A Ring of Endless Light Madeleine L'Engle,2008-09-02 In book four of the award-winning Austin Family Chronicles young adult series from Madeleine L'Engle, author of *A Wrinkle in Time*, Vicky Austin experiences the difficulties and joys of growing up. This wasn't the first time that I'd come close to death, but it was the first time I'd been involved in this part of it, this strange, terrible saying goodbye to someone you've loved. These are Vicky Austin's thoughts as she stands near Commander Rodney's grave while her grandfather, who himself is dying of cancer, recites the funeral service. Watching his condition deteriorate over that long summer is almost more than she can bear. Then, in the midst of her struggle, she finds herself the center of attention for three young men. Leo, Commander Rodney's son, turns to her as an old friend seeking comfort but longing for romance. Zachary, whose attempted suicide inadvertently caused Commander Rodney's death, sees her as the one sane and normal person who can give some meaning to his life. And Adam, a serious young student working at the nearby marine-biology station, discovers Vicky, his friend's little sister, incipient telepathic powers that can help him with his experiments in dolphin communications. Vicky finds solace and brief moments of peace in her poetry, but life goes on around her, and the strain intensifies as she confronts matters of love and of death, of dependence and of responsibility, universal concerns that we all must face. The inevitable crisis comes and Vicky must rely on openness, sensitivity, and the love of others to overcome her private grief. Once again, Madeleine L'Engle has written a story that revels in the drama of vividly portrayed characters and events of the spiritual and moral dimensions of common human experiences. *A Ring of Endless Light* is a 1981 Newbery Honor Book. Albion's Seed David Hackett Fischer,1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are Albion's Seed, no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape

attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

The Bridge of Peace Cindy Woodsmall,2010-08-31 Love alone isn't enough to overcome some obstacles. Lena Kauffman is a young Old Order Amish schoolteacher who has dealt all her life with attention raised by a noticeable birthmark on her cheek. Having learned to move past the stares and whispers, Lena channels her zest for living into her love of teaching. But tensions mount as she is challenged to work with a rebellious young man and deal with several crises at the schoolhouse that threaten her other students. Her lack of submission and use of ideas that don't line up with the Old Ways strengthen the school board's case as they begin to believe that Lena is behind all the trouble. One member of the school board, Grey Graber, feels trapped by his own stifling circumstances. His wife, Elsie, has shut him out of her life, and he doesn't know how long he can continue to live as if nothing is wrong. As the two finally come to a place of working toward a better marriage, tragedy befalls their family. Lena and Grey have been life-long friends, but their relationship begins to crumble amidst unsettling deceptions, propelling each of them to finally face their own secrets. Can they both find a way past their losses and discover the strength to build a new bridge?
