on to the most important resource of all--hope--in an increasingly desperate and unfamiliar world. An extraordinary series debut Susan Beth Pfeffer has written several companion novels to *Life As We Knew It*, including *The Dead and the Gone*, *This World We Live In*, and *The Shade of the Moon*.

The Spirit Catches You and You Fall Down Anne Fadiman, 2012-04-24 Winner of the National Book Critics Circle Award for Nonfiction, this brilliantly reported and beautifully crafted book explores the clash between a medical center in California and a Laotian refugee family over their care of a child.

Mrs. Dalloway Virginia Woolf, 2023-12-28 Mrs Dalloway, Virginia Woolf's fourth novel, offers the reader an impression of a single June day in London in 1923. Clarissa Dalloway, the wife of a Conservative member of parliament, is preparing to give an evening party, while the shell-shocked Septimus Warren Smith hears the birds in Regent's Park chattering in Greek. There seems to be nothing, except perhaps London, to link Clarissa and Septimus. She is middle-aged and prosperous, with a sheltered happy life behind her; Smith is young, poor, and driven to hatred of himself and the whole human race. Yet both share a terror of existence, and sense the pull of death. The world of Mrs Dalloway is evoked in Woolf's famous stream of consciousness style, in a lyrical and haunting language which has made this, from its publication in 1925, one of her most

popular novels.

The Emotion Thesaurus: A Writer's Guide to Character Expression (2nd Edition) Becca Puglisi, Angela Ackerman, 2019-02-19 The bestselling Emotion Thesaurus, often hailed as “the gold standard for writers” and credited with transforming how writers craft emotion, has now been expanded to include 56 new entries! One of the biggest struggles for writers is how to convey emotion to readers in a unique and compelling way. When showing our characters’ feelings, we often use the first idea that comes to mind, and they end up smiling, nodding, and frowning too much. If you need inspiration for creating characters’ emotional responses that are personalized and evocative, this ultimate show-don’t-tell guide for emotion can help. It includes: • Body language cues, thoughts, and visceral responses for over 130 emotions that cover a range of intensity from mild to severe, providing innumerable options for individualizing a character’s reactions • A breakdown of the biggest emotion-related writing problems and how to overcome them • Advice on what should be done before drafting to make sure your characters’ emotions will be realistic and consistent • Instruction for how to show hidden feelings and emotional subtext through dialogue and nonverbal cues • And much more! The Emotion Thesaurus, in its easy-to-navigate list format, will inspire you to create stronger, fresher character expressions and engage readers from your first page to your last.

The Road Cormac McCarthy, 2007 In a novel set in an indefinite, futuristic, post-apocalyptic world, a father and his young son make their way through the ruins of a devastated American landscape, struggling to survive and preserve the last remnants of their own humanity

Handbook for Public Playground Safety, 2006

Lest Darkness Fall Lyon Sprague De Camp, 1949 Martin Padway was a smart enough young man, with a scientific education, but no universal genius. He had the misfortune to be dropped back suddenly into a former time, and a very alarming time at that -- sixth-century Rome, when the Goths ruled Italy and civilization in the West was collapsing. To make a living, and to try to shore up civilization, Padway undertook to introduce inventions Some worked and some didn't ...- Jacket, back inside flap.

Holy Bible (NIV) Various Authors, 2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.
