A Christmas Courtship Shelley Shepard Gray, 2021-10-19 This charming and gentle Christmas love story in the “swoon-worthy” (Woman’s World) Berlin Bookmobile series follows a librarian determined to help an Amish bachelor woo his neighbor. A solitary sort, forty-two-year-old Atle Petersheim spends his time hard at work in his wood shop. But as the days get longer, he realizes just how lonely he’s become. When his longtime crush, Sadie Mast, a widow and mother of three, asks him to help her build a room in their barn for her son, Atle can’t say no. Eager to pursue Sadie at last, he turns to bookmobile librarian Sarah Anne Miller for courting advice. More than happy to help, Sarah Anne decides the best way to learn about love is through books—romance novels to be precise. Between completing holiday orders for her flourishing food business, helping Cale navigate a dramatic new relationship with his boss’s daughter, and coming to terms with the trauma her late husband had inflicted upon her and her children—not to mention Atle showing up at her door with flowers—Sadie is in over her head. Though Atle’s efforts are initially clumsy and his declarations a bit awkward, Sadie can’t help but be charmed by her patient and kind neighbor. But is she ready for love? Another delightful romance about the “transformative powers of love, hope, and faith” (Publishers Weekly), *A Christmas Courtship* is the perfect holiday read.

Albion's Seed David Hackett Fischer, 1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are *Albion's Seed*, no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

I Love Jesus, But I Want to Die Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.
