## Charlotte Moss

Charlotte Moss Flowers Charlotte Moss,2021-04-06 Renowned interior designer and tastemaker Charlotte Moss celebrates flowers and offers endless inspiration in their use as glorious additions to decorating, entertaining, and everyday living. Charlotte Moss encourages readers to bring the garden indoors--with ideas for arranging flowers, selecting containers, and placing blossoms around the house. An inviting cluster of blooms on a guest room's bedside table, lavish floral displays for parties and holidays, single stems adding life to any corner of a room--Moss has been photographing her flower arrangements for over a decade. This book is a celebration of her artistry and a testament to flowers as part of day-to-day life. From Moss's grander displays in the city to her more informal and breezy creations at her home in the country, as well as in the refined interiors of her clients, the visual result is a chronicle of the myriad ways flowers provide inspiration--indoors and out. Readers will be further motivated as Moss describes the contributions of past tastemakers: Gloria Vanderbilt for her ingenious use of floral patterns in her licensed products, Pauline de Rothschild for her fantastic tablescapes, Bunny Mellon for her profusive use of topiaries, Constance Spry for the use of inventive containers and for her groundbreaking artistry, and Lady Bird Johnson for her embrace of the simple, exquisite wildflower. With nature as her muse, Moss implores us to create the backdrop for a life well lived, imbuing every day with flair, beauty, and elegance.

Classic Floral Designs Ed Smith,2005 Any flower lover can produce breathtaking arrangements--it's just a matter of applying the principles of good design. A lushly photographed guide to contemporary and traditional styles explains how to learn basic skills and ordinary materials. Over 30 designs are on display, with every step for producing them in both fresh and silk flowers. See how to choose the right container (baskets, clear glass, bubble bowls, tall vases) and shape (round, fan, horizontal, vertical, right triangle). Assemble your own versions of arrangements like Seasonal Delights, Springtime Garden, Summer Pitcher, Waterfall, Fruit Compote, Garden Romance, Framed Florals, Christmas Gathering, and Golden Glow. Add special effects--candles, water features, topiaries--to highlight any event from a holiday party to a wedding theme.

**The New Book of Wedding Flowers** Joanne O'Sullivan,2004 With the help of this exquisite and instruction-filled guide, anyone can create gorgeous wedding arrangements with ease. It covers all the important points any designer must take into consideration: how to coordinate the flowers with the overall theme of the ceremony; where the arrangements will be needed, from personal boutonnieres to centerpieces at the reception; and how to work with a florist to get the blooms. Floral basics and how-to's range from important facts on color and composition to suggestions on bouquet shapes and their relation to the dresses. Most important are the various projects to duplicate exactly or use as a springboard, from lovely monochromatic themes to seasonal styles.

Silk Flower Arranging Marcianne Miller,2005 Quick, easy to make, sophisticated, and elegant, these 40 silk flower arrangements are well suited to today's busy home decorator. The basics of designing that are illustrated and presented here will soon have the arranger making creative leaps in styling. Put the new, more lifelike silk flowers in treasured tiny vases; go simply exotic with Chinese-red blossoms and a single bold leaf; or make an everlasting, never fading bride's bouquet. Show off a bucket of tall blossoms, artfully arranged to look as if you've just carried them in from the garden. Hang a unique sylvan wall sconce, with leafy greenery, ferns, and berries, and a grapevine nest hidden amid the flowers. Designer tips and project variations expand the decorating possibilities.
