Provence Style Shauna Varvel,2021-06-15 An intimate tour of quintessential Provencal style, featuring chic homes and interior details inspired by this picturesque region Thirty years after the publication of Peter Mayle's bestselling memoir *A Year in Provence*, the sun-drenched southern French region continues to excite home decorators with its combination of rustic charm, elegant details, and historical influences. *Provence Style* showcases the best of the region, with Shauna Varvel's quintessential 18th-century Rhône valley farmhouse--Le Mas des Poiriers--as its centerpiece. Named for the working pear orchard on the grounds, the property was reimaged by noted local architect Alexandre Lafourcade, who transformed a rough structure into a luxurious expression of the Provençal aesthetic, referencing historical influences, rural traditions, and Parisian taste. Set amid a garden of allées, arbors, and terraces designed by the architect's mother, renowned landscape designer Dominique Lafourcade, this exemplar of Provençal style is the starting point for exploring the region's characteristic interior details and exterior features. The book includes chapters on the public spaces of the home, from entrances to living rooms, the private realm of bedrooms and bathrooms, and outdoor areas including patios and kitchen gardens, transporting the reader on a captivating stylistic journey.

Suzanne Kasler Timeless Style Suzanne Kasler, 2013 Suzanne Kasler is known for her classically inspired rooms, pretty palettes, and comfortable spaces. She brings Southern charm, European sensibility, and a respect for architectural details to her interiors. Her neutral palette, spiced with hits of color, creates warm spaces that are elegant yet inviting. Inspired by fashion, Kasler uses a scarf as a throw, adds grosgrain or satin banding to the bottom of a chair cover, accents draperies with Chanel-like piped borders, or embellishes a bed frame with delicate handpainted patterns. It is these exquisite haute couture details that drive her design aesthetic. Kasler's mélange of antiques, midcentury pieces, and modern furniture makes her layered interiors attractive and livable. Lavishly illustrated, this beautiful volume showcases a range of Kasler's projects, from a luxurious Georgian mansion in Atlanta's Buckhead to a sophisticated farmhouse in Tennessee and a beach house in Watersound, Florida. Expressive Interiors Sandra Lucas, Sarah Eilers, Lucas/Eilers Design Associates, 2020-09-15 From the Third Coast comes this inspirational interiors book by award-winning interior designers Sandra Lucas and Sarah Eilers, who show us how to design inviting homes with a classical backbone that are stylish and versatile for today's living. Native Houstonians Lucas and Eilers's aesthetic marries the entrepreneurial, can-do spirit of the West with Southern grace. The distinctive influences of their hometown—from the architecture of John Staub to the textures and color palettes of the surrounding Texas ranches and expansive landscapes to the impact of futuristic NASA—infuse their design choices. Whether traditional, contemporary, or transitional in style, the rooms they create are timeless. The duo's seasoned insight into the principles and elements of interior design forms the book's heart. Touching on such topics as scale and proportion, color and light, and pattern and texture, they explore their pragmatic, imaginative approach to creating expressive living spaces in a diverse range of projects from coast to coast. They then tour us through several homes, including a comfortable family ski compound in Utah with repurposed rough-hewn wooden beams and custom forged-steel fireplace surrounds; a Houston shotgun home rich with patina; and a charming Gulf Coast beach house. For those passionate about interiors, this wealth of design fundamentals is inspirational.

The French-Inspired Home Carolyn Westbrook, 2010-10-14 Carolyn Westbrook brings you her first-hand knowledge, acquired through years of combing French flea markets for unique treasures, of what makes a beautiful French interior. Designer and decorator Carolyn Westbrook's love affair with all that is French inspired began long before she ever traveled to France. Growing up in the US, her Southern heritage was infused by French influences—from the chic elegance of New Orleans to the romance of southern plantation houses. Subsequent travels to France filled her with a passion that has influenced her designs and interiors ever since and "The French Inspired" has become her own signature style. Immerse yourself in her own beautiful plantation house, a sleek urban apartment, or a classically elegant town house. Each home

featured has its own distinctive style, but all are essentially “French” in their inspiration, whether it comes from a distressed, gilded carved mirror, or a faded, frayed rug that exudes age in just the right places and could never be purchased from a department store. Carolyn Westbrook prides herself on these French-inspired interiors that are classic and timeless but never stuffy. These interiors are not about the latest trends, but meant to inspire longevity and a true romance with your own home. The French have mastered the art of this time-worn yet sophisticated style of living, and you too will fall in love with the colors, the textures, and the inspiration that is truly French.

Perfect English Farmhouse Ros Byam Shaw, 2017-10-10 Perfect English Farmhouse celebrates the characteristic style and fascinating history of the classic farmhouse and shows how to turn your own home into a similarly welcoming retreat. Farmhouse is a word that conjures an array of appealing associations: fresh eggs and baby lambs, chunky wooden beams and stone floors, cream teas and harvest suppers; a place of welcome and plenty. With their generous kitchens and meandering layout, the architectural informality of the farmhouse suits modern lifestyles. In Perfect English Farmhouse, via a series of case studies, Ros Byam Shaw explores both traditional and contemporary farmhouse style. The book is divided into chapters according to style: Organic, Traditional, Fresh, No Frills, and Funky, and at the end of each chapter a spread highlights the key elements of that particular decorative look. At the back of the book, there is also a comprehensive listing of UK and US sources to help readers create their very own take on perfect farmhouse style.
