French Country Cottage Courtney Allison,2018-08-14 Discover design inspiration as a photographer and blogger details the story of her renovation of a 1940s cottage in the California countryside. A little, abandoned vacation house that could, set in the center of rolling fields and trees becomes the cottage home of her dreams. A French country-style cottage filled with original elements and an exquisite mix of rustic and refined. The years of renovation allowed Courtney to create a lifestyle that is fueled by inspiration and beauty, a touch of whimsy, and an abundance of everyday elegance. The journey has been shared on her popular blog *French Country Cottage*, and now, through the publication of her first book, her readers will experience a reveal of more of her home and property and the inspirations behind her beloved style. Courtney's inspiring photography reveals every nuance of her style and home including a muted color palette, old brassy door knobs, chippy paint, antiques, her greenhouse and garden, and an abundance of entertaining and holiday decorating style. Blurring the lines between indoor and outdoor and embracing well-worn as well loved, *French Country Cottage* is a style that celebrates simplicity, indulges in romance, cherishes pieces with history and believes a chandelier and fresh flowers belong in every room.

Flea Market Chic Liz Bauwens, Alexandra Campbell, 2012-02-09 Fleamarket Chic is the smart way to decorate now, adding texture, color, and depth to contemporary interiors. In modern rooms, a distressed chair or a vintage mirror adds a perfect finishing touch. And in traditional decorating schemes, fleamarket chic is a key part of the mix: faded textiles, weathered furniture, mis-matched china, and the occasional flamboyant lamp or work of art are all part of the charm. Of course, Fleamarket Chic is about saving you money, along with recycling, upcycling, and repurposing. But it's also about a sense of history and place, about individuality, and creating a home that reflects your life and personality. Every piece in a Fleamarket Chic interior has a story: the colorful pitcher you found at a garage sale, the vintage telephone you reclaimed when a favorite aunt finally bought a modern handset, the little chair you found in a county junk store, or the old trash cans that have been converted into fashionable zinc planters. In Fleamarket Chic, we'll show you how to spot the clever find in a pile of junk, where to look and how to negotiate, how to smarten up (and when not to smarten up) second-hand items, and

how to re-discover and re-use things you or your family already have.

Sean Scherer's Kabinett and Kammer Sean Scherer,2020-09-15 Interior designer, artist, and collector Sean Scherer shares his secrets about applying the principles of two-dimensional art to home design *Sean Scherer's Kabinett & Kammer* is equally a celebration and a guide to both collecting and showing how lively design can integrate disparate objects into beautifully layered ensembles. Scherer's interiors feature vintage display cabinets housing discarded collections of whittled

songbirds, stunning 19th-century maps and school teaching aids, ferns in cast-iron planters, and photomurals. The effect is a supercharged nod to American Gothic heightened by Scherer's sophisticated palette and sense of proportion. Each photograph by William Abranowicz is a lesson on color and texture, focal points, and room size. Though styles fluctuate and tastes are unique, the principles of design are immutable, and good design is good design.

The French-Inspired Home Carolyn Westbrook,2010-10-14 Carolyn Westbrook brings you her first-hand knowledge, acquired through years of combing French flea markets for unique treasures, of what makes a beautiful French interior. Designer and decorator Carolyn Westbrook’s love affair with all that is French inspired began long before she ever traveled to France. Growing up in the US, her Southern heritage was infused by French influences—from the chic elegance of New Orleans to the romance of southern plantation houses. Subsequent travels to France filled her with a passion that has influenced her designs and interiors ever since and “The French Inspired” has become her own signature style. Immerse yourself in her own beautiful plantation house, a sleek urban apartment, or a classically elegant town house. Each home featured has its own distinctive style, but all are essentially “French” in their inspiration, whether it comes from a distressed, gilded carved mirror, or a faded, frayed rug that exudes age in just the right places and could never be purchased from a department store. Carolyn Westbrook prides herself on these French-inspired interiors that are classic and timeless but never stuffy. These interiors are not about the latest trends, but meant to inspire longevity and a true romance with your own home. The French have mastered the art of this time-worn yet sophisticated style of living, and you too will fall in love with the colors, the textures, and the inspiration that is truly French.
