[Little House Living](#) Merissa A. Alink, 2021-02-23 The immensely popular blogger behind *Little House Living* provides a timeless and “heartwarming guide to modern homesteading” (BookPage) that will inspire you to live your life simply and frugally—perfect for fans of *The Pioneer Woman* and *The Hands-On Home*. Shortly after getting married, Merissa Alink and her husband found themselves with nothing in their pantry but a package of spaghetti and some breadcrumbs. Their life had seemingly hit rock bottom, and it was only after a touching act of charity that they were able to get back on their feet again. Inspired by this gesture of kindness as well as the beloved *Little House on the Prairie* books, Merissa was determined to live an entirely made-from-scratch life, and as a result, she rescued her household budget—saving thousands of dollars a year. Now, she reveals the powerful and moving lessons she’s learned after years of homesteading, homemaking, and cooking from scratch. Filled with charm, practical advice, and gorgeous full-color photographs, Merissa shares everything from tips on

budgeting to natural, easy-to-make recipes for taco seasoning mix, sunscreen, lemon poppy hand scrub, furniture polish, and much more. Inviting and charming, Little House Living is the epitome of heartland warmth and prairie inspiration.

Brief Candle Kate Pennington, 2011-10-06 At 13, Emily is tall, restless and impatient - ladylike she certainly isn't! Emily despises such things as needlework, but she has a vivid imagination and is a keen artist and, along with her talented sister, Charlotte, loves to write. But Emily stumbles upon a real-life story, when she encounters the vagabond Heslington while out walking her beloved dog, Captain, on the Yorkshire Moors. Heslington is hiding out in an abandoned cottage, on the run from someone, but claims he is guilty of nothing. All he can tell Emily is that he is passionately in love with a Miss Martha Holmes, but has been forbidden from seeing her. Martha's family believe Heslington is only after her money, but he is prepared to live like a pauper, he says, if he can only be with the girl he loves. Touched by his story, Emily finds herself drawn into the whole sorry mess, acting as a reluctant go-between for Martha and Heslington, but convinced she is doing the right thing. But when Heslington reveals his dark side, Emily finds herself doubting him, not knowing what to believe. Is Heslington the love-torn romantic hero of her imaginings or he is mad...?

The Magic Candle Hallie Rive Appel, 2023-03-14 Charlotte and her sisters Emma and Andrea live in a cabin in a forest—but they can't remember how they got there. When otherworldly characters show up—a talking wolf, royal guards with a glass slipper, weebegone dwarves—Charlotte suspects they've been transported to a land of fairy tales. The sisters enjoy helping people with their troubles, and they meet princesses with plenty of gusto, but the nagging sense that they belong elsewhere leads them to the infamous Fairy Queen. Just as the truth of their situation is revealed, the sisters fear they'll never go home again. Funny, clever, and charming, *The Magic Candle* is a re-examination of fairy tales in a modern era as navigated by three empowered young sisters.

Gently illuminate a hallway with lighted candles set in traditional sconces. Try a little bathtime aromatherapy with fragrant candles that enhance relaxation. The Queen of Algernon faces her toughest challenge yet, when an unknown enemy from the past comes seeking vengeance. Decisions the Queen has made come back to haunt her, as a certain Denzelian sorceress casts a Dark Dream over everyone. What is Queen Alice willing to give to save those she loves? Enter a new source of light. The Princess of Algernon is learning that not all adventures are fun and nothing in her life is simple anymore. If she is to survive, she must find and use her own mystic powers-not rely on those of her mother. Teamed up with the Princess is a half-fairy lad, an aspiring bard and a young shepherd with a dark past. But in this world of complex motives and emotions, can they fight off their own demons within? Before his shattering in a battle nearly 15 years earlier, the demon, Ralston Radburn, once said that evil cannot die because of the darkness in everyone's hearts. Could he possibly be right? Everyone is about to find out.

Candle in the Storm Morgan Howell,2009-10-27 The malign shadow of the Devourer has darkened the land, extinguishing life and hope. The followers of the benevolent goddess Karm are hunted mercilessly and cut down by an army of bewitched slayers led by Lord Bahl, the Devourer's flesh-and-blood incarnation. Only two people stand in the way of an apocalyptic bloodbath that will literally bring hell to earth: a man and a woman linked by a love as strong as it is unlikely-Honus, a grim-faced warrior dedicated to Karm, and Yim, a beautiful former slave with the divine power to stop Lord Bahl. But that power will prove a terrible curse as Yim is called upon to make a costly sacrifice-a sacrifice that will not only put her love for Honus to the test but call into question her very faith. As the evil storm descends, can the flame of hope endure?

supports everyone but herself and one must fight to control the anger and pain from the past, to temper and hone it into a tool of great compassion. ...all must learn to believe in their own gifts and in the Magick their teacher showed them ...to travel the portals into the realms where the Fae reside at the times of the year when the veil is thin and the Old Ones walk the land. ...many will step forward to assist them in their search as blight spreads sticky dark threads across all the realms to the Birthing Tree where all life must return one day and where for one of them the greatest test to face is that Magick might indeed be real... ...they must travel the inner realms to discover the truths of life itself...
