*The Ballad of Songbirds and Snakes (A Hunger Games Novel)* Suzanne Collins,2020-05-19 Ambition will fuel him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.

**Albion's Seed** David Hackett Fischer,1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are Albion's Seed, no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

On the Farm Dorling Kindersley,2017-10-05 Matt the cat is looking for a mouse in this noisy lift-the-flap barnyard adventure, but there are so many places where the mouse could be hiding? On The Farm joins Matt on his search as he meets the other farm animals along the way. Children will improve their motor skills by lifting the door flaps on every spread, and the light activated sounds will help with discovering who's hiding behind each one. Preschoolers can discover the neighing horse, a quacking duck, an oinking pig, a mooing cow and a cheeping chick. The mouse's tail hidden on each page will also give children something extra to look for, whilst the simple text builds early knowledge of the farmyard and encourages preschoolers to learn through repetition. With stunning photography and beautiful illustrations your little one will love this exciting and engaging introduction to life on the farm.

*A Ring of Endless Light* Madeleine L'Engle,2008-09-02 In book four of the award-winning Austin Family Chronicles young adult series from Madeleine L'Engle, author of *A Wrinkle in Time*, Vicky Austin experiences the difficulties and joys of growing up. This wasn't the first time that I'd come close to death, but it was the first time I'd been involved in this part of it,

this strange, terrible saying goodbye to someone you've loved. These are Vicky Austin's thoughts as she stands near Commander Rodney's grave while her grandfather, who himself is dying of cancer, recites the funeral service. Watching his condition deteriorate over that long summer is almost more than she can bear. Then, in the midst of her struggle, she finds herself the center of attention for three young men. Leo, Commander Rodney's son, turns to her as an old friend seeking comfort but longing for romance. Zachary, whose attempted suicide inadvertently caused Commander Rodney's death, sees her as the one sane and normal person who can give some meaning to his life. And Adam, a serious young student working at the nearby marine-biology station, discovers Vicky, his friend's little sister, incipient telepathic powers that can help him with his experiments in dolphin communications. Vicky finds solace and brief moments of peace in her poetry, but life goes on around her, and the strain intensifies as she confronts matters of love and of death, of dependence and of responsibility, universal concerns that we all must face. The inevitable crisis comes and Vicky must rely on openness, sensitivity, and the love of others to overcome her private grief. Once again, Madeleine L'Engle has written a story that revels in the drama of vividly portrayed characters and events of the spiritual and moral dimensions of common human experiences. **The Evil Inside** Heather Graham,2021-03-01 Delve into the haunting mystery and explore the history of Salem in this chilling suspense from New York Times bestselling author Heather Graham. For as long as it has stood overlooking New England's jagged coastline, Lexington House has been the witness to madness...and murder. But in recent years the inexplicable malice that once tormented so many has lain as silent as its victims. Until now... A member of the nation's foremost paranormal forensic team, the FBI's Krewe of Hunters, Jenna Duffy has made a career out of investigating the inexplicable. Yet nothing could prepare her for the string of slayings once again plaguing Lexington House—or for the chief suspect, a boy barely old enough to drive, much less kill. With the young man's life on the line, Jenna must team up with attorney Samuel Hall to pinpoint who—or what—is taking the lives of those who get too close to the past. But everything they learn brings them closer to the forces of evil stalking this tortured ground. Previously published

*I Love Jesus, But I Want to Die* Sarah J. Robinson,2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What

happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.
