**Dutch Traditional Ganseys** Stella Ruhe,2013 In the period between 1875 and 1950, Dutch fishermen wore sweaters with distinctive knit and purl stitch patterns and sometimes cables. The sweaters were knit out of sturdy blue, natural, grey or black wool. The women from the fishing villages along the Dutch coast would use their own patterns, and because of the close-knit character of many fishing communities, these patterns could be linked to specific towns. A fisherman could be identified by his gansey: the motif could for instance be traced back to Urk or Katwijk. Stella Ruhe collected many patterns and motifs and had the ganseys reknit using modern yarns. This book contains historical and new photographs, sketches and charts for all the ganseys, which you can use to knit a gansey from your favorite fishing village. Of course, the historical context of these ganseys is as important as the objects themselves. That is why the book is also full of stories and interesting facts about the daily life of fishermen - with a few fishy stories as well! The combination of history and modern patterns make Dutch Traditional Ganseys a unique book for knitters, and a great read for everyone interested in craft, culture and heritage.

Russ has been welcomed into his newly engaged brother's circle of friends—all except a close friend and coworker of Reid's fiancée, an intriguingly stormy woman named Sam. Luckily, Sam is certain that the chaos of her calendar will ensure their distance, and she won't have to deal with Russ or his irritating, handsome smile. **The Minotaur at Calle Lanza** Zito Madu,2024-04-02 A "hauntingly effective" surrealist travel memoir about the mysterious transformations that may lurk inside us all (Library Journal, starred review). Venice, 2020. As a pandemic rages across the globe, Zito Madu finds himself in a nearly deserted city, its walls and basilicas humming with strange magic. As he wanders a haunted landscape, we see him twist further into his own past: his family's difficult immigration from Nigeria to Detroit, his troubled relationship with his father, the sporadic joys of daily life and solitude, his experiences with migration, poverty, foreignness, racism, and his own rage and regret. But as it is with all labyrinths, after finding its center, will he come away unscathed, or will he transform into the gripping, fantastical monstrousness that's out to consume him whole? With nods to Italo Calvino and Jorge Luis Borges, this surrealist debut memoir takes us into the labyrinth of memory and the monsters lurking there.

Mild Vertigo Mieko Kanai,2023-05-02 In this intoxicating stream-of-consciousness novel, Mieko Kanai tackles the existential traps of motherhood, marriage, and domestic captivity The apparently unremarkable Natsumi lives in a modern Tokyo apartment with her husband and two sons: she does the laundry, goes to the supermarket, visits friends, and gossips

with neighbors. Tracing her conversations and interactions with her family and friends as they blend seamlessly into her own infernally buzzing internal monologue, *Mild Vertigo* explores the dizzying reality of being unable to locate oneself in the endless stream of minutiae that forms a lonely life confined to a middle-class home, where both everything and nothing happens. With shades of Clarice Lispector, Elena Ferrante, and Kobo Abe, this verbally acrobatic novel by the esteemed novelist, essayist, and critic Mieko Kanai—whose work enjoys a cult status in Japan—is a disconcerting and radically imaginative portrait of selfhood in late-stage capitalist society.
